Instructions

Applications that received Health Department approval more than six (6) years ago and have not been inspected by the Health Department are not transferrable or renewable. The applicant must submit a completely new application package and fee, specific to the type of project being proposed. For information and forms, call (631)852-5700, email HealthWWM@suffolkcountyny.gov, or visit www.suffolkcountyny.gov/Health under "Documents and Forms".

TRANSFERRING A PERMIT

Complete Sections 1 and 4. You must also complete *either* Section 2 (when previous applicant/agent is available) *or* Section 3 (when previous applicant/agent is not available). If neither Section 2 nor Section 3 can be completed, the Permit cannot be transferred. The applicant must submit a new application package and fee specific to the type of project being proposed.

- A. Application fee: See current fee schedule. An "Other Than Single Family Construction - Transfer" fee will be required as well as an "Other Than Single Family Construction - Renewal" fee if the permit has expired.
- B. If you require additional copies of the previous Health Dept. approval of the project (for Town/Village Building Dept., etc.), please submit three (3) original prints of the site plan previously approved by this Department for this project. Additional information may be required.
- C. If you are transferring a permit submission that has not yet received approval from this Department, please submit all outstanding items required to allow the issuance of a permit by this Department. Refer to the latest Notice of Incomplete Application and/or Notice of Non-Conformance – Commercial (Forms WWM-006 & 014) prepared for your project.

RENEWING A PERMIT

Complete Sections 1 and 4.

- A. Application fee: See current fee schedule. An "Other Than Single Family Construction - Renewal" fee will be required as well as an "Other Than Single Family Construction - Transfer" fee if the permit is also being transferred.
- B. If you require additional copies of the previous Health Dept. approval of the project (for Town/Village Building Dept., etc.), please submit three (3) original prints of the site plan previously approved by this Department for this project. Additional information may be required.
- C. If the original date of issuance is greater than six (6) years old and inspections have been conducted by the Health Department, submit this form along with a full commercial permit fee, see current fee schedule. If the original date of issuance is greater than six (6) years old and inspections have not been conducted by the Health Department, the application cannot be renewed. The applicant must submit a completely new application package and fee, specific to the type of project being proposed.

REVISIONS TO EXISTING PERMITS

If you are transferring and/or renewing an application and are also making any minor modifications to the project that differ from the originally approved permit, you must submit three (3) original prints of a site plan that clearly show your project revisions. An additional fee may be required if the revisions or modifications are deemed to be substantial in nature.

SIGNATURES MUST BE ORIGINAL. PHOTOCOPIES NOT ACCEPTED.
