B: The U.S. Environmental Protection Agency Enforcement & Compliance History Online (ECHO) website (http://www.epa-echo.gov/echo/) can be searched to provide a vast amount of information and data on each STP in Suffolk County. Compliance reports, effluent charts, pollutant loading reports, water quality reports and other information for regulated facilities under the Clean Water Act can be viewed and downloaded by conducting searches using the unique SPDES permit number for each STP.

C: SW-M = marine surface water outfall, GW = groundwater outfall.

D: Treatment plant located on part of Town of Islip owned property and leased for exclusive private use by Holiday Inn.

E: STP to be demolished, flow will be pumped to Suffolk County Sewer District #13.
