COUNTY OF SUFFOLK

OFFICE OF THE COUNTY EXECUTIVE
STEVEN BELLONE

April 16, 2012

Presiding Officer William Lindsay
Suffolk County Legislators
William Rogers Legislative Building
725 Veterans Memorial Highway
Smithtown, New York 11787

Dear Presiding Officer Lindsay & Suffolk County Legislators:

I respectfully submit my Proposed 2013-2015 Capital Budget & Program for your consideration. This is my first budget presentation as Suffolk County Executive, prepared at a time when Suffolk County is faced with an unprecedented projected operating budget shortfall of over half a billion dollars through 2013. Major changes in how the County operates are required to address this fiscal situation and restore the County's fiscal stability. It is critical that we recognize the strong and direct linkages between the debt costs generated by capital projects and the County's operating expenditures, and recalibrates capital spending accordingly.

The proposed 2013-2015 Capital Budget & Program *aligns priorities* and balances the capital program by judicious use of capital funds to promote economic development, job creation, and infrastructure preservation while minimizing the impact on future debt service payments. I am encouraged by the strong working relationship which has developed between the Executive and Legislative branches of County government since the beginning of this year and am grateful to Legislative

leaders who have worked closely with my administration to forge the first stage of a joint Executive-Legislative plan to address the budget shortfall. Implementation of initial budget mitigation measures has already begun, and additional proposals to address the budget shortfall are currently in development.

The projects included in this capital program were carefully selected to assure that a compelling need exists for each and every dollar to be spent - even projects which were previously approved were diligently reviewed. To keep the costs of the program manageable and affordable to our residents, the 2013 Proposal Capital Budget is \$129.9 million, a 21% decrease from the 2012 Adopted Capital Budget.

Projects recommended for funding in the 2013-2015 Proposed Capital Budget & Program include those which meet the County's highest priority needs:

- ✓ strengthening and preserving our infrastructure;
- ✓ making our roads and County facilities safer;
- ✓ addressing public safety needs;
- ✓ maximizing technological advances to improve efficiencies;
- ✓ promoting environmental responsibility;
- ✓ reducing normal operating costs by providing energy and operational efficiencies;
- ✓ implementing budget mitigation measures; and
- ✓ encouraging economic development to create jobs.

In the pages that follow, the fiscal context in which this capital program was drafted is outlined and specific project goals are detailed. I look forward to working with you in the days ahead on adopting a prudent and meaningful capital budget and program which *aligns priorities* to help Suffolk County return to fiscal stability while meeting our most pressing capital needs. I thank both you and my staff for the dedicated work being done on behalf of Suffolk County residents.

Sincerely,

Steven Bellone
Suffolk County Executive

FISCAL OVERVIEW

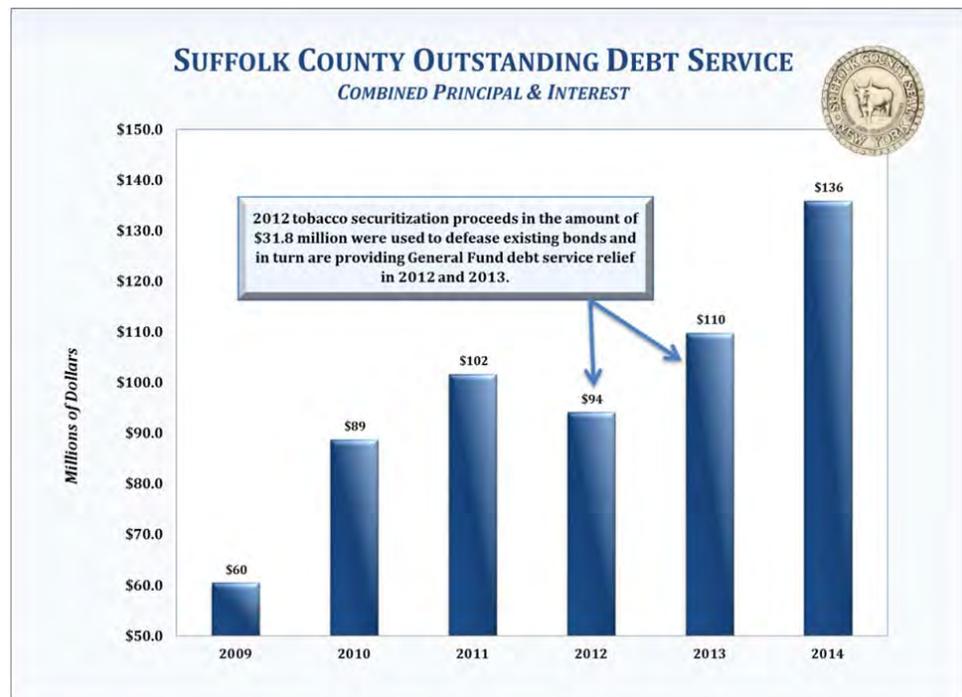

PROJECTED OPERATING BUDGET DEFICIT

The independent Suffolk County Fiscal Analysis Task Force recently completed a review of County finances and issued a report which projects that Suffolk County faces a \$530 million deficit for fiscal years 2011, 2012 and 2013. While revenue shortfalls are the primary cause of the 2011 budget deficit and are equally responsible for the 2012 budget deficit, expenditure growth becomes the main problem in 2013.

BUDGETARY LINKAGES – CAPITAL BUDGET AND PROGRAM & OPERATING BUDGET

The capital program is directly linked to the annual operating budget because the funds used to pay for capital projects are largely obtained through issuing bonds, which require annual principal and interest payments which are funded in the operating budget. Debt service costs are an area of expenditure growth that must be contained in the future. In 2008, securitization of tobacco revenues provided the County with \$219 million which was used to pay off a portion of the County's existing debt over several years, artificially lowering debt service payments for those years. The recent securitization of tobacco revenues in 2012 provided a total of \$34.3 million in short term budget relief, lowering debt service payments by \$17.6 million in 2012 and \$14.2 million in 2013 and providing working capital of \$2.5 million in 2012.

In 2014, debt service costs without the benefit of tobacco revenue stabilization, will rise

by 24%. Restraint with the use of capital funds is necessary to assure that large expenditure spikes in debt service costs aren't generated, further exacerbating existing operating budget problems. This linkage is the primary reason that the 2013 Proposed Capital Budget has been reduced from last year's adopted level.

Another area of linkage between the capital program and operating budget comes in the form of operating and maintenance costs associated with creation of new facilities and procurement of new equipment. Capital projects such as energy efficiency projects can reduce future operating costs, but other projects, such as construction of a new building, may result in additional staffing requirements for operations, maintenance and basic upkeep. ***It is therefore critical to assess the operating impact of capital projects prior to funding them.***

SUFFOLK COUNTY BOND RATINGS

The recent economic downturn and the inherited budgetary instability have adversely impacted the County's credit ratings. The credit ratings, issued by credit rating agencies, are based upon the County's fiscal conditions, and impact the County's cost of capital, or the borrowing costs associated with issuing debt. Simply put, the higher the credit rating, the lower the interest cost the County will have to pay to borrow funds and vice versa.

Suffolk County's bond ratings have been upper medium to high-grade quality, but recent reviews have negatively impacted the County's rating standing:

- ✓ In May 2011, Suffolk's long term rating outlook was changed to negative by Standard & Poors.
- ✓ In November 2011, Fitch Ratings placed Suffolk's long term rating on negative watch for a possible future downgrade.

Suffolk County Current Long Term Bond Ratings 						
Moody's		S&P		Fitch		Definitions
Rating	Outlook	Rating	Outlook	Rating	Outlook	
Aaa		AAA		AAA		Prime. Maximum Safety
Aa1		AA+		AA+		High Grade High Quality
Aa2		AA	Negative	AA		
Aa3		AA-		AA-	Negative	
A1	Negative	A+		A+		Upper Medium Grade
A2		A		A		
A3		A-		A-		
Baa1		BBB+		BBB+		Lower Medium Grade
Baa2		BBB		BBB		
Baa3		BBB-		BBB-		

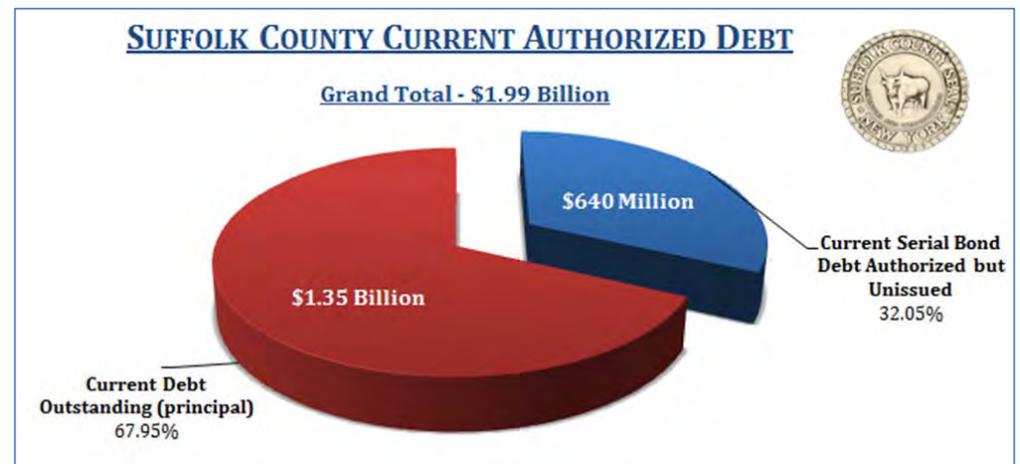

- ✓ In December 2011, Moody's assigned a MIG 2 rating to the County's Tax Anticipation Note issue for 2012 taxes, a downgrade from our previous rating of MIG 1.
- ✓ In December 2011, Moody's also retroactively downgraded the Delinquent Tax Anticipation Notes issued in September, 2011 to MIG 2 and put the County's long term rating on watch for a possible future downgrade.
- ✓ On March 12, 2012, Moody's downgraded Suffolk County's long term debt two full grades, to A1. The next day, Standard & Poor's placed the County's general obligation long term debt on credit watch.

These negative actions will lead to higher borrowing costs which will increase our operating expenditures further. It is therefore important that we judiciously use capital funding going forward, and demonstrate restraint in committing to large future costs.

AUTHORIZED BUT UNISSUED DEBT

Even if the County did not approve any new capital projects, there is a substantial amount of authorized but unissued debt. These capital projects were approved and authorized for bonding by the Legislature, but have not yet been issued. Projects do not get bonded for a variety of reasons, such as the project hasn't progressed far enough, all required permits haven't been received, or departments implementing the projects are just too backlogged to achieve significant progress on the projects to warrant bonding. The County currently has almost \$2 billion in authorized debt. This includes \$640 million in serial bond debt which is authorized but unissued, representing four years of normal historical serial bond borrowings.

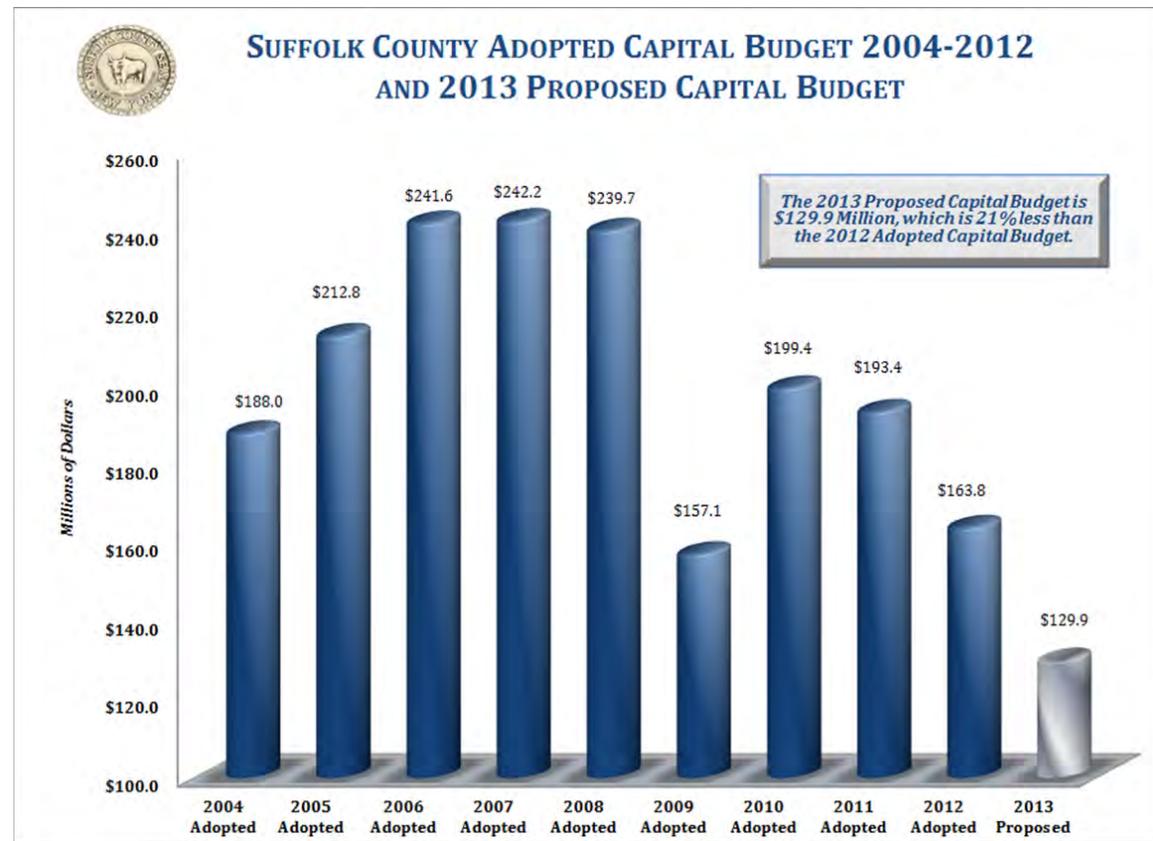

The amount of outstanding work to be done with previously authorized funds is another reason why a reduced 2013 capital program is a prudent step to take.

As part of this capital program, I am also proposing that the Legislature consider modifying administrative and legislative requirements which restrict the funding of new capital projects not included in the adopted capital budget. The capital budget for each year is adopted a full six months before the year begins. Currently, if a new project is required for any reason during the year, an equivalent amount of capital funding is required to offset the cost of the new project, unless the new project is highly aided. It is often impossible to forecast all capital needs six to twelve months in advance, especially in emergency circumstances. Due to the large amount of previously authorized but unissued debt, it makes sense to allow the Legislature to rescind bonding authorization for projects that were previously authorized but for which debt was not issued and use those amounts to offset high priority capital projects which arise during the year. I look forward to discussing this opportunity to provide sensible flexibility to respond to important capital needs in more detail with the Legislature.

2013-2015 CAPITAL BUDGET & PROGRAM OVERVIEW

The Proposed Capital Budget & Program is not only a budget document, but it is also a planning document and a policy document. To this end, my proposed 2013 Capital Program is \$129.9 million, **21% lower than the 2012 Adopted Capital Budget**, to reflect the need to minimize capital spending to keep future debt service costs under control. The Proposed three year Capital Program 2013-2015 is lower than eight of the last nine Adopted Capital Programs. The total amount of

serial bonds included in the Proposed 2013 Capital Budget is slightly higher than what was included in the 2012 Adopted budget, primarily related to the tail end of federal stimulus funds in last year’s adopted capital budget, which shifted the funding needs from serial bonds to federal aid. It is important to note however, that the total amount of Proposed serial bonds is lower than what was adopted in six of the last eight adopted capital budgets.

BUDGET SHORTFALL MITIGATION MEASURES

To address the projected three-year budgetary shortfall, I have worked cooperatively with Legislative leaders to craft the first stage of a budget mitigation plan. Some of the budget mitigation measures agreed to will be implemented through the County’s capital budget and program. These include energy efficiency projects to produce recurring operational savings and the bonding of vehicles which are permitted by local finance law to be bonded, but which the County would pay for with operating funds in better times. While all of these projects won’t result in an immediate dollar for dollar decrease to the projected budget shortfall, they do provide important budgetary relief for a number of years. Budget shortfall mitigation projects funded in 2013 include the following:

2013 PROPOSED FUNDING HIGHLIGHTS FOR BUDGET SHORTFALL MITIGATION MEASURES		
<u>CP #</u>	<u>TITLE</u>	<u>AMOUNT</u>
1659	Energy Conservation & Safety Improvements to the H. Lee Dennison Building	\$950,000
1664	Energy Conservation at Various County Facilities	\$1,901,738
1813	Replacement of Weights & Measures Inspection Vehicles	\$81,000
3512	Public Safety Vehicles	\$2,500,000
5601	Purchase of Hybrid Electric Vehicles	\$1,150,000
5602	Clean Cities - Alternative Fuel Infrastructure and Compressed Natural Gas (CNG) Vehicles	\$1,150,000
5603	Construction of Compressed Natural Gas (CNG) Fueling Facilities	\$2,500,000
<i>Highlighted Budget Shortfall Mitigation Projects Total for 2013:</i>		<i>\$10,232,738</i>

ECONOMIC DEVELOPMENT

Economic development is critical to the long term growth and sustainability of Suffolk County. The actions we take today to invigorate our local economy will provide long lasting benefits to the residents of Suffolk County, and will not only create the conditions which can support our young people, but will increase Suffolk's profile as a destination location.

I have included funding for an innovative approach to economic development called *Jumpstart Suffolk*, which will be an integral part of the County's new comprehensive economic development strategy. Suffolk County has a number of roadblocks which impede a thriving economy, including a lack of both housing diversity and affordable housing, limited places of interest for young people and even more limited transportation options. We must support development projects which encourage job creation, mixed use housing, enhance public transportation and provide vibrant attractions. *Jumpstart Suffolk* in conjunction with another new capital project for infrastructure, will help meet those goals by providing critical funding for infrastructure improvements, transportation upgrades and a variety of incentives for local development. My new economic development team will be creating incentives for communities to engage in thoughtful planning and looks forward to working closely with legislative leaders to maximize the benefits of *Jumpstart Suffolk*.

Economic development projects funded in 2013 include the following:

<u>2013 PROPOSED FUNDING HIGHLIGHTS FOR ECONOMIC DEVELOPMENT</u>		
<u>CP #</u>	<u>TITLE</u>	<u>AMOUNT</u>
5739	Pavement Management Rehabilitation at Francis S. Gabreski Airport	\$402,900
6409	Suffolk County Economic Development Infrastructure Project	\$2,000,000
6412	Suffolk County Downtown Revitalization Program	\$250,000
6424	Jumpstart Suffolk	\$5,000,000
	Highlighted Economic Development Projects Total for 2013:	\$7,652,900
	<i>Resolutions to amend the 2012 Capital Budget will be introduced to provide funding this year for both Jumpstart Suffolk and the economic development infrastructure project:</i>	\$3,000,000
	Highlighted 2012 & 2013 Economic Development Projects:	\$10,652,900

ENVIRONMENTAL RESPONSIBILITY

It is important that the County of Suffolk act as a responsible steward of our environment. To that end, a considerable amount of funding has been included in 2013 to address clean ups of brownfields, replacement of hazardous storage tanks and protecting and improving our shorelines. 2013 funding highlights for environmental responsibility projects include the following:

2013 PROPOSED FUNDING HIGHLIGHTS FOR ENVIRONMENTAL RESPONSIBILITY PROJECTS		
<u>CP #</u>	<u>TITLE</u>	<u>AMOUNT</u>
1706	Replacement/ Clean-up of Fossil Fuel, Toxic and Hazardous Material Storage Tanks	\$100,000
1732	Removal of Toxic and Hazardous Building Materials and Components at Various County Facilities	\$80,000
5072	Improvements to County Environmental Recharge Basins	\$275,000
5200	Dredging of County Waters	\$7,000,000
5343	Reconstruction of Shinnecock Canal Locks, Town of Southampton	\$750,000
5375	Bulkheading at Various Locations	\$350,000
5380	Beach Erosion and Coastline Protection	\$11,600,000
5381	Construction of Sea Wall on CR77, West Lake Drive, Fronting the Long Island Sound	\$1,250,000
7143	Construction of a Recharge Basin at North Fork Preserve Town of Riverhead	\$1,700,000
8223	Brownfields Program	\$2,830,600
8235	Peconic Bay Estuary Program	\$200,000
<i>Highlighted Environmental Responsibility Projects Total for 2013:</i>		<i>\$26,135,600</i>

PUBLIC SAFETY

Suffolk County's commitment to our law enforcement and public safety personnel is important to both our residents' safety and to promote a thriving economy. The 2013 Proposed Capital Budget addresses a number of important public safety issues, including the construction and renovation of our correctional facilities. Phase One of the new correctional facility in

Yaphank is complete and planning for Phase 2 construction has been included in the recommended capital program. Funding has also been included for the ongoing renovations of the Riverhead correctional facility.

Jail construction projects are the quintessential example of how the capital and operating budgets interact. The costs of constructing the new correctional facility in Yaphank are substantial, however those construction costs from the facilities are eclipsed in short order by the operating costs to open and maintain the facility. 2013 funding highlights for public safety projects include the following:

2013 PROPOSED FUNDING HIGHLIGHTS FOR PUBLIC SAFETY PROJECTS		
<u>CP #</u>	<u>TITLE</u>	<u>AMOUNT</u>
3009	Renovations at the Yaphank Correctional Facility	\$11,000,000
3014	Improvements to the County Correctional Facility C-141 Riverhead	\$1,610,000
3016	Replacement of Existing Fireworks Burn Pits	\$600,000
3060	Purchase of Communications Equipment	\$220,000
3241	Countywide System Enhancements to the 800 MHZ Radio Communications System	\$150,000
3416	Fire Rescue CAD System	\$1,925,000
<i>Highlighted Public Safety Projects Total for 2013:</i>		<i>\$15,505,000</i>

ROADWAY SAFETY & MAINTENANCE

Repairing, maintaining and improving our existing roadway system are important tasks which impact a large number of County residents – while all County residents may not visit our parks or government buildings, all travel on our roadways. Because road construction projects are very expensive and take years to complete, keeping those roads maintained and safe makes sense.

A new project for roadway maintenance is created in 2013, CP 5576, *Suffolk County Highway Rehabilitation Project*. This project combines funding for over 20 new capital project requests from the Department of Public Works into one centralized project. Due to a reduction in aid and the significant constraints of using federal road aid for smaller projects, this

new capital project will be funded by the County and will be for work done within County right of ways, providing maximum flexibility for project design and more expeditious completion timelines. 2013 funding highlights for roadway safety and maintenance projects include the following:

2013 PROPOSED FUNDING HIGHLIGHTS FOR ROADWAY SAFETY & IMPROVEMENT PROJECTS

<u>CP #</u>	<u>TITLE</u>	<u>AMOUNT</u>
3301	Safety Improvements at Various Intersections	\$350,000
3311	NY 27, Sunrise Highway Emergency Barrier Realignment	\$350,000
5001	Median Improvements on Various County Roads	\$475,000
5014	Strengthening & Improving County Roads	\$4,300,000
5024	Reconstruction of Drainage Systems on Various County Roads	\$275,000
5037	Application & Removal of Lane Markings	\$375,000
5054	Traffic Signal Improvements	\$1,075,000
5180	Installation of Guide Rail and Safety Upgrades at Various Locations	\$225,000
5196	County Highway Sign Management Program	\$500,000
5371	Reconstruction of Culverts	\$575,000
5557	Intersection Improvements on CR 94, Nugent Dr at CR 51 and CR 63/CR 104/ SR 24	\$400,000
5576	Suffolk County Highway Rehabilitation Project	\$4,800,000
5815	Painting of County Bridges	\$1,100,000
5850	Rehabilitation of Various Bridges and Embankments	\$2,525,000
5855	Horseblock Road/ LIRR Tracks Bridge Replacement, CR 16, Town of Brookhaven	\$260,000
<i>Highlighted Roadway Safety & Improvement Projects Total for 2013:</i>		<i>\$ 17,585,000</i>

ROAD CONSTRUCTION

Major road construction projects are often spread out over a number of years due to the availability of funds, limitation of federal and state aid and the massive scope of the projects. The 2013-2105 Proposed Capital Program includes over \$36 million for the major road projects. 2013 funding highlights include the following:

2013 PROPOSED FUNDING HIGHLIGHTS FOR ROAD CONSTRUCTION PROJECTS

<u>CP #</u>	<u>TITLE</u>	<u>AMOUNT</u>
5512	County Share for the Reconstruction of CR 97, Nicolls Road, Town of Brookhaven	\$2,900,000
5526	Reconstruction of CR 48, Middle Road from Horton Ave. to Main Street	\$1,400,000
5561	Reconstruction of CR 59, Long Lane, East Hampton	\$2,700,000
<i>Highlighted Road Construction Projects Total for 2013:</i>		<i>\$7,000,000</i>

SEWER PROJECTS

Improvements to the County's sewer infrastructure are key to Suffolk's economic development agenda. Because some sewer projects are very large in terms of price and scope, they are often spread out over a number of years, such as the Outfall Pipe in the Southwest Sewer District. 2013 funding highlights for sewer projects include the following:

2013 PROPOSED FUNDING HIGHLIGHTS FOR SEWER PROJECTS

<u>CP #</u>	<u>TITLE</u>	<u>AMOUNT</u>
8103	Sewer District Safety & Security Program	\$400,000
8117	Suffolk County Sewer District No. 11 - Selden	\$1,000,000
8119	Improvements to SCSD #7 - Medford	\$1,150,000
8121	Improvements to SCSD #21 - SUNY at Stony Brook	\$750,000
8126	Improvements to SCSD #18 - Hauppauge Industrial	\$2,000,000
8143	Improvements to SCSD #12 - Birchwood/Holbrook	\$1,100,000
8150	Suffolk County Sewer District No. 7 - Medford Improvements	\$1,000,000
8164	Sewer Facility Maintenance Equipment Purchase for Various Suffolk County Sewer Districts	\$1,000,000
8171	Improvements to SCSD #22 - Hauppauge Municipal Sewage Plant	\$2,500,000
<i>Highlighted Sewer Projects Total for 2013:</i>		<i>\$10,900,000</i>

TECHNOLOGICAL IMPROVEMENT PROJECTS

Technological improvements to County operations provide both operational savings and service delivery efficiencies. The proposed 2013 capital budget includes funding for some key technology projects, including the following:

2013 PROPOSED FUNDING HIGHLIGHTS FOR TECHNOLOGICAL IMPROVEMENT PROJECTS		
<u>CP #</u>	<u>TITLE</u>	<u>AMOUNT</u>
1726	Fiber Cabling Network and WAN Technology Upgrades	\$600,000
1729	Suffolk County Disaster Recovery	\$500,000
1814	Suffolk County Telephony Structural Improvements	\$250,000
4801	Environmental Quality Geographic Information and Database Management System	\$900,000
<i>Highlighted Technological Improvement Projects Total for 2013:</i>		<i>\$2,250,000</i>

FACILITY INFRASTRUCTURE SAFETY IMPROVEMENT PROJECTS

Upgrading County facilities to provide improved safety and security conditions is important not only to our employees but to the public accessing our facilities. The 2013 Proposed Capital Budget includes the following infrastructure safety improvement projects:

2013 PROPOSED FUNDING HIGHLIGHTS FOR FACILITY INFRASTRUCTURE SAFETY IMPROVEMENT PROJECTS		
<u>CP #</u>	<u>TITLE</u>	<u>AMOUNT</u>
1678	Rehabilitation of Parking Lots, Drives and Curbs at Various County Facilities	\$1,750,000
1710	Installation of Fire, Security and Emergency Systems at County Facilities	\$407,043
1760	Elevator Controls and Safety Upgrading at Various County Facilities	\$300,000
<i>Highlighted Facility Infrastructure Safety Improvement Projects Total for 2013:</i>		<i>\$2,457,043</i>

CONCLUDING STATEMENT

It is clear that both the Executive and Legislative branches of Suffolk County government are dedicated to returning the County to balance – balance in budgeting, governing and public service. While difficult times require difficult actions, working together, we can assure that the County *aligns priorities* prudently and effectively to provide County residents with the core services they need most. The 2013-2015 Proposed Capital Budget & Program provides important resources to create long-term economic growth and prosperity, address critical public safety needs, improve our roadways, and provide much needed budget relief. Through leadership and collaborative actions, we can provide better government to our residents.

I would like to once again thank legislative leaders for their consideration of my proposed capital budget and program and also thank the staff of the County Executive's Office of Budget & Management for their diligent efforts in the production of this capital budget document.

EXPLANATION OF TERMS

- Program Number** - Assigned based on the functional breakdown of programs.
- Program Name** - Self-explanatory.
- Status**
- New - Project appears for the first time.
 - Discontinued - After initial planning funds were appropriated, further action on the project was ceased at the direction of the County Executive/County Legislature.
 - Completed - The purpose of the project has been met.
 - Deleted - Project deleted prior to an appropriation of funds by the County Executive/County Legislature.
 - Phase of project.
- Program** - Prescribed by the New York State Uniform System of Accounts for Counties. It represents general categories of authorizations.
- Department** - Department(s) having jurisdiction over project.
- Location** - Specific geographical areas covered by project over program year.
- Estimated date of Completion** - The year expenditures are final.
- Priority Ranking** - Basis for setting the relative importance of one capital project to another.

EXPLANATION OF SYMBOLS

| O = Other Aid and Local Match | |

EXPLANATION OF COLUMNS

Column 1	<u>Cost Elements</u>	Proposed purpose of planned expenditure.
Column 2	<u>Estimated Date of Completion</u>	Indicates the anticipated year of final payments. SY indicates project completion not anticipated during 2013-2015.
Column 3	<u>Total Estimated Cost</u>	Indicates the estimated total cost of this project including prior appropriations and including future authorizations required to complete this project.
Column 4	<u>Appropriations Prior to December 31, 2011</u>	Includes funds appropriated by Legislative Resolutions through December 31, 2011.
Column 5	<u>Additional Appropriations Required</u>	The total of columns from adopted/modified 2012 through subsequent years.
Column 6	<u>Adopted/Modified 2012 Capital Budget</u>	Adopted 2012 Capital Budget or anticipated modifications to be made during the 2012 budget year.
Columns 7, 8 & 9	<u>Adopted 2013-2015 Capital Program</u>	Self-explanatory.
Column 10	<u>Subsequent Years</u>	Anticipated appropriations are required for years 2016 and 2017.
Column 11	<u>Proposed 2013 Capital Budget</u>	Proposed 2013 Capital Budget-Recommended by the County Executive.
Column 12	<u>Adopted 2013 Capital Budget</u>	Adopted 2013 Capital Budget - Adopted by the County Legislature.

STATEMENT OF DEBT
(As of 3/01/2012)

SEWER DISTRICT #9, COLLEGE PARK (FUND 209)

LONG TERM-Issued		
Serial & Refunding Bonds	\$34,000	
Total Long Term Debt		34,000

LONG TERM-Unissued		
Serial Bonds	\$666,000	
Total Debt Unissued	(3)	<u>666,000</u>

TOTAL DEBT AUTHORIZED **\$700,000**

SEWER DISTRICT #18, HAUPPAUGE INDUSTRIAL (FUND 218)

LONG TERM-Issued		
Serial & Refunding Bonds	\$14,764,118	
Total Long Term Debt		14,764,118

LONG TERM-Unissued		
Serial Bonds	54,591,689	
Total Debt Unissued	(3)	<u>54,591,689</u>

TOTAL DEBT AUTHORIZED **\$69,355,807**

SEWER DISTRICT #23, COVENTRY MANOR (FUND 223)

LONG TERM-Issued		
Serial & Refunding Bonds	\$73,000	
Total Long Term Debt		73,000

LONG TERM-Unissued		
Serial Bonds	\$827,000	
Total Debt Unissued	(3)	<u>827,000</u>

TOTAL DEBT AUTHORIZED **\$900,000**

SEWER DISTRICT #14, PARKLAND (FUND 214)

LONG TERM-Issued		
	\$480,684	
Total Long Term Debt		480,684

Serial Bonds		
	1,995,000	
Total Debt Unissued	(3)	<u>1,995,000</u>

TOTAL DEBT AUTHORIZED **\$2,475,684**

SEWER DISTRICT #7, MEDFORD (FUND 207)

LONG TERM-Issued		
Serial & Refunding Bonds	\$2,303,972	
Total Long Term Debt		2,303,972

LONG TERM-Unissued		
Serial Bonds	499,345	
Total Debt Unissued	(3)	<u>499,345</u>

TOTAL DEBT AUTHORIZED **\$2,803,317**

NOTES:

(1) Defeased with 2008 Tobacco Securitization Funds.

(2) Remaining Refunding Bond Authorizations per Resolutions:

273-2004	217,769,500
228-2008	104,545,500
870-2011	<u>6,940,000</u>
	329,255,000

(3) Authorizing resolutions of the County Legislature received and reflected herewith through and including 12/30/11.

(4) Includes debt service payments made through 3/01/2012.

**COMPARISON OF FULL VALUATION AND CONSTITUTIONAL
DEBT LIMIT TO BONDED INDEBTEDNESS 1986 - 2015**

Year (a)	Full Value of Property (b)	Constitutional Debt Limit (c)	Bonded Debt (d)	%
1986	29,283,766,084	1,807,557,847	311,393,000	17.2

2007	285,772,246,755	15,302,088,783	891,456,000 (h) (g)	5.8
2008	314,559,118,801	17,673,452,693	967,685,000 (g)	5.5
2009	308,781,408,682	19,289,332,995	1,186,005,000 (g)(i)	6.1
2010	290,986,637,127	20,312,534,691	1,289,939,000 (g)	6.4
2011	269,410,757,471	20,573,142,364	1,357,103,000 (g)	6.6
2012	264,460,201,368	20,274,773,728	1,465,671,000	7.2
2013	261,815,599,354	19,536,364,456	1,582,925,000	8.1
2014	264,433,755,348	18,915,497,309	1,709,559,000	9.0
2015	267,078,092,901	18,580,777,690	1,846,324,000	9.9

(a) 1985 through 2012 full value figures are actuals based on the Adopted Operating Budget; 2013 through 2015 are projected figures.

(b) Computed by dividing the State Equalization Rate into the Assessed Valuation of Property, multiplied by 100. Year 2013, 2014 and 2015 are projected figures.

(c) Based upon 7% of the five year average full valuation of real property.

(d) Bonds sold for sewer and water supply purposes are excluded from the debt limit. Bonded Debt is defined as the outstanding serial bonds at the end of a given year. Bonds sold for Water Preservation and Land Acquisition Program, which is financed by the 1/4% sales tax, have been excluded.

(e) The County issued serial bonds of \$56.5 million for the purpose of prepaying the outstanding local Employee Retirement System and the local Police and Fire Retirement System contributions. The County issued bonds at a true interest cost of 5.7%. The New York State Retirement System was charging the County interest at the rate of 8.75%. The County saved interest costs as a result of this decision.

(f) Includes bonds issued for the LILCO Tax Certiorari settlement.

(g) Bonded debt includes bonds issued for the construction of Phase I - New Replacement Correctional Facility.

(h) Bonded debt includes \$75 million for Save Open Space (SOS) Program approved by Public Referendum.

(i) Bonded debt service includes bonds issued for Cohalan court complex.

Notes:

(1) THE SOURCE FOR NUMBER OF FAMILY PARCELS AND CORRESPONDING ASSESSED VALUATION: SUFFOLK COUNTY REAL PROPERTY TAX SERVICE, SEPTEMBER 2011.
TAX LEVY FIGURES INCLUDE DEBT SERVICE COSTS AND GENERAL FUND APPROPRIATIONS.

2012 FIGURES HAVE BEEN RESTATED USING CURRENT VALUATIONS TO PROVIDE AN ACCURATE COMPARISON.

(2) ASSUMPTION OF 18 YEAR LEVEL DEBT SERVICE WITH INTEREST RATES VARYING FROM 2% IN YEAR 1 TO 3.625% IN YEAR 18.

(3) SAME ASSUMPTIONS AS NOTE (2) EXCEPT THAT IT REPRESENTS ONLY THE FIRST YEAR COST TO THE AVERAGE TAXPAYER.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1109

CAPITAL PROGRAM TITLE: FORENSIC SCIENCES MEDICAL AND LEGAL INVESTIGATIVE CONSOLIDATED LABORATORY

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: The project provides funding for building improvements necessary for the modernization of building systems in the Medical Examiner's autopsy area, and the Crime and Toxicology Laboratories in Hauppauge.

Operating Budget Impact: There is no operating budget impact associated with this project.

PROGRAM NO: 1109
 PROGRAM NAME: FORENSIC SCIENCES MEDICAL AND LEGAL INVESTIGATIVE CONSOLIDATED LABORATORY
 STATUS: ONGOING UPGRADES

PROGRAM: GENERAL GOVERNMENT SUPPORT: JUDICIAL
 DEPARTMENT: HEALTH SERVICES AND PUBLIC WORKS
 LOCATION: NORTH COUNTY COMPLEX, HAUPPAUGE

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1124

CAPITAL PROGRAM TITLE: ALTERATIONS TO CRIMINAL COURTS BUILDING, SOUTHAMPTON

FUNDING STATUS: FUNDING ADVANCED AND INCREASED

Program Description: This project provides funding for alterations to the Criminal Courts Building in Southampton. Resolution 1212-2011 provided funding for Phase IIA and Phase IIB planning and construction. This project will work in conjunction with Capital Project 1130-Civil Court Renovations-Courtroom, Riverhead.

Phase I - Additional parking lot - Construction 2012

Phase IIA- Window upgrades, south plaza safety improvements, security access and exiting improvements, exterior security lighting and card entry devices, and interior corridor wall covering at public halls.

Phase IIB (NEW) - Relocation of Family Court from current rental building. Alter courtrooms and offices for new hearing rooms and associated functions. This will permit judges to move to the Old Supreme Court Buildings, which is being renovated under CP 1130.

Operating Budget Impact: Cost savings will be realized from energy efficiency improvements and less maintenance. Security improvements and juror amenities will improve the function of the courts. Moving Family Court from a leased building to a County owned facility is expected to save \$300,000 a year in lease payments plus \$70,000 in utility and maintenance costs per year.

PROGRAM NO: 1124
PROGRAM NAME: ALTERATIONS TO CRIMINAL COURTS BUILDING, SOUTHAMPTON
STATUS: PHASE II A & B PLANNING AND CONSTRUCTION

PROGRAM: GENERAL GOVERNMENT SUPPORT: JUDICIAL
DEPARTMENT: PUBLIC WORKS
LOCATION: CRIMINAL COURTS BUILDING, SOUTHAMPTON

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1130

CAPITAL PROGRAM TITLE: CIVIL COURT RENOVATIONS AND ADDITION - COURTROOMS, RIVERHEAD

FUNDING STATUS: FUNDING ADVANCED AND INCREASED

Program Description: This project provides funding for alterations and additions to the Supreme Court Complex. This project will work in conjunction with Capital Project 1124-Alterations to Criminal Courts Building, Southampton.

- **Phase I - New Addition and Partial Renovations of Existing Buildings - Completed 2007**
- **Phase IIA - Court Annex Renovations (C0008) - Completed 2009**
- **Phase IIB - Interior Renovations - Old Supreme Courthouse C0002**
 - --3rd and 4th Floors-Completed 2010 and 2011
 - --1st and 2nd Floors-Construction 2012
- **Phase III- Exterior Restoration and Weatherproofing of Old Supreme Court Building, Commissioner of Jurors Building and Supreme Court Building - Construction to begin 2012**

Operating Budget Impact: Cost savings will be realized from energy efficiency improvements and less maintenance. Moving Family Court from a leased building to a County owned facility is expected to save \$300,000 a year in lease payments plus \$70,000 in utility and maintenance costs per year.

AS AMENDED BY RESOLUTION 439-2012

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1132

CAPITAL PROGRAM TITLE: EQUIPMENT FOR MED-LEGAL INVESTIGATIONS AND FORENSIC SCIENCES

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This project will fund the ongoing upgrade and replacement of medical and technological office equipment for the Medical Examiner's Office. Funding will enable the Medical Examiner's Office to stay current with technological advances in laboratory testing, to provide state-of-the art testing, to remain in compliance with regulations and statutes, and to maintain accreditation in Pathology, Toxicology, and the Crime Laboratories.

Operating Budget Impact: This project will have minimal operating budget impact.

PROGRAM NO: 1132
 PROGRAM NAME: EQUIPMENT FOR MED-LEGAL INVESTIGATIONS AND FORENSIC SCIENCES

PROGRAM: GENERAL GOVERNMENT SUPPORT: JUDICIAL
 DEPARTMENT: HEALTH SERVICES
 LOCATION: OFFICE OF THE MEDICAL EXAMINER, HAUPPAUGE

STATUS: ONGOING EQUIPMENT REPLACEMENT

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1133

CAPITAL PROGRAM TITLE: RENOVATIONS TO SURROGATE'S COURT

FUNDING STATUS: FUNDING INCREASED

Program Description: This project would complete interior renovations to the Surrogate's court wing of the County Center including HVAC improvements.

Operating Budget Impact: Cost savings will be realized from energy efficiency improvements.

PROGRAM NO: 1133
 PROGRAM NAME: RENOVATIONS TO SURROGATE'S COURT
 STATUS: PLANNING

PROGRAM: GENERAL GOVERNMENT SUPPORT: JUDICIAL
 DEPARTMENT: PUBLIC WORKS
 LOCATION: RIVERHEAD COUNTY CENTER

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1136

CAPITAL PROGRAM TITLE: DISTRICT ATTORNEY CASE MANAGEMENT SYSTEM

FUNDING STATUS: FUNDING ADVANCED AND INCREASED

Program Description: This project will provide funding for a case management system to track defendants prosecuted from the time of arrest to sentencing. This system will collect data on co-defendants, court events, the disposition of charges, and sentencing information. This phase of the project is for additional supporting equipment and customization.

Operating Budget Impact: Licensing and maintenance costs should be offset by an increase in productivity.

PROGRAM NO: 1136
PROGRAM NAME: DISTRICT ATTORNEY CASE MANAGEMENT SYSTEM
STATUS: PURCHASE OF HARDWARE AND APPLICATION SOFTWARE

PROGRAM: GENERAL GOVERNMENT SUPPORT: JUDICIAL
DEPARTMENT: INFORMATION TECHNOLOGY AND DISTRICT ATTORNEY
LOCATION: DISTRICT ATTORNEY'S OFFICE

PRIORITY 53

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1603

CAPITAL PROGRAM TITLE: BUILDING SAFETY IMPROVEMENTS

FUNDING STATUS: FUNDING ADVANCED AND REDUCED

Program Description: Suffolk County is required by NY State law to administer and enforce the Building Code of New York State. Code compliance requirements, such as EPA, NYSDEC and other regulating agencies promulgate new regulations with which County must comply to avoid fines and penalties. Currently, the County needs to comply with relatively new arc flash requirements for electrical safety.

Operating Budget Impact: The project should have minimal operating budget impact.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1616

CAPITAL PROGRAM TITLE: FUEL MANAGEMENT/PREVENTIVE MAINTENANCE AND PARTS INVENTORY CONTROL SYSTEM

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This project provides for the purchase and installation of upgraded fuel management systems, preventive maintenance, and inventory control systems for the County's Fleet Inventory system. Maintaining and upgrading County fuel systems and stations ensures that the County meets DEC and Article 6 standards.

Operating Budget Impact: Maintaining safety standards is critical to avoid costly fines and penalties.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1623

CAPITAL PROGRAM TITLE: ROOF REPLACEMENT ON VARIOUS COUNTY BUILDINGS

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This project provides ongoing funding to repair, replacement and renovation of roofing on various county buildings as the existing roofs reach the end of their useful life. Funding is included for the replacement of the metal roof at the old Suffolk Infirmary in Yaphank.

Operating Budget Impact: This project should reduce costs associated with emergency roof repairs. Where feasible, additional insulation and roof vents will be added which helps reduce energy costs.

PROGRAM NO: 1623
 PROGRAM NAME: ROOF REPLACEMENT ON VARIOUS COUNTY BUILDINGS
 STATUS: ROOF REPLACEMENT AND UPGRADES

PROGRAM: GENERAL GOVERNMENT SUPPORT: SHARED SERVICES

CAPITAL PROGRAM NO.: 1659

CAPITAL PROGRAM TITLE: ENERGY CONSERVATION & SAFETY IMPROVEMENTS TO THE H. LEE DENNISON BUILDING

FUNDING STATUS: FUNDING ADVANCED AND INCREASED

Program Description: This project continues the modernization of the H. Lee Dennison Building. This phase of the project will fund a replacement and increase in the size of the current emergency generator which has a cracked block. The H. Lee Dennison Building is now considered an integral part of the Disaster Preparedness and recovery of the county.

Operating Budget Impact: The new generator will be natural gas fired which will be more energy efficient and better for the environment (elimination of fuel tanks).

PROGRAM NO: 1659

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1664

CAPITAL PROGRAM TITLE: ENERGY CONSERVATION AT VARIOUS COUNTY FACILITIES

FUNDING STATUS: FUNDING INCREASED

Program Description: The Department of Public Works has been pursuing an aggressive energy conservation program in new design and renovation of existing facilities. All capital programs for new construction or renovations incorporate the best available architectural and engineering energy saving measures in the design. This project will speed up implementation of energy saving measures in our facilities, reducing energy consumption in Suffolk County facilities. Projects will be conducted in collaboration with energy conservation programs affiliated with NYPA, LIPA, NYSERDA and others.

Energy saving features incorporated in new designs or major renovations include:

- Increased insulation for the building envelope
- Solar film, weather stripping, and caulking
- Energy efficient lighting
- High-efficiency motors
- Direct fired chillers
- Economizer cycles on air handlers, using outside air for cooling
- Water conservation equipment
- High-efficiency windows
- Building energy management systems
- Occupancy sensors on lighting systems
- High-efficiency dual fuel boiler burners
- High-efficiency boilers
- Variable speed drives on large fans and industrial equipment

Operating Budget Impact: The county has realized a notable savings in utility costs due to reduced oil, natural gas, and electric consumption.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1681

CAPITAL PROGRAM TITLE: UPGRADING COURT MINUTES APPLICATION

FUNDING STATUS: FUNDING INCREASE

Program Description: This project entails the upgrading of the existing court minutes application, by consolidating and web-enabling the following databases: indexes of oaths, requisitions, resolutions, Requests for Judicial Interventions, Suffolk County Assessment Review Petition System (SCARPS), notes of issue, jury demands, stipulations, court and trust fund transfers, notice of appeals, subpoenas, stipulation of settlements, motion and cross motions, pulled files, and military and fire personnel exemptions. The public, title industry, and legal community will be better served as the project will allow viewing the data in real time from a single point of access. Due to New York State mandates related to proposed e-filing requirements, funding was appropriated in 2011 and the project has commenced.

Operating Budget Impact: This project will have a minimal operating budget impact.

PROGRAM NO: 1681
 PROGRAM NAME: UPGRADING COURT MINUTES APPLICATION
 STATUS: SOFTWARE, APPLICATION, DESIGN AND DEVELOPMENT

PROGRAM: GENERAL GOVERNMENT SUPPORT: SHARED SERVICES
 DEPARTMENT: COUNTY CLERK
 LOCATION: RIVERHEAD COUNTY CENTER

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1706

CAPITAL PROGRAM TITLE: REPLACEMENT/CLEAN UP OF FOSSIL FUEL, TOXIC & HAZARDOUS MATERIAL STORAGE TANKS

FUNDING STATUS: FUNDING RESCHEDULED AND INCREASED

Program Description: This project provides for the removal, replacement, upgrade, and clean up associated with the County's storage tanks containing fossil fuels and other toxic and hazardous materials. The majority of this work is mandated by Article 12 of the Suffolk County Sanitary Code, 6NYCRR Part 230, 613, and 614 of the New York State Regulations and Title 40 of the Code of Federal Regulations.

The initial program was divided into five priorities in order to schedule the work for both workload and budgetary purposes. The majority of the work is complete for the original five priorities. Additional tanks have been added for replacement that were found after the identification of the original five priorities.

In addition, a new priority has been added which includes the removal or replacement of double wall tanks which have either outlived their use, due to conversion to natural gas service, or require necessary upgrades.

Operating Budget Impact: Cost savings will be realized by maintaining compliance with NYSDEC & EPA regulations and by avoiding costly remediation.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1710

CAPITAL PROGRAM TITLE: INSTALLATION OF FIRE, SECURITY AND EMERGENCY SYSTEMS AT COUNTY FACILITIES

FUNDING STATUS: FUNDING RESCHEDULED

Program Description: This project provides for the installation and/or replacement of fire alarm/detection, fire sprinklers, and security systems at various county facilities. New York State law requires that areas of public assembly where 50 or more persons gather be equipped with a fire alarm system. This funding will address older buildings and systems that are not otherwise covered by new construction funding in the capital program. This program also covers upgrading and replacing uninterrupted power supply systems and components in various county buildings.

Operating Budget Impact: The project will have minimal operating budget impact, as the intent of the project is to protect county assets and maintain a safe environment for employees and the public.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1715

CAPITAL PROGRAM TITLE: RIVERHEAD COUNTY CENTER POWER PLANT UPGRADE

FUNDING STATUS: FUNDING RESCHEDULED AND REDUCED

Program Description: The Riverhead County Center Power Plant, which plant provides power, heat and cooling for the County Center Building, Criminal Courts, and the Correctional Facility. It has been in continuous service since 1960 with a major upgrade in 1975. Most of the equipment in the power plant had reached the end of its useful life. Over the last several years and under several separate construction contracts the department has been upgrading and replacing equipment and systems while making energy improvements. The Department recently replaced the absorption chiller and the oldest emergency generator, upgraded several smaller systems, and continued with energy improvements.

Planning and Repairing Tunnel: The tunnel linking the power plant to the campus buildings has begun to deteriorate. Current and future funding will be used to evaluate and repair the problems. Currently, they are replacing the cooling towers, condenser water piping and pumps, expansion tank, and motor control centers along with other associated appurtenances, and will extend the building automation system to the Criminal Courts Building and Riverhead County Center Building. This portion of the project will take two to three years.

Generator Upgrades: The next phase will include replacement of both the emergency generator switchgear and the medium voltage switchgear. Additionally, the department plans to decentralize the heating systems as the existing high temperature hot water boilers are nearing the end of useful life.

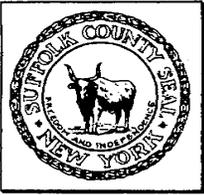

Operating Budget Impact: This project will have a positive operating budget impact as upgraded equipment will be more energy efficient.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1724

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO WATER SUPPLY SYSTEMS

FUNDING STATUS: FUNDING ADVANCED AND REDUCED

Program Description: This project provides funding for the upgrade of water systems throughout county facilities to ensure a safe source of potable water. The project includes the replacement of wells with public water supplies as needed. The project also installs reduced pressure zone valves (RPZ) at points where the public water system first makes entry into another water system. The installation of RPZ valves is a mandated requirement of New York State Department of Health and the Suffolk County Water Authority in order to protect the public water supply from contamination.

Operating Budget Impact: This project will have negligible operating budget impact and will enhance the safety of the public water supply.

PROGRAM NO: 1724
 PROGRAM NAME: IMPROVEMENTS TO WATER SUPPLY SYSTEMS
 STATUS: ONGOING

PROGRAM: GENERAL GOVERNMENT SUPPORT: SHARED SERVICES
 DEPARTMENT: PUBLIC WORKS
 LOCATION: VARIOUS COUNTY FACILITIES

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1726

CAPITAL PROGRAM TITLE: FIBER CABLING NETWORK AND WAN TECHNOLOGY UPGRADES

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: The current County WAN (Wide Area Network) infrastructure is nearing the end of its useful life. There are significant numbers of county switches and routers that are already at the end of their useful life. Over the course of the next three years, all of the equipment will be either be at the end of its lease or at the end of its useful life. A phased approach to equipment replacement will ensure the integrity of the County's WAN network. WAN equipment will be replaced with current technology and equipment that will provide the County with the ability to have a managed approach to growth and improve existing county services.

Operating Budget Impact: This program will have a positive operating budget impact by reducing repair costs to the old system and enabling the addition of sites and users in an organized fashion.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1729

CAPITAL PROGRAM TITLE: SUFFOLK COUNTY DISASTER RECOVERY

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: This project provides funding for the purchase of hardware and software necessary to protect the critical applications currently running at the Department of Technology, in an architecture that supports disaster recovery. This consists of server consolidation and virtualization to efficiently use the system resources, Storage Area Network (SAN) expansion to accommodate real time data replication at a remote location, consolidated management and monitoring of all systems, and hardware support to access remote systems. The plan will provide restoration of critical applications services and data for all County departments in the event of an emergency.

Operating Budget Impact: Savings will be realized by coordinating systems to eliminate duplicative services.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1732

CAPITAL PROGRAM TITLE: REMOVAL OF TOXIC AND HAZARDOUS BUILDING MATERIALS AND COMPONENTS AT VARIOUS COUNTY FACILITIES

FUNDING STATUS: FUNDED RESCHEDULED AND REDUCED

Program Description: This project provides for the removal, disposal, and replacement of toxic and hazardous materials from County buildings including but not limited to asbestos, PCBs, lead paint, chlorofluorocarbons (CFCs) used in HVAC equipment, and Halon used in firefighting systems. The majority of this project involves removal and replacement of asbestos and HVAC units using CFCs.

Priority asbestos work identified in the Anson Environmental Report has been completed. This consists of a combination of removal and repairs in order to continue to provide a safe working environment. A reprioritized inventory of all remaining asbestos containing materials in County buildings is being created.

Operating Budget Impact: This project has resulted in operating energy cost savings from the upgrade of the HVAC systems.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1740

CAPITAL PROGRAM TITLE: UPGRADE PAYROLL SYSTEM DATABASE

FUNDING STATUS: NEW

Program Description: This project provides funding to conduct an analysis to port the current mainframe payroll system to a platform that is not only capable of producing payroll checks but also has the ability to provide increased functionality and interconnectivity to the county's financial systems.

In addition to providing enhanced functionality to departments, the Information Technology Service Department will be able to implement changes in a more timely fashion and at a lower cost, and provide a central repository of employee related data.

Operating Budget Impact: This project should have a positive operating budget impact since it ultimately would result in a more efficient payroll processing.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1749

CAPITAL PROGRAM TITLE: PURCHASE AND REPLACEMENT OF NUTRITION VEHICLES FOR THE OFFICE OF THE AGING

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This project provides for the purchase of vehicles which are then provided to not-for-profit agencies and town sponsored nutrition programs contracted for and administered by the Suffolk County Office for the Aging. The Town or not for profit agencies are responsible for operation, maintenance and repair of the vehicle. The county retains title to the vehicles.

The nutrition programs provide home delivered and congregate meals for residents age 60 and older. This project increases accessibility to nutrition programs which provide proven health benefits to those seniors most nutritionally at risk.

Operating Budget Impact: This project will have minimal impact on the operating budget as the vehicles are leased to authorized agencies.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1760

CAPITAL PROGRAM TITLE: ELEVATOR CONTROLS AND SAFETY UPGRADING AT VARIOUS COUNTY FACILITIES

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This project provides funding for safety and mechanical upgrades to elevators countywide. Many of the elevators in County buildings are over twenty years old; controls, operating equipment, doors, cab interiors, and other miscellaneous items have to be replaced. This project allows compliance with current safety and accessibility codes.

Operating Budget Impact: This project will have a positive operating budget impact. Upgrading and maintaining the county's 72 elevators ensures safe operation and reduces costly repairs and breakdowns.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

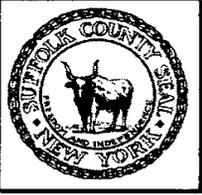

CAPITAL PROGRAM NO.: 1762

CAPITAL PROGRAM TITLE: WEATHERPROOFING COUNTY BUILDINGS

FUNDING STATUS: 2012 MODIFIED/ADOPTED AND REDUCED

Program Description: This ongoing project provides funding for regular exterior maintenance of County buildings related to weatherproofing. Over time, all buildings are affected by weather conditions. Repair and replacement of various materials is required to keep energy costs down and to prevent weather-related damage to County buildings. This project includes the repair, replacement, caulking, painting, or sealing of building exterior, windows, doors, ventilators, masonry, stone, and pre-cast panels. Cohalan Court Complex in Central Islip and the Criminal Court Building in Riverhead are scheduled in 2012.

Operating Budget Impact: There will be a positive operating budget impact by reducing maintenance and energy costs.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1769

CAPITAL PROGRAM TITLE: PUBLIC WORKS FLEET MAINTENANCE EQUIPMENT REPLACEMENT

FUNDING STATUS: FUNDING RESCHEDULED

Program Description: This project funds the replacement of equipment for fleet maintenance facilities. Maintaining compliance with PESH and OSHA regulations ensures that the County can operate effectively with equipment that meets safety and environmental standards. In addition, mechanics must have diagnostic equipment consistent with current technology. Examples of items to be purchased are: tire machines, emission/inspection machines, forklifts and vehicle lift upgrade and diagnostic computers.

Operating Budget Impact: Proper Equipment increases productivity, safety and reduces payments to outside vendors.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1782
CAPITAL PROGRAM TITLE: IFMS RELEASE 3

FUNDING STATUS: NEW

Program Description: The County IFMS was upgraded to the version 3.5.1 in January of 2006. This project addresses major modifications and enhancements modification required by IRS as well as Suffolk County financial standards. This project includes an upgrade to the software to version 3.9. The upgrade to IFMS 3.9 is also required for the County to obtain support and migrate to Oracle II release, which does not support our current versions of IFMS.

Operating Budget Impact: The upgrade will require a substantial commitment of County employee time and training.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1796

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO THE SUFFOLK COUNTY FARM

FUNDING STATUS: FUNDING REDUCED

Program Description: The Suffolk County Farm and Education Center is a century-old working farm which provides meat for Suffolk County's correctional facility. This project provides funding for ongoing maintenance and improvements.

Operating Budget Impact: There will be no impact to the operating budget as these costs are absorbed by Cornell Cooperative Extension.

PROGRAM NO: 1796
PROGRAM NAME: IMPROVEMENTS TO THE SUFFOLK COUNTY FARM
STATUS: REHABILITATION OF EXISTING STRUCTURES

PROGRAM: GENERAL GOVERNMENT SUPPORT: SHARED SERVICES
DEPARTMENT: COOPERATIVE EXTENSION AND PUBLIC WORKS
LOCATION: YAPHANK

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1807

CAPITAL PROGRAM TITLE: GLOBALLY MANAGED NETWORK PROTECTION AND SECURITY

FUNDING STATUS: NEW

Program Description: This project provides funds for network software intrusion prevention systems. This program will ensure that every device connecting to the network, whether remote or internal, is running with updated virus protection prior to being granted access on the network.

It is anticipated that this system will also accomplish the following:

- Prevent viruses from penetrating networks while alerting the user to what intrusions were prevented.
- Protect the system from “zero-day” virus/worms, malicious code, or unauthorized operating system modifications.

Operating Budget Impact: This project will decrease downtime while reducing operating costs associated with response and repair of any damage to the system.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1811

CAPITAL PROGRAM TITLE: COUNTY ATTORNEY CASE MANAGEMENT SYSTEM

FUNDING STATUS: FUNDING RESCHEDULED

Program Description: The County Attorney's office is looking to track and process its legal cases with an online system that will allow for collaboration between lawyers, paralegals, and administrative staff. It will also permit bureau chiefs to review cases online without having to locate physical files from the individual lawyers. The elimination of physical case files will result in less storage and archival space required.

Operating Budget Impact: Licensing and maintenance costs should be offset by an increase in productivity.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 1814

CAPITAL PROGRAM TITLE: SUFFOLK COUNTY TELEPHONY INFRASTRUCTURAL IMPROVEMENTS

FUNDING STATUS: NEW

Program Description: The County currently is using Centrex telephone service that is provided by Verizon. Centrex service allows the County to utilize features of a PBX phone system without the need to purchase the hardware that goes with it. The service has been offered by Verizon for about 40 years and there is a risk of not having the service supported if Verizon decides to abolish the service for a newer technology. The Suffolk County Department of Information Technology (DoIT) would like implement a Voice over Internet Protocol (VoIP) telephone system at various locations throughout the County to lessen our dependence on Centrex and to utilize our existing Data network infrastructure to handle voice services at a minimal cost.

The majority of the equipment is located in the Hauppauge, Riverhead and Yaphank campuses, the H.Lee Dennison Building, and three Department of Social Service locations.

Operating Budget Impact: This request will have a positive operating budget impact as it will upgrade the county voice network allowing us to manage and administer our telephone system without having to use Verizon services. The installation of a VoIP system would eliminate the need for several thousand Centrex lines and the expense of recovering or moving phone lines as departments reconfigure staff and building layouts.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 2114

CAPITAL PROGRAM TITLE: RENOVATION OF KREILING HALL - AMMERMAN CAMPUS

FUNDING STATUS: FUNDING RESCHEDULED

Program Description: This project provides funding for renovation and upgrades to Kreiling Hall. All labs and prep rooms will be relocated to the new Science, Technology and General Classroom Building. Kreiling Hall will be converted into classrooms and student service support spaces after the relocation.

Operating Budget Impact: It is anticipated that there will be an operating savings from utility costs as a result of the electrical system modifications and the HVAC system replacement.

CAPITAL PROGRAM TITLE: INFRASTRUCTURE - COLLEGE WIDE

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: This project provides funding for infrastructure improvements to all campuses of Suffolk County Community College (SCCC). Funding has been provided as requested although 2013 customary State aid of 50% has not been secured. Without offsetting state aid this project will not proceed as scheduled. Various physical assets throughout the three campuses are in need of rehabilitation and/or replacement including mechanical systems; exterior concrete stairs, walkways and curbs; and exterior lighting systems. This project would begin to reconstruct or replace critical infrastructure systems before they fail.

Operating Budget Impact: The replacement of aging mechanical and electrical units with more efficient systems should result in operating budget savings for the College.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 2159

CAPITAL PROGRAM TITLE: LEARNING RESOURCE CENTER - GRANT CAMPUS

FUNDING STATUS: 2012 MODIFIED/ADOPTED

Program Description: The project provides funding for a Learning Resources Center (LCR) at the Grant Campus. It will include traditional library functions integrated with state of the art information technology, as well as additional quality classroom space, faculty offices and workspace, and student study space. The LEED certification process will begin at the early stages of design.

Operating Budget Impact: Increased operating expenses due to additional staff requirements, additional supplies and increased utility costs are anticipated. These expenses will be partially off-set by increased revenue.

PROGRAM NO: 2159
 PROGRAM NAME: LEARNING RESOURCE CENTER - GRANT CAMPUS
 STATUS: PENDING STATE AID APPROVAL

PROGRAM: EDUCATION
 DEPARTMENT: COMMUNITY COLLEGE
 LOCATION: GRANT CAMPUS, BRENTWOOD

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 3008

CAPITAL PROGRAM TITLE: NEW REPLACEMENT CORRECTIONAL FACILITY AT YAPHANK

FUNDING STATUS: FUNDING INCREASED

Program Description: This project is mandated by the New York State Commission of Correction (COC) and addresses the immediate and future needs of Suffolk County's correctional system. A Correction Systems Needs Assessment was completed in January 2004, which in part concluded the need for an expansion of the system-wide bed capacity. To accomplish this expansion, a new facility at Yaphank is being constructed. Phase I includes six new 60 cell pods, a 60 bed dorm, a Health Services area which will allow for 20 sick bay rooms, and new visitation and booking areas. Phase II planning is scheduled for 2012.

Operating Budget Impact: Although the county designed the jail using the direct supervision model as required by the COC, which was supposed to save on staffing, the COC is requiring the county hire additional officers for the new jail. Therefore, there is an overall increase in salaries as well as supplies and equipment necessary to operate the new facility. This is an example of the direct linkage of the capital expenditures increasing operating costs.

PROGRAM NO: 3008
 PROGRAM NAME: NEW REPLACEMENT CORRECTIONAL FACILITY AT YAPHANK
 STATUS: PHASE II PLANNING AND CONSTRUCTION

PROGRAM: PUBLIC SAFETY: OTHER PROTECTION
 DEPARTMENT: SHERIFF AND PUBLIC WORKS

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 3009

CAPITAL PROGRAM TITLE: RENOVATIONS AT THE YAPHANK CORRECTIONAL FACILITY

FUNDING STATUS: FUNDING ADVANCED AND INCREASED

Program Description: This project will provide funding for "Bid Package E" which includes maintenance, repair, and upgrade of the 1959, 1982 and 1986 portions of the Yaphank Correctional Facility. It will include renovations and improvements to various structural and mechanical systems to include, but not be limited to: plumbing, HVAC, electrical, and roofing. The capital program includes significant funding for major renovations to the existing dormitories as well as other areas of the facility. This building must continue to house prisoners, even after the new Yaphank Correctional Facility becomes operational.

Operating Budget Impact: Maintaining the Yaphank Correctional Facility will decrease the cost associated with out-of-county housing and transportation of inmates. Ancillary operating efficiencies may also be achieved in the process.

PROGRAM NO: 3009
 PROGRAM NAME: RENOVATIONS AT THE YAPHANK CORRECTIONAL FACILITY
 STATUS: DESIGN AND CONSTRUCTION OF EXISTING DORMS

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 3014

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO THE COUNTY CORRECTIONAL FACILITY C-141 - RIVERHEAD

FUNDING STATUS: FUNDING RESCHEDULED AND INCREASED

Program Description: This program provides funding for the maintenance, repair, and upgrade of the Riverhead Correctional Facility. This facility is occupied 24/7 and therefore experiences wear and tear at a much greater rate than most county buildings.

This is an ongoing project to ensure the infrastructure is properly maintained and includes, but is not limited to:

- Rehabilitation of main control room
- Repairs required as a result of planning and design phase
- Repair/replacement of food service areas
- Maintenance of various security and building related mechanical systems
- Ongoing infrastructure improvements as required
- Parking lot resurfacing after the 15MW photovoltaic carport installation project

Operating Budget Impact: Periodic repairs and upgrades of this facility should have a positive impact on the budget by decreasing operating maintenance costs.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 3016

CAPITAL PROGRAM TITLE: REPLACEMENT OF EXISTING FIREWORKS BURN PITS

FUNDING STATUS: NEW

Program Description: This project provides funding for a study to determine the best alternatives for the disposal of fireworks seized by the Suffolk County Police Department and also funding to construct new fireworks burn pits. The Police Department currently disposes of all seized fireworks by burning them in a pit as recommended by the FBI and ATF. The new burn pits will be farther away from nearby residential homes and will be environmentally safer.

Operating Budget Impact: There will be minimal impact on the operating budget.

PROGRAM NO: 3016
 PROGRAM NAME: REPLACEMENT OF EXISTING FIREWORKS BURN PITS
 STATUS: DESIGN AND CONSTRUCTION

PROGRAM: PUBLIC SAFETY: OTHER PROTECTION
 DEPARTMENT: POLICE
 LOCATION: WESTHAMPTON

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 3020

CAPITAL PROGRAM TITLE: EXPANSION OF VIDEO CONFERENCING AT VARIOUS LOCATIONS

FUNDING STATUS: 2012 MODIFIED/ADOPTED

Program Description: This project provides funding for video conferencing at the Suffolk County Correctional Facility in Yaphank. This system will allow attorneys and Probation Officers to communicate with their clients without having to travel to the jail or to transport an inmate out of the jail. A system will be created that will allow for the scheduling of appointments via the internet. The use of video conferencing will reduce the need and expense of transporting inmates. This may decrease the amount of overtime required. It may also allow for the processing of inmates through the court system in a more timely fashion.

Operating Budget Impact: There will be a decrease in the need for prisoner transportation, thereby reducing the use of transport buses in addition to overtime.

PROGRAM NO: 3020
 PROGRAM NAME: EXPANSION OF VIDEO CONFERENCING AT VARIOUS LOCATIONS
 STATUS: SCHEDULED EQUIPMENT PURCHASE

PROGRAM: PUBLIC SAFETY: OTHER PROTECTION

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 3060

CAPITAL PROGRAM TITLE: PURCHASE OF COMMUNICATION EQUIPMENT

FUNDING STATUS: FUNDING REDUCED

Program Description: This program provides funding for the upgrade replacement of communication equipment for the Sheriff's department. This project is funding the replacement and upgrading of Mobile Data Terminals (MDT's) in the Sheriff's Office marked vehicles to allow for fully integrated communications between over-the-air and computer aided dispatch. The Impact Mobile System will give offices in the field instant access to valuable information and the ability to work remotely. Other functions include Automatic Vehicle Location (AVL) which gives dispatches and other mobile users real time location of units, direction, speed and proximity to dispatch events.

Operating Budget Impact: There is no anticipated impact on the operating budget.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 3063

CAPITAL PROGRAM TITLE: RENOVATIONS AND ALTERATIONS TO PROBATION BUILDINGS

FUNDING STATUS: NEW

Program Description:

- **Phase I** - A Drug Testing and Processing Center would be designed and constructed within the Probation Department's Office Building # C0110 in Yaphank. This project would substantially improve accountability of Criminal Court probationers by helping to ensure accurate drug testing and strict supervision of approximately 300 probationers on a typical office report day. The square footage of the proposed center is 160 sq. feet and would include a secure restroom, which is large enough to insure the validity of drug tests, as well as refrigerated storage and computer processing capacity.
- **Phase II** - This phase would replace and upgrade two existing, forty-five year old public restrooms. The current facilities are in need of repair, resulting from decades of probation office use and testing.
- **Phase III** - Replacement of Industrial Air conditioning for Probation's computers at Building C0110 in Yaphank. The current air conditioning has reached the end of its useful life.

Operating Budget Impact: Cost savings will be realized from improvements in energy improvements, as well as by reducing maintenance requirements.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 3241

CAPITAL PROGRAM TITLE: COUNTYWIDE SYSTEM ENHANCEMENTS TO THE 800 MHZ RADIO COMMUNICATIONS SYSTEM

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This project provides funds for the installation of equipment to enhance wireless communications in areas, which have poor reception. The Technical Services Section of the Suffolk County Police has identified areas in the communications system that have very poor reception, especially Amityville, Port Jefferson, Montauk, and other areas on the East End of Suffolk County. The installation of an Intel repeater or similar equipment will enhance wireless communication in each of these areas. Site improvements may be needed at each site depending on the final location. These improvements will greatly enhance the ability of Public Safety personnel including the Sheriff, Amityville Police, Park Police, and Suffolk County Police to communicate more effectively. It will also benefit other county agencies such as the Department of Public Works and the Parks Department.

Operating Budget Impact: This project will have minimal impact on the operating budget.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 3242
CAPITAL PROGRAM TITLE: MICROWAVE REPLACEMENT

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: This program is for the replacement of the aging microwave system for the Police Department. The microwave system electronically transports police communications (voice and data) throughout the police communications network. The microwave sites are critical to police operations. This project includes, but is not limited to, replacing two microwave transmitters and two microwave receivers each at 10 tower sites.

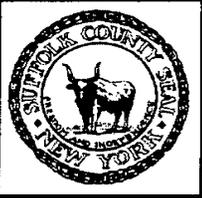

Operating Budget Impact: This project will have minimal impact on the operating budget.

PROGRAM NO: 3242
PROGRAM NAME: MICROWAVE REPLACEMENT
STATUS: EQUIPMENT REPLACEMENT

PROGRAM: PUBLIC SAFETY: COMMUNICATION
DEPARTMENT: POLICE
LOCATION: ALL MICROWAVE SITES

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 3301

CAPITAL PROGRAM TITLE: SAFETY IMPROVEMENTS AT VARIOUS INTERSECTIONS

FUNDING STATUS: FUNDING ADVANCED AND INCREASED

Program Description: This project funds safety improvements at various intersections in the County. The objective of this on-going project is to conduct detailed traffic engineering studies, land acquisition, and implementation of traffic engineering improvements, to reduce the accident rates at various intersections. These studies will identify existing and potential problems for each location, and develop both short-range and long-range improvement plans. Intersections requiring major construction improvements will be funded and progressed from a capital project specifically identified for that intersection improvement.

Operating Budget Impact: This project will have negligible operating budget impact, and is meant to enhance the safety of motorists using County roadways.

PROGRAM NO: 3301
 PROGRAM NAME: SAFETY IMPROVEMENTS AT VARIOUS INTERSECTIONS

PRIORITY 51

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 3309

CAPITAL PROGRAM TITLE: COUNTY SHARE FOR CLOSED LOOP TRAFFIC SIGNAL SYSTEM

FUNDING STATUS: PENDING FEDERAL HIGHWAY ADMINISTRATION (TIP) FUNDING

Program Description: This project will establish a Closed Loop Traffic Signal System for all of the interconnected traffic signals on Suffolk County roads. The Closed Loop Traffic Signal System consists of an on-street Master Controller that monitors its own operation, the operation of the system detectors and the operation of the local controllers, and reports any malfunctions to the personal computer (PC) in the traffic office.

Since many County roadways cross New York State roadways, the system has been designed to work with the NYSDOT INFORM System traffic control system. The NYSDOT control center is manned 24 hours a day, 7 days a week. During off hours, the NYSDOT will monitor the County system. The system can also upload and download signal-timing information from the local controller to the traffic office or NYSDOT control center. In addition, Department personnel can remotely observe intersection operations in real time.

The system will dramatically improve response time to traffic signal malfunctions, improve traffic flow and safety while reducing congestion, fuel consumption, and automobile emissions.

The traffic signal portion of this project is estimated to upgrade nearly 700 traffic signals. The Department anticipates expanding the system in the future to include real time video and continuous monitoring and revision of traffic signal timing plans to maintain optimum operations.

Operating Budget Impact: This project will have negligible operating budget impact and is meant to enhance the safety of motorists using county roadways.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 3405

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO SUFFOLK COUNTY FIRE TRAINING CENTER

FUNDING STATUS: FUNDING RESCHEDULED AND INCREASED

Program Description: This project provides for the construction of improvements to the Suffolk County Fire Training Center. Current improvements include lighting upgrades for the field lighting sites, and buildings/ancillary areas that are unlit or poorly lit; enhancements to the tower building and taxpayer building; and a propane extinguisher prop. Preliminary planning includes, but is not limited to, a first floor cockloft fireplace in the tower; relocation of the first floor kitchen flashover simulator, construction of a LP gas prop, and a second floor hallway flashover simulator in the Taxpayer Building. Other future improvements include, but are not limited to, environmental compliance upgrades - including the replacement of underground fuel storage tanks with above ground tank systems on concrete pads; and the design and construction of two new burn buildings (Multi-family apartments and warehouse facility) that emulate the buildings within Suffolk County.

Funding has also been requested for a sustainability phase of this program. This would entail sustainable funding for the rehabilitation and replacement of equipment associated with the field burn props, support activities, pump house, roadways and parking areas, and other appurtenances located on the facility. Since the field sustains 'wear and tear' because of its use the County's 109 volunteer and 7 career fire departments, this project would ensure longevity and availability of the field training center.

Operating Budget Impact: This project will have a minimal budget impact and is designed to improve and sustain the training facilities.

PROGRAM NO: 3405
 PROGRAM NAME: IMPROVEMENTS TO SUFFOLK COUNTY FIRE TRAINING CENTER
 STATUS: UPGRADES TO TRAINING FIELD PROPS AND GROUNDS

PROGRAM: PUBLIC SAFETY: FIRE PREVENTION & CONTROL
 DEPARTMENT: FIRE, RESCUE, AND PUBLIC WORKS

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 3416
CAPITAL PROGRAM TITLE: FIRE RESCUE C.A.D. SYSTEM

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: This multi-phase project enhances the public safety communications capabilities within the County. Phase II primarily funds the replacement of consoles and radio control equipment for the Fire Rescue Communications Center. It also provides for expanded CAD capability that ties into the SCPD. Phase III provides UHF frequency spectrum communications capability to the County, where it does not exist today. This will allow interoperability with the volunteer fire and medical response agencies; as well as ensure Suffolk can meet the regional FCC and NYMAC interoperability criteria.

Operating Budget Impact: This project will have a minimal impact on the operating budget.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 3418

CAPITAL PROGRAM TITLE: EMERGENCY OPERATIONS CENTER IMPROVEMENTS

FUNDING STATUS: FUNDING RESCHEDULED AND INCREASED

Program Description: This program will provide for improvements to the County's Emergency Operations Center (EOC). The improvements will enhance the functional and environmental aspects of the EOC through replacement of, alteration to, and renovation of building components and systems. This will require the reconfiguration of existing space, new HVAC, backup power, and other upgrades. The project will also provide funds to refurbish space for a back-up EOC to be co-located with the Back-up Communications Center in Coram as a mean to provide for continuity of operations during the main center work.

Operating Budget Impact: This project will have minimal impact on the operating budget.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 3503

CAPITAL PROGRAM TITLE: PALM AFIS (AUTOMATED FINGERPRINT IDENTIFICATION SYSTEM)

FUNDING STATUS: 2012 MODIFIED/ADOPTED

Program Description: This project provides funding for the replacement of the Automated Fingerprint Identification System (AFIS). The new system will include palm print AFIS, enabling the ID Section to search a palm print database. Currently 25-35% of all latent prints recovered at crime scenes are palm prints.

Operating Budget Impact: This project will have minimal impact on the operating budget.

PROGRAM NO: 3503
 PROGRAM NAME: PALM AFIS (AUTOMATED FINGERPRINT IDENTIFICATION SYSTEM)
 STATUS: PURCHASE AND UPGRADE

PROGRAM: PUBLIC SAFETY: LAW ENFORCEMENT
 DEPARTMENT: POLICE
 LOCATION: POLICE HEADQUARTERS AND PRECINCTS

2013 CAPITAL BUDGET AND 2013-2013 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 3512
CAPITAL PROGRAM TITLE: PUBLIC SAFETY VEHICLES

FUNDING STATUS: 2012 MODIFIED/ADOPTED AND INCREASED

Program Description: This program will fund the purchase of public safety vehicles normally funded out of DPW's Fleet division operating budget.

Operating Budget Impact: Purchasing public safety vehicles out of capital will reduce the burden on the operating budget.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 4008

CAPITAL PROGRAM TITLE: PURCHASE AND INSTALLATION OF GENERATORS FOR FULL POWER SUPPLY AT COUNTY OWNED HEALTH CENTERS

FUNDING STATUS: 2012 MODIFIED/ADOPTED AND INCREASED

Program Description: This project will fund the purchase and installation of emergency generators at two county-owned health centers - The Maxine S. Postal Tri-Community Health Center in Amityville and The Marilyn Shellabarger South Brookhaven Health Center, East in Shirley. In case of emergency, these generators will provide for the full backup of all systems necessary to run the health centers to treat those requiring medical attention.

With the purchase of these generators, there will be three health centers with full backup generators. The centers are geographically spread throughout Suffolk County in Amityville, Shirley, and Riverhead.

Operating Budget Impact: There is minimal operating budget impact associated with this project.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 4055

CAPITAL PROGRAM TITLE: PURCHASE OF EQUIPMENT FOR HEALTH CENTERS

FUNDING STATUS: FUNDING RESCHEDULED AND INCREASED

Program Description: This project provides funding for the ongoing purchases of equipment for health centers, their satellites and the jail medical units. Both new and replacement equipment are included due to continued technological advances in medical care and to comply with various regulations and statutes.

Operating Budget Impact: There will be minimal operating budget impact.

PROGRAM NO: 4055
 PROGRAM NAME: PURCHASE OF EQUIPMENT FOR HEALTH CENTERS
 STATUS: ONGOING EQUIPMENT REPLACEMENT

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 4079

CAPITAL PROGRAM TITLE: ENVIRONMENTAL HEALTH LABORATORY EQUIPMENT

FUNDING STATUS: FUNDING RESCHEDULED AND INCREASED

Program Description: This project funds the purchase of replacement instrumentation and equipment required by the Environmental Health Laboratory. This new replacement equipment will provide state of the art technology which will help the county to meet an increased workload and meet the analytical needs of other user departments.

Operating Budget Impact: This project will have minimal operating budget impact.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 4081

CAPITAL PROGRAM TITLE: ENVIRONMENTAL QUALITY GEOGRAPHIC INFORMATION AND DATABASE MANAGEMENT SYSTEM

FUNDING STATUS: FUNDING ADVANCED

Program Description: This program will modernize the current computer system, facilitate electronic permit processing, improve efficiency, and enhance environmental protection.

- **Phase I** - Conduct a feasibility study to evaluate the options available in establishing a uniform geographic information and management system. This system will enhance the Department's ability to process and manage their workload.

A uniform geographic information and database management system, which integrates regulatory and environmental information from all Environmental Quality Offices would be accessible to staff.

- **Phase II** - Purchase and implement the necessary hardware and software based upon the feasibility study's recommendations.

Operating Budget Impact: This project will have minimal operating budget impact in the near future but is likely to result in long-term cost savings.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5001

CAPITAL PROGRAM TITLE: MEDIAN IMPROVEMENTS ON VARIOUS COUNTY ROADS

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This project will improve corridor safety and operation on various County roads by modifying and rehabilitating center medians. This is accomplished by lengthening left turn lanes thereby reducing rear end accidents, curbing medians to prevent illegal crossings, modify slopes and removing hazards to prevent rollover and fixed object accidents and improve errant vehicle recovery areas.

Operating Budget Impact: There is a positive operating budget impact, as maintaining County roads helps mitigate costly reconstruction at a later date.

PROGRAM NO: 5001

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5014

CAPITAL PROGRAM TITLE: STRENGTHENING AND IMPROVING COUNTY ROADS

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This project provides for the restoration and/or resurfacing of roadway sections to improve both surface and structural conditions. In addition, it provides for the improvements of other related appurtenances, such as drainage and curbs, within the highway limits. Preventative maintenance work is necessary to provide a safe highway and mitigate costly reconstruction in the future.

Operating Budget Impact: There is potential for a positive operating budget impact as maintaining county roads helps to mitigate costly reconstruction.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5024

CAPITAL PROGRAM TITLE: RECONSTRUCTION OF DRAINAGE SYSTEMS ON VARIOUS COUNTY ROADS

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This project will fund the reconstruction of drainage systems on various county roads. Numerous drainage structures and culverts on County roads are in need of rehabilitation.

Operating Budget Impact: There is minimal impact on the Operating Budget.

PROGRAM NO: 5024
 PROGRAM NAME: RECONSTRUCTION OF DRAINAGE SYSTEMS ON VARIOUS COUNTY ROADS
 STATUS: CONSTRUCTION AND DRAINAGE IMPROVEMENTS

PROGRAM: TRANSPORTATION: HIGHWAYS
 DEPARTMENT: PUBLIC WORKS
 LOCATION: COUNTYWIDE

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5037

CAPITAL PROGRAM TITLE: APPLICATION AND REMOVAL OF LANE MARKINGS

FUNDING STATUS: FUNDING AS SCHEDULED AND INCREASED

Program Description: This project makes funds available for the installation of pavement markings on the County roadways. The markers are placed at high volume locations and problematic areas. Highly visible, well-defined pavement markings and markers provide an improved driving environment and therefore enhance safety. Studies have shown that compliance with pavement markings depends on the quality of the markings. Pavement markings are also one of the most cost effective highway improvements in terms of safety and in providing aid to motorists, especially at night. Well-maintained pavement markings applied in accordance with the National Standards are highly effective safety treatments on county roadways and remain highly visible through the winter months.

Operating Budget Impact: This project will have minimal impact on the operating budget.

PROGRAM NO: 5037
 PROGRAM NAME: APPLICATION AND REMOVAL OF LANE MARKINGS
 STATUS: INSTALLMENT OF PAVEMENT MARKERS

PROGRAM: TRANSPORTATION: HIGHWAYS
 DEPARTMENT: PUBLIC WORKS
 LOCATION: VARIOUS COUNTY ROADS

PRIORITY 49

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5047

CAPITAL PROGRAM TITLE: PUBLIC WORKS HIGHWAY MAINTENANCE EQUIPMENT

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This project provides funding for the purchase of highway maintenance equipment for the Department of Public Works. The department operates a large fleet of several hundred pieces of equipment that is used for maintenance including snow removal from County roads, parking fields, and facilities. The fleet has been evaluated and a systematic replacement program has been developed.

Operating Budget Impact: Timely replacement of equipment results in reduction of costly repairs.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5048

CAPITAL PROGRAM TITLE: CONSTRUCTION AND REHABILITATION OF HIGHWAY MAINTENANCE FACILITIES

FUNDING STATUS: 2012 MODIFIED/ADOPTED AND REDUCED

Program Description: This project funds the construction and rehabilitation of environmentally acceptable storage for salt used for ice and snow control.

Operating Budget Impact: There will be minimal operating budget impact.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5054

CAPITAL PROGRAM TITLE: TRAFFIC SIGNAL IMPROVEMENTS

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This program provides funding to design and install new traffic signals and, where necessary, modify or modernize existing traffic signal systems. The improvements should reduce the traffic accident rate on County roads where studies show traffic signals are warranted, or where the modernization of existing signals and signal systems is required.

Operating Budget Impact: The installation of modernized traffic signals can have a positive effect on the operating budget through lower utility and operating costs.

PROGRAM NO: 5054
 PROGRAM NAME: TRAFFIC SIGNAL IMPROVEMENTS
 STATUS: DESIGN AND CONSTRUCTION

PROGRAM: TRANSPORTATION: HIGHWAYS
 DEPARTMENT: PUBLIC WORKS
 LOCATION: COUNTYWIDE

PRIORITY 45

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5072

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO COUNTY ENVIRONMENTAL RECHARGE BASINS

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This on-going project will improve the functionality, security, appearance and potential public health impacts of the County's recharge basins. The County maintains over 250 recharge basins most of which are over 25 years old. The natural growth of vegetation has encroached into holding areas, reducing the natural recharge ability of the basins. The shedding of needles and leaves from the plantings as well as the materials contained in the runoff from roadways have caused the bottoms of the basins to become silted, limiting the recharge of water back into the ground. Areas where vegetation has encroached into the security fencing around the basins also have to be cleaned. Recommended funding will allow the cleaning and restoration of five to fifteen basins per year.

Operating Budget Impact: This project will have a positive impact on the Operating Budget by reducing maintenance costs.

PROGRAM NO: 5072
PROGRAM NAME: IMPROVEMENTS TO COUNTY ENVIRONMENTAL RECHARGE BASINS
STATUS: ONGOING REHABILITATION

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5090

CAPITAL PROGRAM TITLE: RECONSTRUCTION OF CR 86, BROADWAY-GREENLAWN ROAD - TOWN OF HUNTINGTON

FUNDING STATUS: NEW

Program Description: Sections of CR86 experience flooding due to old and insufficient drainage. This project will address pavement and drainage deficiencies as well as the replacement of curb and sidewalk and pavement markings.

Operating Budget Impact: This capital project will have a negligible impact on the operating budget.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5097

CAPITAL PROGRAM TITLE: RECONSTRUCTION OF CR 17, CARLETON AVE, TOWN OF ISLIP

FUNDING STATUS: FUNDING RESCHEDULED AND REDUCED

Program Description: This project funds the reconstruction of CR 17, Carleton Avenue/Wheeler Road, in the Town of Islip as a three-phase project.

- Phase 1 - Early Implementation Project improved access and safety at the Central Islip Early Childhood Center and Central Islip High School on Wheeler Road. Central Islip School District dedicated property to increase right-of-way (ROW), in order to add turning lanes. This phase has been completed.
- Phase 2 - Federally assisted rehabilitation project that would improve pavement & drainage conditions in the corridor from CR 100, Suffolk Avenue to Bretton Road. Project would also add sidewalk and curbs where necessary. This phase has been completed.
- Phase 3 - Reconstruction of the intersection at CR 17, Wheeler Road and CR 67, Motor Parkway, which will add capacity to improve traffic flow and decrease congestion.

Operating Budget Impact: This Capital Project will have a negligible operating budget impact and is designed to improve mobility and safety.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5116

CAPITAL PROGRAM TITLE: SAFETY AND DRAINAGE IMPROVEMENTS TO THE CENTER MEDIANS ON VARIOUS COUNTY ROADS

FUNDING STATUS: FUNDING ADVANCED AND INCREASED

Program Description: This project will reconstruct the existing drainage system/swale located in the center median of CR 46. The drainage system will be rebuilt employing the latest and most appropriate Best Management Practice (BMP) to remediate storm water runoff prior to discharge into the local waterways. In addition, the project will also include shoulder regrading, curb and gutter installation, and spot drainage improvements on CR 46 in the vicinity of Coraci Blvd. to Smith Point Bridge and Ostend Circle to Smith Point Bridge. Work previously programmed under Phase III in CP 5021 has been incorporated into this capital project.

Operating Budget Impact: This project will have a negligible impact on the operating budget as it is meant to enhance the safety of motorists using County roadways.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5123

CAPITAL PROGRAM TITLE: INTERCHANGE IMPROVEMENTS FOR CR 111 AT THE L.I.E. SERVICE ROADS

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: This project funds interchange improvements for CR 111 at the Long Island Expressway Service Roads. This Phase proposes access modifications to the LIE from CR 111 to facilitate traffic flow and decrease congestion. This is an important juncture for recreational traffic destined to the South Fork of Long Island. There is severe congestion at this location during Friday afternoons/evenings and Sunday afternoon/evenings from April to October.

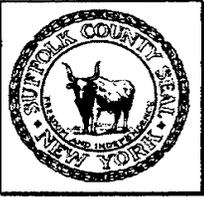

Operating Budget Impact: This capital project would have a negligible impact on the operating budget, and is meant to improve mobility and safety.

CAPITAL PROGRAM NO.: 5180

CAPITAL PROGRAM TITLE: INSTALLATION OF GUIDE RAIL AND SAFETY UPGRADES AT VARIOUS LOCATIONS

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This on-going project provides funding for the reconstruction, installation or modification of guide railing and associated upgrading at various locations throughout the County to conform to current State and Federal Standards. Work includes repair and installation of guide rail; removal of unnecessary guide rail; slope grading and seeding; removal of trees and other fixed objects in hazardous locations.

Operating Budget Impact: This project will have negligible operating budget impact and is meant to enhance the safety of motorists using County roadways.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5190

CAPITAL PROGRAM TITLE: DRAINAGE IMPROVEMENTS ON CR 52, SANDY HOLLOW ROAD

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: This project will improve drainage in the area extending from North Sea Road, CR 38 to Broidy Lane that frequently experiences flooding. This is attributed to the large watershed that contributes to this location. The existing leaching basins are insufficient for the current amount of runoff. This project will alleviate this problem by installing a positive drainage system connected to a recharge basin. Additionally, the roadway will be repaired and resurfaced. This project will use the existing County right-of-way.

Operating Budget Impact: This project will have a negligible operating budget impact.

PROGRAM NO: 5190

CAPITAL PROGRAM NO.: 5330

CAPITAL PROGRAM TITLE: SHORELINE PROTECTION AT HASHAMOMUCK COVE

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: This project provides funding for the study of shoreline erosion along Hashamomuck Cove. If this erosion continues it could impact CR48, Middle Road, one of two main east-west roadways along the North Fork of Long Island. The U.S. Army Corp of Engineers is progressing a \$5,000,000 study to develop plans to mitigate this erosion. The U.S. Army Corp of Engineers will fund 65% of this study, the State will fund 25%, and the County will fund 10%. The County's only obligation to this project is to provide the Local Funding Share of 10% for the study.

Operating Budget Impact: There is a minimal operating budget impact.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5348

CAPITAL PROGRAM TITLE: RECONSTRUCTION OF SHINNECOCK CANAL JETTIES AND BULKHEADS

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This project provides for the reconstruction of the existing jetties and bulkheads on the Shinnecock Canal. The project will ensure the stability of existing jetties and bulkheads, thus maintaining an open channel through the inlet in order to provide a safe passage for boaters. Jetties and bulkheads also protect the shoreline from erosion.

Operating Budget Impact: There are negligible operating budget costs associated with this project. Well-maintained shorelines help to prevent washouts and more expensive repairs from more extensive deterioration.

PROGRAM NO: 5348
 PROGRAM NAME: RECONSTRUCTION OF SHINNECOCK CANAL JETTIES AND BULKHEADS

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5380

CAPITAL PROGRAM TITLE: BEACH EROSION AND COASTLINE PROTECTION

FUNDING STATUS: PENDING FEMA/SEMO GRANT AWARD

Program Description: This program funds beach nourishment and other coastline protections at various park locations where erosion has endangered the viability of the coastline or where the build up of a section of coastline is warranted. Suffolk County beaches and coastlines are eroded each year through major storm activity. Significant damage can be incurred during these events; this requires the emergency replacement of sand in order to protect existing structures and to safeguard usability of the beaches. Funding has been made available to assess coastal erosion at County beaches and to facilitate the evaluation, planning, and renourishment required to address the damage from major storms. The funding will also facilitate the assessment required to obtain Federal Disaster Assistance and support from FEMA and SEMO for the restoration of severe erosion on County beaches.

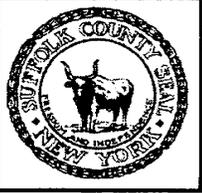

Operating Budget Impact: Unaddressed coastal erosion would impact the County's operation of County beaches, limiting the public's access during peak operating periods and resulting in a corresponding decline in revenues. Rebuilding and protecting the beaches helps keep residents safe, reinforces the stability of structure pilings and building foundations, and protects the County's major sources of Parks Department revenue.

PROGRAM NO: 5380

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5406

CAPITAL PROGRAM TITLE: PEDESTRIAN ENHANCEMENT TRAFFIC SIGNAL IMPROVEMENT PROGRAM

FUNDING STATUS: 2012 MODIFIED/ADOPTED AND REDUCED

Program Description: This capital project would construct interactive pedestrian push button assemblies; countdown timer LED pedestrian signals; and Leading Pedestrian Intervals (LPI) at signal locations which encounter high levels of pedestrian activity.

Operating Budget Impact: This capital project would have a negligible operating budget impact and is meant to improve pedestrian safety.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5410

CAPITAL PROGRAM TITLE: SAFETY IMPROVEMENTS AT UNSIGNALIZED CROSSWALKS - CR 80, MONTAUK HIGHWAY IN CENTER MORICHES

FEDERAL HIGHWAY ADMINISTRATION FUNDING IS EXPECTED TO BE PROGRAMMED IN THE NEW TIP FOR THIS PROJECT.
 COUNTY IS REQUIRED TO FIRST INSTANCE FUND THE COST OF THIS PROJECT. AMENDED BY RESOLUTION 439-2012.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5512

CAPITAL PROGRAM TITLE: COUNTY SHARE FOR THE RECONSTRUCTION OF CR 97, NICOLLS ROAD, TOWN OF BROOKHAVEN

FUNDING STATUS: FUNDING INCREASED

Program Description: This project funds the County's share for reconstruction of CR97, Nicolls Road. The corridor study, which is complete, identified a range of alternatives that were too costly to implement (\$120 to \$400 million) without significant Federal funding. As a result of public comment given during the Study phase, it became apparent that congested conditions in the vicinity of Suffolk County Community College (SCCC) required immediate attention.

- **Phase I** - Corridor Study and EIP Improvements in vicinity of SCCC - Complete
- **Phase II** - Pavement resurfacing: Furrows Road to NY 25 - Complete
- **Phase III** - Pavement resurfacing: NY 25 to NY 347
- **Phase IV** - CR 97/Pond Path safety and traffic flow improvements
- **Phase V** - CR 97/ Hammond Road, Hawkins Road/Wireless Road, Mark Tree Road safety and traffic flow improvements
- **Phase IV** - CR 97 grade separation investigation between S. Coleman Road and Suffolk Community College to improve safety and congestion

Operating Budget Impact: This capital project would have a negligible operating budget impact and is meant to improve mobility and safety.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5541

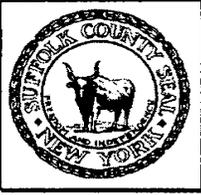

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO CR 36, SOUTH COUNTRY ROAD

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This capital project would address pavement and drainage deficiencies in the corridor. The project would include full depth pavement patching and resurfacing to provide a uniform pavement width. Concrete curb and sidewalk would be installed as needed with pavement stripping allowing for bicycles. Basins will be installed to collect localized flooding with 'vortechnics' basins installed at Mud, Abbets and Hedges Creeks. Necessary traffic signal modifications and intersection stripping would be incorporated into the project on an as needed basis.

- **Phase I** - CR 36, South Country Road from Montauk Highway to Village of Bellport, Town of Brookhaven
- **Phase II** - CR 36, South Country Road from Village of Bellport to CR80, Montauk Highway, Town of Brookhaven -

Operating Budget Impact: This capital project would have a negligible operating budget impact, as it is a roadway maintenance project meant to enhance motorist and pedestrian safety.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5554

CAPITAL PROGRAM TITLE: CR 85, MONTAUK HIGHWAY FROM CR 97, NICOLLS ROAD TO WEST AVENUE, TOWN OF BROOKHAVEN

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: Phase I of this project will provide resurfacing and pavement patching to produce a uniform pavement width. The new pavement markings will provide shoulders for greater overall safety. Leaching basins will be installed to collect localized flooding. Sidewalk, curbing and landscaping will be installed as necessary. Phase II will increase turning radius and sight distance at the intersection of CR 85, Montauk Highway at Atlantic Avenue, Patchogue.

Operating Budget Impact: This project will have negligible impact on the operating budget.

CAPITAL PROGRAM TITLE: RECONSTRUCTION OF CR 59, LONG LANE- EAST HAMPTON

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This project extends 1.1 miles along CR 59, Long Lane from the East Hampton Village line to the Vicinity of Stephens Hands Path. Project scope changed from the replacement of drainage facilities, asphalt concrete shoulder repair and resurfacing to a full reconstruction project. All work will be performed within the existing 50' ROW. This project will improve the riding surface and level of safety along this corridor.

Operating Budget Impact: This project will have negligible impact on the operating budget, as the Town of East Hampton maintains this highway for the County.

PROGRAM NO: 5561
 PROGRAM NAME: RECONSTRUCTION OF CR 59, LONG LANE, EAST HAMPTON
 STATUS: CONSTRUCTION

PROGRAM: TRANSPORTATION: HIGHWAYS
 DEPARTMENT: PUBLIC WORKS
 LOCATION: LONG LANE FROM THE VICINITY OF THE EAST HAMPTON VILLAGE LINE,
 TO THE VICINITY OF STEPHENS HAND PATH, EAST HAMPTON

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5565

CAPITAL PROGRAM TITLE: SAGTIKOS CORRIDOR

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: Funding for this project will be used to Study, Design, & Construct a by-pass road to divert traffic from Commack Road and the Sagtikos State Parkway. The by-pass road will alleviate truck traffic on Commack Road and vehicular traffic on the Sagtikos State Parkway. The by-pass road would connect the Heartland Industrial Park to "G" Road of Pilgrim State Hospital, allowing traffic flow access to Crooked Hill Road and Wicks Road. Funding for the project would come from private and Federal sources. This project is part of a new, coordinated planning effort between the County, surrounding Towns, and New York State, in order to mitigate traffic concerns caused by new retail development in the area.

Operating Budget Impact: This capital project would have a negligible impact on the operating budget and is meant to improve mobility and safety.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5569

CAPITAL PROGRAM TITLE: INTERSECTION IMPROVEMENTS ON CR 80, MONTAUK HIGHWAY AT CR 31, OLD RIVERHEAD ROAD

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: This project funds land acquisition of this intersection to allow for improvements such as larger turning radii, traffic signal enhancements and pavement marking modifications. These improvements are necessary to improve the safety and the operational efficiency of the intersection. CP 3301 already completed the design work for this project and the ROW acquisition phase is continuing.

Operating Budget Impact: This project will have a negligible operating budget impact

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5576

CAPITAL PROGRAM TITLE: SUFFOLK COUNTY HIGHWAY REHABILITATION PROJECT

FUNDING STATUS: NEW

Program Description: This consolidates new capital projects requests from Public Works into one project. As large and scheduled aided construction projects have been completed or are about to start, Public Works focused on the next series of roads that need reconstruction. These projects would be funded by the County and within the County Right-of-Way. The projects do not fall within the scope of large, Federal Highway Administration funding and can be done more expediently with county funding. Each project will be appropriated individually. The following rehabilitation projects are included in this program:

- CR 73, Roanoke Ave from CR 58 to NYS 25
- CR 13, Crooked Hill Rd from CR 7, Wicks Rd, to LIE
- CR 92, Oakwood Rd, from NYS Rte. 25 to NYS Rte. 110
- CR 1, County Line Rd, Montauk Hwy to North of Joyce
- CR 76, Townline Rd, from Terry to Old Nicolls Rd
- CR 38, North Sea Rd, from CR 39 to Noyack Rd
- CR 41, Springs/Fireplace Rd, from CR 40 to CR 45
- CR 99 Woodside and CR 16 Horseblock
- CR 13 5th Ave at Candlewood Rd
- CR 35, Park at Woodhull Rd
- CR 16, Horseblock Rd at CR 21 and CR 56, Victory Drive
- CR 12, Oak St from CR 1 to Vicinity of Garfield
- CR 39, North Rd, from CR 80 to NYS 27
- CR 10, Elwood Road, from NYS 25 to NYS 25A
- CR 16, Horseblock Rd, from NYS 112 to LIE
- CR 21, Ml/Yaphank Rd from NYS 25 to Longwood Rd
- CR 40, Three Mile Rd from CR 41 to vicinity of CR 45
- CR 111, from vicinity of Gordon Rd to Halsey Manor
- CR 21, Middle Island/Yaphank Rd at Longwood Rd
- CR 93, Ocean Ave at Rosedale Ave
- CR 97, Nicolls Rd in the vicinity of NYS 25A
- CR 79, from Brick Kiln Rd to NYS 27

Operating Budget Impact: This capital project would have a minimal operating budget impact, as it is a roadway rehabilitation project which should reduce the number of emergency repairs to the roads.

CAPITAL PROGRAM NO.: 5599

CAPITAL PROGRAM TITLE: PAVEMENT RESURFACING PROGRAM

FUNDING STATUS: SCHEDULED FEDERAL HIGHWAY ADMINISTRATION (TIP) FUNDING - NEW

Program Description: This repaving capital project is 80% funded by Federal Aid. This project will repair and/or resurface roadway sections to improve both surface and structural conditions. This project will also improve other related appurtenances, such as drainage and curb within the highway limits. This project will resurface parts of CR 46, CR 97, CR 111, CR 105, CR 19, and sections of LIE service roads.

Operating Budget Impact: This preventive maintenance work is necessary to provide a safe highway and mitigate costly reconstruction at a later date.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5601

CAPITAL PROGRAM TITLE: PURCHASE OF HYBRID ELECTRIC VEHICLES

FUNDING STATUS: PENDING FEDERAL CONGESTION MITIGATION AIR QUALITY (CMAQ) FUNDING

Program Description: This project provides funding for the purchase of hybrid electric vehicles through a Federal Highway Administration grant. This program is a multi-year Federal Grant funded under Congestion Mitigation Air Quality (CMAQ) funds. It is 80% funded.

Operating Budget Impact: This project will continue to have a positive impact on the operating budget not only through increased fuel economy and repairs under warranty for 5 years or 100,000 miles, but through replacement of fleet purchased traditionally through the operating budget.

PROGRAM NO: 5601

CAPITAL PROGRAM NO.: 5602

CAPITAL PROGRAM TITLE: CLEAN CITIES - ALTERNATIVE FUEL INFRASTRUCTURE AND COMPRESSED NATURAL GAS (CNG) VEHICLES

FUNDING STATUS: PENDING FEDERAL CLEAN CITIES FUNDING

Program Description: This project funds the purchase of CNG vehicles for County use. The Program will be funded through Clean Cities, a U.S. Department of Energy Government Industry Partnership Program, and the Congestion Mitigation Air Quality (CMAQ) program which provides 80% aid for this project. The program is designed to reduce petroleum consumption in the transportation sector by advancing the use of alternative fuels and vehicles, as well as the promotion of technology that reduces idling, develops and makes available fuel blends, and increases fuel economy. Grant funding of 90% offsets the cost of this project.

Operating Budget Impact: There will be minimal impact on the operating budget.

CAPITAL PROGRAM NO.: 5603

CAPITAL PROGRAM TITLE: CONSTRUCTION OF COMPRESSED NATURAL GAS (CNG) FUELING FACILITIES

FUNDING STATUS: PENDING FEDERAL CONGESTION MITIGATION AND AIR QUALITY (CMAQ)
FUNDING

Program Description: This project will construct Compressed Natural Gas (CNG) fueling facilities at various strategically located County properties to allow not only our County CNG passenger cars but also County CNG trucks to re-fuel. This program is a multi-year 80% Federal Grant funded under Federal Congestion Mitigation and Air Quality funding. The Westhampton and Commack CNG sites are completed and operational. The Yaphank CNG site is scheduled for 2013 and an undetermined location on the North Fork is scheduled in the outer years.

Operating Budget Impact: There will be minimal impact on the operating budget. The County is responsible for the operating and maintenance of the fueling facilities.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5651

CAPITAL PROGRAM TITLE: PURCHASE OF SIGNS AND STREET FURNITURE

FUNDING STATUS: FEDERAL TRANSPORTATION FUNDING SCHEDULED

Program Description: This project provides funding as requested by the department for the purchase of bus shelters to provide passenger amenities, as well as meeting ADA compliance for shelters and signs, and to enhance system visibility for riders of the Suffolk County Transit system. Providing bus shelters allows for comfort and protection from the elements to the riding public. Planning components of this project will be done with in house staff. Grant funding of 90% offsets the cost of this project.

Operating Budget Impact: Encouraging use of the County Transit system can help the County to meet Federal Clean Air Act Standards with a minimal effect on the operating budget.

NOTE: FEDERAL TRANSIT ADMINISTRATION GRANT AND NYS DOT PROVIDE 90% OF THE FUNDING FOR THIS PROJECT.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5658

CAPITAL PROGRAM TITLE: PURCHASE OF PUBLIC TRANSIT VEHICLES

FUNDING STATUS: FEDERAL TRANSPORTATION FUNDING SCHEDULED

Program Description: This project provides funding as requested by the department for the purchase of vehicles for replacement pursuant to federal life-cycle criteria and/or minor service changes for the Suffolk County Transit (SCT) fleet for both fixed route services and paratransit service. The project also includes funding for paratransit vans for the Disabled American Veterans Transportation Network. The county acts as the grantee for the DAV. This project is 90% grant funded. Large bus costs are approximately \$380,000 while hybrid buses are approximately \$600,000.

Operating Budget Impact: Encouraging use of the county transit system can help the county to meet Federal Clean Air Act standards with minimal effect on the operating budget. All buses purchased will be equipped with best available emissions reduction technology. The timely replacement of older transit vehicles will have the direct financial impact of reducing the occurrence of repairs associated with aging vehicles and equipment. To meet ADA passenger demand required by federal regulations, service is expanded for an approximate addition of 10 paratransit buses a year, adding an anticipated increase of annual operating costs.

PROGRAM NO: 5658

CAPITAL PROGRAM NO.: 5739

CAPITAL PROGRAM TITLE: PAVEMENT MANAGEMENT REHABILITATION AT FRANCIS S. GABRESKI AIRPORT

FUNDING STATUS: PENDING FEDERAL AVIATION ADMINISTRATION FUNDING

Program Description: This capital program provides for the ongoing pavement resurfacing needs of the runways and taxiways at Gabreski Airport. Rehabilitation of Runway 6/24 was completed in 2011.

Runway 15-33 will be scheduled next. The initial schedule of phases for this project is as follows:

- Phase I Planning and Design 2013
- Phase II Construction north half of the runway 2014
- Phase III Construction south half of the runway 2015

This project will progress when 95% aid is available.

Operating Budget Impact: This project will have a positive operating budget impact due to reduced annual maintenance costs.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5813

CAPITAL PROGRAM TITLE: REPLACEMENT OF SMITH POINT BRIDGE, TOWN OF BROOKHAVEN

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: This project would replace the CR 46, William Floyd Parkway/Narrows Bay (Smith Point) bridge and improve the alignment of the approach roads to the bridge. A recent engineering study concluded that a full bridge replacement would be the best option to advance. The county currently is undertaking a 10 year stabilization project. Because of the high estimated cost this project's construction phase can only progress if TIP aid is available.

Operating Budget Impact: Replacing a bascule (movable) bridge with a fixed span bridge will reduce operating and maintenance costs.

PROGRAM NO: 5813
 PROGRAM NAME: REPLACEMENT OF SMITH POINT BRIDGE, TOWN OF BROOKHAVEN
 STATUS: PLANNING FOR REPLACEMENT BRIDGE

PROGRAM: TRANSPORTATION: BRIDGES

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5815

CAPITAL PROGRAM TITLE: PAINTING OF COUNTY BRIDGES

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This project provides funding for the cyclical cleaning and repainting of steel bridges and replacement of steel components. The County maintains approximately 70 bridges. It is important that the paint be maintained in good condition. Steel bridges that have not been painted will deteriorate; this project extends the life of those bridges. Lack of preventive maintenance will ultimately require the expenditure of far more funds for repair.

Operating Budget Impact: This project will have a positive operating impact. Maintaining County bridges will postpone costly reconstruction.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 5855

CAPITAL PROGRAM TITLE: HORSEBLOCK ROAD/LIRR TRACKS BRIDGE REPLACEMENT, CR 16, TOWN OF BROOKHAVEN

FUNDING STATUS: PENDING FEDERAL TRANSPORTION ADMINSTRATION FUNDING

Program Description: This project would replace the CR 16, Horseblock Road/LIRR bridge, and improve vertical alignment on the approaches to the bridge. A recent engineering study concluded that a full bridge replacement would be the best option to advance. The construction phase will progress with the commitment of 80% Federal aid.

Operating Budget Impact: This project would have a negligible budget impact and is meant to improve safety and decrease maintenance costs.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 6409

CAPITAL PROGRAM TITLE: SUFFOLK COUNTY ECONOMIC DEVELOPMENT INFRASTRUCTURE PROJECT

FUNDING STATUS: NEW

Program Description: This project will provide a source of internal capital funds for new economic development projects in Suffolk County. Funding from this project can be used as offsets to support a variety of projects such as creation of a Traffic Violation Bureau (TVB), Red Light Cameras programs, and/or additional shelving racks at BOMARC for records retention in lieu of contracting record storage services. In conjunction CP 6424, *Jumpstart Suffolk*, this project will be an integral part of the County's new comprehensive economic development strategy to provide long term growth and economic prosperity in Suffolk County.

Operating Budget Impact: Budget impact cannot be determined until the particular project is identified.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 6424
CAPITAL PROGRAM TITLE: JUMPSTART SUFFOLK

FUNDING STATUS: NEW

Program Description: This project will provide a source of revenue for Suffolk County to quickly support various economic development projects that are shovel ready or are in the planning stages. Jumpstart Suffolk will be an integral part of the County's new comprehensive economic development strategy. Suffolk County has a number of roadblocks which impede a thriving economy, including a lack of both housing diversity and affordable housing, limited places of interest and even more limited transportation options. This project in conjunction with CP 6409, *Suffolk County Economic Development Infrastructure Project*, will provide funding for economic development projects including those which encourage job creation, mixed use housing, enhance public transportation and provide vibrant attractions. Examples of criteria that would be used to support economic projects from this project include:

- Project has a long term benefit and growth to Suffolk County
- Project would support infrastructure improvements
- Project has a environmental sustainable component
- Project is connected to a transportation component
- Project has a mixed use and housing diversity component
- Project creates a "place of interest"

Operating Budget Impact: Positive economic benefit would have a positive impact on the operating budget.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7007

CAPITAL PROGRAM TITLE: FENCING AND SURVEYING VARIOUS COUNTY PARKS

FUNDING STATUS: FUNDING ADVANCED

Program Description: This project provides funds for the installation of fencing at various County parks. New properties are acquired by the County and placed under the management of the Parks Department. Some of these sites need fencing to protect the public and to mitigate County liability. Other parks may require fencing of special activity areas. The cost of surveying, including beach profiling, is also provided for within this project. Other uses for fences include dog parks, crowd control, and special nesting areas.

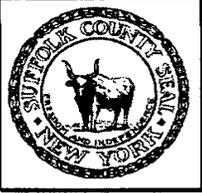

Operating Budget Impact: It is anticipated that this project will have minimal impact on the operating budget.

 AS AMENDED BY RESOLUTION 439-2012

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7009

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO CAMPGROUNDS

FUNDING STATUS: FUNDING RESCHEDULED AND REDUCED

Program Description: Suffolk County operates active use campgrounds and picnic areas which are heavily used by the public during the main park season (mid-May through mid-September) and, to a lesser extent, on a year-round basis. The parks offer a variety of activities such as rowing, hiking, fresh and saltwater fishing, baseball, tennis, handball, horseback riding and volleyball. Improved areas for group picnics, group camping and individual campsites are offered. Access to outer ocean beaches is available to 4WD vehicles with permits.

County active use parks offer, to varying degrees, parking areas, walkways, benches, playgrounds, restrooms and, in some areas, shower facilities. Despite the Department's best efforts to maintain these facilities, wear and tear, as well as age and weather require occasional refurbishment, renovation, and replacement of structures and facilities. Increasing demand and use also require the construction of new or expanded facilities.

This project provides funds for major renovation or replacement of restrooms, showers, playground equipment and other park facilities. Where the need exists, funds are requested for additional sanitary/shower facilities, additional campsites, expanded (or additional) playgrounds, and the addition of electric, sewer and water for campsites and the re-vegetation of campsite hardpan areas.

Operating Budget Impact: A positive impact on operating revenues should result related to new water and electric hook-ups at campsites.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7011

CAPITAL PROGRAM TITLE: HEAVY DUTY EQUIPMENT FOR COUNTY PARKS

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: The Parks Department is responsible for maintaining, managing and securing over 46,000 acres of land, 95 park facilities and over 200 historic structures.

This program provides funds to purchase needed heavy equipment. Existing equipment is often costly and difficult to maintain and it approaches the end of its useful life. Rental of replacement equipment or contracting out work is expensive.

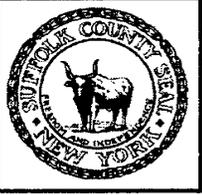

Equipment to be purchased under this project is specialized in nature and has a relatively long useful life, typically more than ten years. Types of equipment which might be purchased include heavy duty front end loaders, bulldozers, garbage compactor, surf beach rakes, mowers, trailers, four wheel drive specialty trucks, dump trucks, road sweepers, and other necessary equipment.

Operating Budget Impact: It is anticipated that there will be operating budget savings as a result of increased efficiency and less contracting out and renting of heavy equipment.

PROGRAM NO: 7011

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7050

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO PECONIC DUNES COUNTY PARK

FUNDING STATUS: NEW

Program Description: Peconic Dunes County Park is located in the Town of Southold and has operated as a children's summer camp since 1932. It is approximately 68 acres, mostly wooded, with a long stretch of sandy beach fronting Long Island Sound and containing access to a 32-acre spring fed fresh water lake. The grounds contain 24 buildings including a main office, maintenance building, dining hall, infirmary, cabins, bathrooms/showers and program spaces. For the past eight years, Cornell Cooperative Extension of Suffolk County has operated Peconic Dunes 4-H Camp at Peconic Dunes County Park.

The main emphasis would be on replacing or rehabilitating the current dining hall. Cornell Cooperative Extension which manages operations at the facility has proposed assisting Suffolk County in this effort.

Operating Budget Impact: This project will have minimal on the operating budget.

PROGRAM NO: 7050
 PROGRAM NAME: IMPROVEMENTS TO PECONIC DUNES COUNTY PARK
 STATUS: PRELIMINARY PLANNING

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7079

CAPITAL PROGRAM TITLE: IMPROVEMENTS AND LIGHTING TO COUNTY PARKS

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This project provides funding for general improvements at park facilities, paving improvements (such as the entrances, roadways, paths, and parking areas), and for installing new lighting systems (or upgrading older systems) where needed for safety and security purposes.

The Parks Department resurfaces parking areas and roadways as needed, and maintains older lighting systems. The normal life expectancy of lighting and paving dictates that these items be substantially replaced or upgraded over time. The Department also must address the lighting, paving, and general improvement needs of new properties acquired by the County and placed under the management of the Parks Department, as well as new expanded use areas of existing parks.

Operating Budget Impact: This project will minimally impact the operating budget. New, more efficient lighting fixtures can have a positive impact.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7096

CAPITAL PROGRAM TITLE: RESTORATION OF WEST NECK FARM (AKA COINDRE HALL), HUNTINGTON

FUNDING STATUS: NEW

Program Description: This project provides funding for the restoration of West Neck Farm - Coindre Hall, the boathouse, and other buildings on the property. West Neck Farm, the historically accurate name of the estate constructed by George McKesson Brown in the early 20th Century, is one of two "Gold Coast" estates owned by Suffolk County. After years of vacancy and use as a private school, the estate is being stabilized and gradually restored.

Due to recent efforts, much of the first floor and the attached gymnasium structure of the main building are being used by a variety of groups. A licensed concessionaire operates a successful catering business in the main building. The second floor of the main building is also used for a variety of purposes by a number of organizations.

The boathouse, which fronts the bay down the hill from the main building, is in need of complete restoration. This phase is currently being re-evaluated. Funding in 2013 is for studying options for the boathouse. Once options are identified, future funding could be proposed at that time.

Operating Budget Impact: There is minimal impact on the operating budget.

PROGRAM NO: 7096
 PROGRAM NAME: RESTORATION OF WEST NECK FARM (AKA COINDRE HALL), HUNTINGTON
 STATUS: PLANNING

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7099

CAPITAL PROGRAM TITLE: RECONSTRUCTION OF SPILLWAYS IN COUNTY PARKS

FUNDING STATUS: FUNDING RESCHEDULED AND INCREASED

Program Description: This project provides funding to plan, design and reconstruct spillways, dams, culverts and similar structures in various County parks and historic sites that are in danger of failing. These structures primarily control the flow of water in rivers, lakes and ponds. They are used to prevent flooding, control water levels and reduce erosion. Failure of these structures could result in the flooding of adjacent property, washing out of roadways and walkways, erosion endangering wildlife and habitat, eliminating recreational opportunities, creating breeding grounds for mosquitoes and changing the flow of rivers or the size and shape of lakes and ponds. Sites are identified in conjunction with SCDPW inspections.

Operating Budget Impact: The operating budget impact is minimal. The goal of the project is to help keep water levels stable and prevent intrusion into neighboring areas which will save on emergency pumping repairs and restoration.

PROGRAM NO: 7099

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7109

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO COUNTY MARINAS

FUNDING STATUS: FUNDED AS SCHEDULED AND REDUCED

Program Description: This project provides funding for improvements to County marinas. Funds are marked for rebuilding and/or replacement of existing facilities such as docks and walkways and for extension (or replacement) of water and electric hook-ups for boaters. Funds have also been requested to improve, replace or build additional public restrooms, pump-out stations, slips and other amenities. As part of this project, the department is also researching construction of boat launching ramps and canoe/kayak launches at other County facilities with access to water.

Operating Budget Impact: There is a positive operating budget impact due to the revenue potential that will be achieved from an increased number of slips available.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7145

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO NEWLY ACQUIRED PARKLAND

FUNDING STATUS: FUNDING RESCHEDULED

Program Description: This project provides funds for improvements to newly acquired parkland and open space. These properties often require the expenditure of funds for such things as removing debris, dilapidated or hazardous buildings or structures, environmental hazards and similar problems. It is also often necessary to install fencing, gates, boundary markings, and other devices to protect the general public and to protect sensitive environmental areas. The project will provide funds needed to stabilize, secure and/or remove structures as necessary.

Operating Budget Impact: It is anticipated that this project will reduce the need for emergency repairs out of the operating budget funds and improve public safety.

CAPITAL PROGRAM NO.: 7162

CAPITAL PROGRAM TITLE: RESTORATION OF SMITH POINT COUNTY PARK

FUNDING STATUS: FUNDING ADVANCED AND INCREASED

Program Description: This project provides funding for the restoration of Smith Point County Park. Planning and development of a master plan for the park areas have been completed. Smith Point is one of the County's most popular parks and the largest oceanfront beach. Located on Long Island's Fire Island barrier beach, Smith Point overlooks both the Great South Bay and the Atlantic Ocean. The park offers lifeguard protected swimming, public restrooms and showers, a food concession, campgrounds, fishing pier, and outer beach (four wheel drive) access for permitted saltwater fishing.

Operating Budget Impact: This project will have a positive operating budget impact. By enhancing the beauty and amenities of the park, it is anticipated that there will be an increase in revenues from patrons. It will also reduce the need to provide emergency repairs using operating funds.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7163

CAPITAL PROGRAM TITLE: BEACH REPLENISHMENT AT MESCHUTT COUNTY PARK

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This program will provide funding for beach replenishment at Meschutt County Park. The program will provide for the transport and deposit of sand along the shoreline as part of the Meschutt County Park beach replenishment, to protect the park's facilities.

Operating Budget Impact: There will be minimal impact on the operating budget.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7166

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO COUNTY GOLF COURSES

FUNDING STATUS: FUNDING ADVANCED AND INCREASED

Program Description: This project provides funding for improvements to County golf courses. The Parks Department operates and maintains three golf courses: West Sayville, Timber Point and Indian Island (a fourth, Bergen Point, is operated and maintained by a licensed concessionaire). The funds provided under this project are used to make major improvements which cannot be accomplished in the normal maintenance schedule.

Improvements include the following:

West Sayville and Indian Island: Miscellaneous greens, tees, bunkers and fairway improvements, erosion control, maintenance to prevent flooding and additional landscaping as necessary in the coming years, as well as major improvements to the irrigation system.

Timber Point: Funding provided under this project was used to install rock gabions along the shoreline to control erosion from the tidal action. Fairways in the areas prone to flooding were elevated to alleviate flooding. Drainage ditches and floodgates will be constructed to direct water flow and prevent back flow from the bay from flooding the course. Tee boxes, greens, fairways, sand traps and bunkers will be rebuilt. Additionally, water levels at various ponds located on the course will be stabilized. Although many improvements have been completed over the last several years there are still areas where similar work needs to be done. Additionally, re-vegetation of hardpan areas, landscaping, including trees and other improvements, will continue along with drainage improvements. These activities will result in the overall improvement in the appearance as well as the playability of the course.

Operating Budget Impact: Fees collected at the golf courses provide a substantial source of revenue for the County. It is anticipated that improvements to the golf courses will sustain as well as enhance revenues.

CAPITAL PROGRAM NO.: 7169

CAPITAL PROGRAM TITLE: COMPUTERIZED RESERVATION SYSTEM (POS) IN COUNTY PARKS

FUNDING STATUS: 2012 MODIFIED/ADOPTED AND REDUCED

Program Description: This project provides for an upgrade to the existing computerized reservation / point-of-sale (POS) system in County parks. The upgrade will be geared toward making the reservation system more user friendly, with the goal of eliminating errors. The project works in conjunction with Capital Project 7186 which provides for upgrades including replacing aging equipment, such as: computers, green key card printers, and cameras. This project will purchase software for hand-held devices for locations where there is no POS station, such as West Hills, Blydenburgh, and Southaven.

Operating Budget Impact: The software upgrade would provide greater efficiencies of staff and safeguard revenue.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7173

CAPITAL PROGRAM TITLE: CONSTRUCTION OF MAINTENANCE AND OPERATIONS FACILITIES

FUNDING STATUS: 2012 MODIFIED/ADOPTED AND REDUCED

Program Description: This project provides funding for the design and construction of new facilities to support the operation and maintenance of several of the County's largest and busiest parks.

The planned new facilities will provide proper storage space for consumable supplies, small shop areas for repairs which will allow work to be done during inclement weather, and equipment and tools to be stored securely indoors to reduce weather related wear and tear and vandalism. At the golf courses, approved pesticide storage buildings and required rinsate facilities will also be constructed to ensure compliance with environmental regulations. The current funding is for the West Sayville maintenance facility.

Operating Budget Impact: The estimated operating budget costs for this project are minimal.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7184

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO WATER SUPPLY SYSTEMS IN COUNTY PARKS

FUNDING STATUS: FUNDING RESCHEDULED AND REDUCED

Program Description: This project provides funding for the replacement of well water with public water at various park facilities, the replacement of the water mains and distribution systems, the improvement of filtration systems, and the addition of RPZ valves where required and replacement of other water supply infrastructure. Because of the expansion of park areas used by the public, especially in campground areas, water mains will be extended to meet increasing demand.

Operating Budget Impact: This project will have minimal impact on the operating budget.

CAPITAL PROGRAM NO.: 7186

CAPITAL PROGRAM TITLE: EQUIPMENT FOR REVENUE COLLECTION AT PARK FACILITIES

FUNDING STATUS: 2012 MODIFIED/ADOPTED AND REDUCED

Program Description: This project provides funds to purchase enhancements to updated revenue collection equipment at various park facilities, enabling improvements to be made to internal control systems. Included will be cameras, toll gates, associated software, green key card printers, and other security equipment. The Department will be looking to purchase hand-held scanners with this project. These will interface with software purchases under CP 7169. The Department has also been awarded a Community Enhancement Facilities Assistance Program ("CEFAP") matching grant to fund various infrastructure improvements of the computerized reservation system.

Operating Budget Impact: This project is expected to increase productivity and efficiency.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7188

CAPITAL PROGRAM TITLE: ENERGY SAVINGS/PARKS COMPLIANCE PLAN

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: This program provides funding for a survey of the County park buildings for cost effective implementation of energy saving improvements. Surveys have been accomplished using both Long Island Power Authority (LIPA) and Suffolk County Department of Public Works (SCDPW) resources. In addition, the program provides for the implementation and construction of energy savings projects at Parks Department facilities.

Operating Budget Impact: This project should reduce energy costs as new equipment is put into service and therefore has a positive operating budget impact.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7189

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO NORTH FORK COUNTY PRESERVE PARK

FUNDING STATUS: NEW

Program Description: The recently acquired North Fork Preserve is a 300-acre County Park located in Northville, Town of Riverhead. Prior to the development of the formal park infrastructure and amenities, a Comprehensive Analysis (Master Plan) of the entire site will be undertaken in mid to late 2013. Once a master plan is approved, and cost estimates known; future funding can be scheduled at that time. Proposed uses include, but are not limited to: camping, seasonal cabins, multi-use trails, and an equestrian center.

Operating Budget Impact: There should be minimal impact to the operating budget.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7433

CAPITAL PROGRAM TITLE: RESTORATION OF DRIVEWAYS, GUTTERS AND CATCH BASINS AT SUFFOLK COUNTY
VANDERBILT MUSEUM

FUNDING STATUS: FUNDING RESCHEDULED

Program Description: This program provides for the continuing restoration of driveways, gutters, catch basins and walkways at the Suffolk County Vanderbilt Museum.

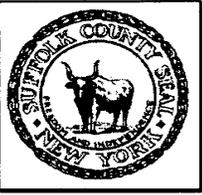

Operating Budget Impact: Under Local Law No. 34-2009 the reauthorization of the Suffolk County Hotel Motel Tax, the Vanderbilt Museum is to receive a percentage of the Hotel Motel Tax collected. The County, by providing this revenue stream for the next six years, is assisting the Vanderbilt with the daily operating expenditures in expectation that the endowment will recover its value after the recent economic downturn. This project will have a minimal impact on the operating budget. It will offset the need for larger and more expensive rehabilitation project.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7445

CAPITAL PROGRAM TITLE: REWIRING OF HISTORIC BUILDINGS AT SUFFOLK COUNTY VANDERBILT MUSEUM

FUNDING STATUS: 2012 MODIFIED/ADOPTED

Program Description: This project provides funding for the installation of new wiring, electrical circuits, equipment and related components at the Vanderbilt Mansion complex, Marine Museum, Education Building, Power House, Curator's Cottage, Boathouse and two workshops at the Suffolk County Vanderbilt Museum. Installation of appropriate conservation lighting within exhibit areas of the Memorial Wind, Habitat and Marine Museum is also included. This project will also provide electrical energy and cost savings per LIPA Energy Audit of 2009.

Operating Budget Impact: Under Local Law No. 34-2009 the reauthorization of the Suffolk County Hotel Motel Tax, Vanderbilt is to receive a percentage of the Hotel Motel Tax collected. The County, by providing this revenue stream for the next six years, is assisting the Vanderbilt with the daily operating expenditures in expectation that the endowment will recover the catastrophic losses it has sustained. This project will have a minimal impact on the operating budget moving forward.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 7510

CAPITAL PROGRAM TITLE: HISTORIC RESTORATION AND PRESERVATION FUND

FUNDING STATUS: FUNDING ADVANCED AND INCREASED

Program Description: Funding in this program will be used, in part, to reinforce earlier stabilization efforts and to begin, continue, and complete restoration of important historic structures.

The Historic Services Division within the Parks Department is responsible for maintaining, restoring, and operating properties and structures which are dedicated to the County's Historic Trust and, in many cases, listed on the National Register of Historic Places. The Department strives to restore these structures and make them accessible to the public. The Historic Services inventory includes more than 200 structures of which about 100 are considered significant. These include the Saint James General Store, Deepwells Farm, the Big Duck, the John E. Roosevelt Estate (Meadowcroft), several structures in the Blydenburgh Historic District, Third House, Black Duck Lodge, the Yaphank Historic District, Sagtikos Manor and active use estates at West Sayville and Timber Point Golf Courses. Additional properties are acquired by the County either through purchase or by donation.

This project provides funds to stabilize vacant structures, thereby preventing further deterioration, and to gradually restore some of the more significant buildings to make them available for public use. Wherever possible, County funds are used as matching funds for State or Federal grants.

Operating Budget Impact: It is anticipated that this project will reduce the need to use operating budget funds for emergency repairs and will enhance tourism revenue.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 8108

CAPITAL PROGRAM TITLE: OUTFALL AT SEWER DISTRICT #3 - SOUTHWEST

FUNDING STATUS: FUNDING RESCHEDULED AND INCREASED

Program Description: This project provides funding for the outfall pipe between the Southwest Sewer District plant and Fire Island. Cathodic protection, acoustical monitoring, and structural evaluation of the outfall are complete. Design of the replacement outfall and supporting field work has been initiated and environmental approvals will be requested.

The \$203 million that is included in the Capital Program through SY reflects the revised cost projection for the replacement of the outfall pipe (total estimate cost is now \$242 million vs. the original estimate of \$150 million). The multi-step process towards reconstruction or replacement is underway but, as noted in the Budget Review Office's Review of the 2011-2013 Capital Program, it is expected that the selection and finalization of a preferred alternative, permitting, public hearing, findings and determinations, SEQRA, and DEC approval will take a number of years to complete. It is very questionable as to whether the more expensive option available for this project will even be accepted by the DEC. During this time it is likely that the cost projection for this project will fluctuate. Even upon final selection of the preferred alternative, construction options and methods will be examined and value engineering will be applied in order to reduce and determine the final cost projection of the project.

\$35 million was appropriated in 2011 for the construction and upgrade of the pumps and pump station that is essential for the initial stage of the outfall pipe project. Given the magnitude of and process for this project, if there are additional appropriations required it will not be until the latter years of the 2013-2015 Capital Program including Subsequent Years.

Operating Budget Impact: The construction management for all four projects for the following Southwest Sewer District capital projects will be funded from Operating Fund 405 (Southwest Assessment Stabilization Reserve):

- CP 8108 (Final Effluent Pump Station-Outfall System)
- CP 8132 (Southwest Ultraviolet)
- CP 8170 (Southwest Improvements-Grit)
- CP 8183 (Southwest Expansion)

CAPITAL PROGRAM NO.: 8110

CAPITAL PROGRAM TITLE: FLOW AUGMENTATION NEEDS STUDY AT SCSD #3 - SOUTHWEST

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: This project will provide funds to augment stream flows and lake levels in Sewer District No. 3 to mitigate predicted reductions in ground water contributions to the surface waters due to the sanitary sewerage program.

Operating Budget Impact: The cost associated with the operation and maintenance of a groundwater pumping station (labor, power and materials) will be incurred by the Sewer District.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 8115

CAPITAL PROGRAM TITLE: SEWER DISTRICT NO. 5 - STRATHMORE HUNTINGTON

FUNDING STATUS: 2012 MODIFIED/ADOPTED

Program Description: This project will provide funding for improvements to Sewer District No. 5, Strathmore Huntington.

Phase I - Improvements to sewerage system including pump stations and force mains including restoring the area disturbed by construction

Phase II - Cover equalization and sludge holding tank, including an odor control system

Phase III - Replacement and rehabilitation of pump stations' force mains

Operating Budget Impact: This project will have a positive operating budget impact by reducing collection system emergencies and by using a more efficient operating system.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 8117

CAPITAL PROGRAM TITLE: SUFFOLK COUNTY SEWER DISTRICT NO. 11 - SELDEN

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: This project will provide improvements to Suffolk County Sewer District No. 11 - Selden.

Phase I - Screening improvements and sludge thickening system installation has reduced the number of sludge disposal trucks. Completed December 2011

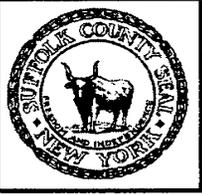

Phase II - Collection system repairs, replacements and upgrades which will provide reliability to the system and prevent overflows and failings

Operating Budget Impact: This project will have a positive operating budget impact.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 8118

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO SCSD #14 - PARKLAND

FUNDING STATUS: FUNDING RESCHEDULED

Program Description: This project will provide the funds to make improvements to Suffolk County Sewer District No. 14 - Parkland. These include the following phases:

- **Phase I** - Rehabilitation and improvement to the denitrification return sludge system and miscellaneous infrastructure—Completed 2011
- **Phase II** - Sludge system modification, infrastructure and hydraulic improvements
- **Phase III** - Odor Control digester tank covers
- **Phase IV** - Recharge System (off-site)

Operating Budget Impact: No impact from Phase I and II. Phase III will require additional chemicals. Phase IV will require pumping and preventive maintenance on pumps, force main and recharge beds.

CAPITAL PROGRAM NO.: 8119

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO SCSD #7 - MEDFORD

FUNDING STATUS: 2012 MODIFIED/ADOPTED AND INCREASED

Program Description: This project will provide funding for improvements to Suffolk County Sewer District No. 7 - Medford.

Phase I - Rehabilitation Pump Station #4 influent line completed

Phase II - Infrastructure improvement including clarifier rehabilitation initiated. Included is odor control evaluation and sludge improvement

Phase III - Additional infrastructure improvements including settling tanks, instrumentation, aeration and process/equipment reliability at Twelve Pines

Phase IV - Woodside plant including recharge improvements

Operating Budget Impact: The operating budget will be increased due to the purchase of additional chemicals and power.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 8121

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO SCSD #21 - SUNY AT STONY BROOK

FUNDING STATUS: FUNDING RESCHEDULED AND INCREASED

Program Description: This project funds improvements that will satisfy the permit limits to reduce nitrogen discharge to Long Island Sound and insure adequate capacity is available for SUNY growth.

- **Phase I** - Construction of interior recharge facility (completed 2010) and installation of new emergency generator (on-going)
- **Phase II** - Upgrade of the Waste Water Treatment Plant (WWTP) to meet nitrogen units as mandated by EPA and NYSDEC. (Design complete, environmental review underway).
- **Phase III** - Acquisition of land for recharge.

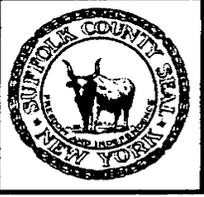

Operating Budget Impact: This project will have a minimal impact on the operating budget. For this project, SUNY share approximately is 80% of cost, while SCSD's 10, 19, and Brookhaven No. 1 cover remaining share.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 8126

CAPITAL PROGRAM TITLE: IMPROVEMENTS TO SEWER DISTRICT NO. 18 - HAUPPAUGE INDUSTRIAL

FUNDING STATUS: FUNDING INCREASED

Program Description: This project will provide additional funding to abandon Heartland's Sewage Treatment Plant (STP), and construct a new Pump Station and Force Main to the ITT site where a new larger capacity and improved STP will be located. Increased capacity will be allocated to the existing district and the expansion will allow service area boundaries to be extended. Sewer and pump station construction is necessary along with land acquisition for remote pumping stations.

- **Phase I** - Waste Water Treatment Plant construction. This phase of the project is currently underway.
- **Phase II** - Sewer collection system and pump station construction.

Operating Budget Impact: This project will result in an increase to the operating budget when fully completed.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 8132

CAPITAL PROGRAM TITLE: SEWER DISTRICT NO. 3 - SOUTHWEST, ULTRAVIOLET DISINFECTION

FUNDING STATUS: 2012 MODIFIED/ADOPTED

Program Description: This project will provide funds for the construction of an ultraviolet disinfection system to replace the current sodium hypochlorite system. The project would meet the pending total residual chlorine limit and eliminates the need for chemical disinfection and dechlorination and construction of a chlorine contact tank for peak flows. 2012 appropriation will be for project labor agreement and inspection services.

Operating Budget Impact: The construction management for all four projects for the following Southwest Sewer District capital projects will be funded from Operating Fund 405 (Southwest Assessment Stabilization Reserve):

- CP 8108 (Final Effluent Pump Station-Outfall System)
- CP 8132 (Southwest Ultraviolet)
- CP 8170 (Southwest Improvements-Grit)
- CP 8183 (Southwest Expansion)

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 8153

CAPITAL PROGRAM TITLE: SEWER EXPANSION FOR THE SMITHTOWN, AND KINGS PARK, MAIN STREET COMMERCIAL AREA

FUNDING STATUS: FUNDED AS SCHEDULED

Program Description: The engineering estimate of this project is estimated to be \$80 million. This project will be for the creation of a new sewer district or the extension of the current Sewer District No. 6, Kings Park to service the Smithtown and Kings Park Main Street commercial area. The County will continue to seek Federal funding to progress this project and offset the potential cost to the commercial area that it will serve.

Operating Budget Impact: This project will have a major impact on the operating budget if it is advanced.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 8156

CAPITAL PROGRAM TITLE: RONKONKOMA HUB SEWER PROJECT

FUNDING STATUS: NEW

Program Description: The Ronkonkoma Hub is a major transit oriented development project currently being planned by the Town of Islip and Town of Brookhaven. A private developer will construct a mix of residential, retail, and office space on approximately 50 acres of land north of MacArthur Airport and the Ronkonkoma train station. Suffolk County has committed to constructing the sewer plant needed for the project.

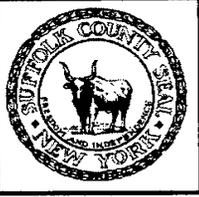

Operating Budget Impact: The project will have a minimal operating budget impact. Once complete, the debt service for the sewer district will be paid by those who reside and/or own inside the district boundaries.

PROGRAM NO: 8156
 PROGRAM NAME: RONKONKOMA HUB SEWER PROJECT

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 8164

CAPITAL PROGRAM TITLE: SEWER FACILITY MAINTENANCE EQUIPMENT PURCHASE FOR VARIOUS SUFFOLK COUNTY
SEWER DISTRICTS

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This project provides funding for periodic fleet/equipment replacement required for the operation and maintenance of County sewage systems. The fleet consists of over 100 pieces of equipment ranging from tanker trailers to support vehicles. This equipment is used for maintenance of County sewage treatment plants and collection system facilities.

Operating Budget Impact: This project will have a positive impact on the operating budget by providing the equipment needed to operate, maintain and respond to sewerage facility needs. Repair costs as equipment approaches the end of its useful life can be very expensive.

2013 CAPITAL BUDGET AND 2013 - 2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 8181

CAPITAL PROGRAM TITLE: INFLOW/INFILTRATION STUDY/REHABILITATION & INTERCEPTOR MONITORING AT SEWER DISTRICT NO. 3- SOUTHWEST

FUNDING STATUS: FUNDING RESCHEDULED

Program Description: This project provides funding in Sewer District No. 3 Southwest for the following:

Phase 1 - Perform a sewer system Inflow/Infiltration (I/I) study with sewer rehabilitation to correct deficiencies for a pilot area; install sewer interceptor monitoring equipment at 26 locations, which will provide continuous flow data with permanent primary weir level instruments, continuous electro-chemical instrument water quality monitoring and auto sampling; Capacity, Management, and Operation and Maintenance (CMOM) regulations will be addressed

Phase 2- Perform I/I program for extended portions of service area in high groundwater areas

Operating Budget Impact: The reduction and elimination of extraneous flows will result in decreased volume and corresponding reductions in operating costs.

PROGRAM NO: 8181
 PROGRAM NAME: INFLOW/INFILTRATION STUDY/REHABILITATION & INTERCEPTOR MONITORING
 AT SEWER DISTRICT NO. 3- SOUTHWEST
 STATUS: DESIGN AND CONSTRUCTION

PROGRAM: HOME AND COMMUNITY SERVICES: SANITATION
 DEPARTMENT: PUBLIC WORKS
 LOCATION: TOWNS OF BABYLON, ISLIP AND HUNTINGTON

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 8220

CAPITAL PROGRAM TITLE: UNDERGROUND INJECTION CONTROL (UIC) MANAGEMENT PROGRAM

FUNDING STATUS: FUNDING RESCHEDULED

Program Description: Recently enacted USEPA regulations now require registration and possible modifications to all underground injection well systems, whether they be for sanitary or for storm water runoff. This program seeks to develop a database of all required information such as coordinates of all wells and pools for all County facilities and to aide in making the modifications necessary to be in compliance with Federal regulations. Funding can be advanced once priorities are established.

Operating Budget Impact: There is no impact on the operating budget.

2013 CAPITAL BUDGET AND 2013 -2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 8223

CAPITAL PROGRAM TITLE: BROWNFIELDS PROGRAM

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: The Brownfields Pilot Program for Suffolk County was established by Legislative Resolution No. 527-1998 entitled, "*Establishing a Brownfield Policy for the County of Suffolk,*" which was adopted by the Suffolk County Legislature in the Fall of 1998. This program provides for the cleanup of contaminated properties within Suffolk County. The properties, once cleansed of all contamination, can be returned to useful service. Going forward, Suffolk County will strive to minimize use of taxpayer dollars for this purpose. The County is in the process of submitting an application to New York State's Empire State Development Corporation for authorization of a Suffolk County Land Bank Corporation, a not-for-profit entity that gives the County discretion to acquire and sell brownfields for development purposes. The recently adopted State Land Bank Law encourages developers to purchase properties by allowing them to be sold at prices lower than the outstanding tax liens; however, the developer is responsible for the remediation.

Operating Budget Impact: There is a positive operating budget impact associated with this project which will be realized as the county sells the properties and gets them back on tax rolls, or leases the properties (e.g. APDD site at Gabreski).

PROGRAM NO: 8223
 PROGRAM NAME: BROWNFIELDS PROGRAM
 STATUS: REMEDIATION OF BROWNFIELD SITES

PROGRAM: HOME AND COMMUNITY SERVICES: WATER SUPPLY

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 8235
CAPITAL PROGRAM TITLE: PECONIC BAY ESTUARY PROGRAM

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: The National Estuary Program, administered by the USEPA, was established by the Clean Water Act Amendment of 1987 (Section 320) "to promote long term planning and management in estuaries threatened by pollution, development, and overuse." The Peconic Estuary Program (PEP) is one of twenty-eight nationally significant estuaries in the program, which is designed to protect and improve water and sediment quality and living resources.

The funding in this program represents the County-funded portion of the Peconic Estuary Program, which is part of the required match for the National Estuary Program funds.

Operating Budget Impact: There is minimal operating budget impact associated with this project.

2013 CAPITAL BUDGET AND 2013-2015 CAPITAL PROGRAM

CAPITAL PROGRAM NO.: 8237

CAPITAL PROGRAM TITLE: WATER RESOURCE MANAGEMENT

FUNDING STATUS: FUNDED AS SCHEDULED AND INCREASED

Program Description: This project provides funding to protect the public water supply by implementing of the Suffolk County Comprehensive Water Resources Management Plan which is being completed. This plan is recommending approaches to solving significant new issues that have emerged over the more than two decades since the last plan update in 1987. It includes the need to provide additional protections to limit degradation of the groundwater resource while accommodating Smart Growth, workforce housing and sustainable growth initiatives. Approaches include limitations on unsewered density, open space protection, transfer of development right (TDR) programs and innovative sewage collection and treatment systems. Implementation of these recommendations will require the county, towns and villages to develop detailed proposals, which will require sophisticated design input on nitrogen and other impacts from TDRs and sewerage, as well as technical assessments utilizing the County's groundwater quality model.

Operating Budget Impact: There is minimal operating budget impact associated with this project.
