A proud partner of the **American Job Center** network

[www.suffolkcountyny.gov/labor](http://www.suffolkcountyny.gov/labor)

The Suffolk County Department of Labor, Licensing & Consumer Affairs provides a variety of programs, activities and services for the residents and businesses of Suffolk County. Our aim is to keep Suffolk working. We operate the One-Stop Employment Center, and the Suffolk Works Employment Program, offering vocational opportunities, job search assistance, on the job training, and work experience. We are empowered to license businesses and seek resolution of consumer issues. Often, we get to share in the success of job seekers, and our business and consumer customers. This is one of those times.

## Update

June, 2018

Eastern Suffolk BOCES nursing students, *photo right, left to right, Amanda Pappas, Nicole Jimenez, and Stefany Garcia*, explored employment options at the the 7<sup>th</sup> Annual Suffolk County Healthcare Career Fair, held at the Hauppauge One-Stop Employment Center in May.

“Solid, well-paying healthcare job openings are plentiful, and hard to fill,” said Suffolk County Executive **Steven Bellone**. “Our annual event places job seekers and hiring employers in the same room to their mutual benefit.”

Recruiters in attendance at the event included Brookhaven Hospital, Northwell Health, St. Catherine’s Hospital, Our Lady of Consolation Nursing & Rehab Center, CVS Health, Gurwin Homecare, The Bristol Assisted Living, Developmental Disabilities Institute, National Recruiting Group, Options for Community Living, Long Island State Veterans Home, ACLD, STAT Health, Eden II Programs, and many more.

Hiring companies were looking for motivated individuals who can become home health aides, nurse aides, medical billers, and fill many other positions. Among the attending candidates pursuing careers in healthcare were graduates and current enrollees of Employment Center vocational partners Western and Eastern Suffolk BOCES, Hunter Business School, Long Island School of Nursing and Suffolk County Community College.

These highly qualified individuals seek to be employed as medical or dental assistants, EKG technicians, Certified Nursing Assistants, hospital admissions staff, physical therapy and surgical assistants, and even veterinary aides.

There is never a charge for our services, or events, and through the years we have helped thousands of individuals find employment in rewarding health-related careers.

*Congratulations to all who participated!*
