**THE
UNIVERSITY
OF RHODE ISLAND**

The Suffolk County Department of Health Services in cooperation with the University of Rhode Island New England Onsite Wastewater Training Program, present:

***Onsite Wastewater Treatment System
Inspector Training Class***

Dates & Times: August 18 – 19, 2016 (2-day class) 8:00 am – 5:00 pm

Location: First Floor Auditorium
Suffolk County Dept. of Health Services
360 Yaphank Avenue
Yaphank, NY, 11980

Cost: \$450 (registrations received after Aug. 3, 2016 the cost is \$500)

Class size is limited to 25 people, so please register early to assure a seat.

Course Description and Instructors

Septic system inspections are the first step towards inventorying what is in the ground, and are critical to protecting public health and water quality. On the **first day of this class**, you will be in the classroom learning about onsite wastewater systems, inspection techniques, general safety issues, how to use tools and gadgets of the inspection trade and how to recognize typical substandard systems, collecting baseline data, determining solids levels in tanks, and pump out and inspection frequencies. The **second day** will begin with a brief hands-on review of safety issues, inspection techniques, procedures, and inspection tools. Then we head into the field to conduct 2 actual, blind inspections at existing homes using the standardized class inspection procedure. At the end of the day, you may take a written examination to become a Suffolk County approved onsite wastewater system inspector. Instructors for the class are – George Loomis of the University of Rhode Island New England Onsite Wastewater Training Center; Justin Jobin and Ed Lyons, from Suffolk County Department of Health Services.

Class Logistics

Participants are required to be present during the entire 2-day class (8:00 am to 5:00 pm each day). Attendance will be taken throughout the class. Your fee does not include lunch or refreshment breaks - please bring your own lunch, snacks and drinks. The County will issue inspector certificates to participants who successfully complete the class and pass the inspector's examination.

- Please see reverse side for registration form –

UNIVERSITY
OF RHODE ISLAND

**Onsite Wastewater Treatment System
Inspector Training Class**

Date: August 18 – 19, 2016 8:00 am – 5:00 pm

Location: First Floor Auditorium - Suffolk County Dept. of Health Services
360 Yaphank Avenue
Yaphank, NY, 11980

Mail-in Registration Form (No registrations by phone, fax, or email)

Name: _____

Company Name: _____

Address: _____

City: _____ State: _____ Zip Code: _____

Phone: _____ Fax _____ Email: _____

Cost: \$450 (registrations received after August 3, 2016 the cost is \$500)
(Class size is limited, so please register early to insure a seat)

Please enclose a check or money order made payable to URI Cooperative Extension with this form and mail to: University of Rhode Island
NRS Department - NEOWT Program
URI Coastal Institute Bldg.
1 Greenhouse Road
Kingston, RI 02881.

Questions? Email justin.jobin@suffolkcountyny.gov or call (631) 852-5808.

Confirmation: An email will be sent prior to the training, so be sure to include your email address (*please note, we do not share your email addresses*).

Cancellation policy: You must notify us in writing/email no less than 7 days prior to the training in order to receive a refund, minus a \$25 administrative charge. If there are not enough registrants to make the course viable your entire fee will be refunded.

No show policy: *Those not attending the day of the class or cancelling less than 7 days prior to the class will forfeit their registration fee.*

**THE
UNIVERSITY
OF RHODE ISLAND**

The Suffolk County Department of Health Services in cooperation with the University of Rhode Island New England Onsite Wastewater Training Program, present:

Innovative and Alternative Onsite Wastewater Treatment Technology Class (OWT 105)

Date & Time: August 17, 2016 8:00 am – 5:00 pm

Location: First Floor Auditorium - Suffolk County Dept. of Health Services
360 Yaphank Avenue
Yaphank, NY, 11980

Cost: \$200 (registrations received after August 2, 2016 the cost is \$225)

Class size is limited to 25 people, so please register early to assure a seat.

Course Description and Instructors

Innovative and alternative (I&A) technologies are being installed and evaluated in Suffolk County, and we anticipate more active use of these technologies in the future to help protect groundwater and surface waters on Long Island. Learn about the regulatory status of I&A systems in Suffolk County; selecting the proper system for the site; the treatment train process and standards; and wastewater distribution options. We will also teach you about pumps, controls, alarms, and timers; the basic components common to most I&A technologies; media filters; aerobic treatment units; drainfield options; and operation & maintenance. After the classroom discussion, the class will head out into the field to visit several I&A technologies installed under the County's Phase 1 demonstration program. Instructors for the class are – George Loomis of the University of Rhode Island New England Onsite Wastewater Training Center and Justin Jobin from Suffolk County Department of Health Services.

Class Logistics

Participants are required to be present during the entire class – please plan to be on time. Attendance will be taken throughout the class. The class fee does not include lunch or refreshment breaks - please bring your lunch, snacks and drinks, we will also have a list of nearby dining establishments available. The second half of the class is outdoors – please come prepared to be outside. The county will issue certificates to participants who successfully complete the class
