Long Island Builders Institute

The Association for a Better Long Island

Suffolk County Office of Wastewater Management

Health Permit Review Process Training

June 5, 2014

8:30 - 10:30 a.m.

Legislative Auditorium
W.H. Rogers Legislature Building
725 Veterans Memorial Highway
Smithtown, NY 11787

This presentation will provide design professionals with an overview of Suffolk County's new and improved Wastewater permit review process. Come learn about new measures to create a quicker, more efficient process for obtaining a Health Department permit from Suffolk County.
