## MANAGEMENT'S DISCUSSION AND ANALYSIS

This discussion and analysis of the Suffolk County Judicial Facilities Agency's (the Agency) financial performance provides an overview of the Agency's financial activities for the fiscal year ended December 31, 2014. Please read this in conjunction with the basic financial statements and the accompanying notes to those financial statements.

### Financial Highlights:

- At December 31, 2014, the total assets of the Agency were \$67,554,072, the total liabilities were \$68,346,523 and the Agency's net position was \$(792,451).
- The Agency's total assets decreased by \$1,728,709 in 2014. The decrease in total assets is primarily due to the increase in accumulated depreciation of the building due to annual depreciation expense. The Agency's total liabilities decreased by \$2,041,979, principally due to the repayment of bonds.
- The Agency's net position increased by \$313,270.

### Basic Financial Statements:

- The financial statements presented herein include all of the activities of the Agency.
- The financial statements present the financial picture of the Agency, which is an enterprise type fund and, accordingly, reflects business-type activities. These statements include all assets and liabilities of the Agency.
- The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the financial statements. The notes to the financial statements can be found immediately following the financial statements.
- The Statement of Net Position and Statement of Revenues, Expenses and Changes in Net Position report information about the Agency as a whole and about its activities. These statements include all assets, deferred outflows, liabilities and deferred inflows of the Agency using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Agency's net position and changes in net position. Net position represents the residual of assets, plus deferred outflows of resources, less liabilities, less deferred inflows of resources, which is one way to measure the Agency's financial health or financial position. Over time, increases or decreases in the Agency's net position is one indicator of whether its financial health is improving or deteriorating.

**Analysis of Financial Position and Results of Operations:**

The Agency's 2014 net position increased by \$313,270 as compared to the 2013 net position. This increase is due to the operating revenue, which consists of rental income, exceeding the operating expenses and non-operating expenses of the Agency.

### **Analysis of Balances and Transactions:**

As mentioned on page i, the Agency's assets and liabilities decreased in 2014. Key components of these changes are as follows:

- The Agency received rental income of \$5,212,976 from Suffolk County.
- The Agency paid principal of \$2,165,806 towards the bonds payable.

### **Budgetary Analysis:**

The Agency is required to adopt a budget in accordance with the Public Authorities Accountability Act.

### **Capital Asset and Long-Term Debt Activity:**

#### **Capital Assets**

The Agency did not acquire any capital assets during the year ended December 31, 2014. Depreciation charged to expense in 2014 totaled \$1,670,372.

#### **Long-Term Debt**

During 2014, the Agency made principal payments of \$2,120,000 on the outstanding bonds payable.

## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors  
Suffolk County Judicial Facilities Agency

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Suffolk County Judicial Facilities Agency (the Agency), a New York State Public Benefit Corporation, as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements as listed in the table of contents.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

To the Board of Directors  
Suffolk County Judicial Facilities Agency

## **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Agency as of December 31, 2014 and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **OTHER MATTERS**

### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis and budgetary comparison information on pages i through iii and Page 19 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated March 16, 2015, on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

## NOTES TO FINANCIAL STATEMENTS

### 1. Summary of significant accounting policies:

The general purpose financial statements of the Suffolk County Judicial Facilities Agency (the Agency) have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant of the government's accounting policies are described below.

#### Financial reporting entity:

The Agency was originally created by Chapter 200 of the Laws of New York, 1999, as a corporate governmental agency and public benefit corporation of the State of New York, authorized to acquire, erect, build, alter, improve, extend, renovate, rehabilitate or relocate the John P. Cohalan Court Complex or any part thereof for among other uses, lease to the County for use by the County and the State for judicial purposes. The laws of New York, 2013, Chapter 351, an act to amend the public authorities' law, extended the Agency's authority to acquire the H. Lee Dennison Building from Suffolk County and enter into a lease agreement with Suffolk County.

The Agency raises funds to accomplish its purposes by issuing its special obligation bonds. The Agency is perpetual in duration and its corporate existence shall continue until terminated by law, provided that so long as bonds of the Agency are outstanding, provision must be made for their payment.

The Agency is governed by a six member Board of Directors whose members are appointed by the Suffolk County Legislature and the Suffolk County Executive and is considered a separate entity from Suffolk County.

All governmental activities and functions performed for the Agency are its direct responsibility. No other governmental organizations have been included or excluded from the reporting entity.

The financial reporting entity includes functions and activities over which appointed Agency directors exercise oversight responsibility. Oversight responsibility is determined on the basis of financial interdependency, selection of governing authority, designations of management and ability to significantly influence operations and accountability for fiscal matters.

# Suffolk County Judicial Facilities Agency

## NOTES TO FINANCIAL STATEMENTS

### 1. Summary of significant accounting policies (continued):

#### Basis of accounting:

The financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. This basis of accounting and measurement focus emphasizes the measurement of net income similar to the approach used by commercial enterprises and revenues are recorded when earned and expenses are recorded when incurred.

The Agency's financial statements are presented in accordance with GASB No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments*.

#### Uses of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Cash and cash equivalents:

For purposes of the Statement of Cash Flows, investments with maturities of three months or less when purchased are considered cash equivalents.

#### Capital assets:

Capital assets are stated at cost. The Agency's policy is to capitalize assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year. Depreciation has been provided using the straight-line method over the useful lives of the assets. Management has estimated the useful life of the building to be forty years.

#### Restricted assets:

Certain proceeds of the lease revenue bonds, as well as certain resources set aside for their repayment, and other funds provided for Agency operations and contingencies, are classified as restricted in the Statement of Net Position, because their use is limited for the purposes and under the terms and conditions set forth in the Lease Revenue Bond Resolution adopted September 10, 2013.

# Suffolk County Judicial Facilities Agency

## NOTES TO FINANCIAL STATEMENTS

### 1. Summary of significant accounting policies (continued):

#### Advertising costs:

Advertising costs are charged to operations when incurred.

#### Long-term debt:

The Agency has issued lease revenue bonds to pay for the cost of acquiring the H. Lee Dennison Building from Suffolk County, to fund certain reserves and to pay costs related to the issuance of the Series 2013 bonds. The bonds are secured by a Mortgage, Assignment of Rents and Security Agreement. The acquired building has been leased back to Suffolk County under a lease agreement, which provides for a base rent equal to the annual debt service on the bonds. The Agency is fully obligated to repay the bonds. Accordingly, the bonds are reported as a liability in the accompanying financial statements.

#### Bond premium:

The original issue premium on bonds is being amortized using the straight-line method over the life of the bonds.

#### Budget policies:

An annual budget is prepared and adopted by the Agency's Board of Directors.

### 2. Cash and cash equivalents:

The Agency's investment policies are governed by its enabling statute and the Lease Revenue Bond Resolution adopted September 10, 2013. The Agency's moneys held in accounts under the provisions of the Lease Revenue Bond Resolution are to be invested in government obligations or non-AMT, tax-exempt obligations; provided, however, that each such investment shall permit the moneys so deposited or invested to be available for use at the times at which the Agency reasonably believes such moneys will be required for its various purposes.

All cash held in accounts under the provisions of the Lease Revenue Bond Resolution shall be continuously and fully secured, for the benefit of the Agency and the holders of the bonds, by U.S. government obligations having a market value equal at all times to the amount of the deposits held in such accounts.

# Suffolk County Judicial Facilities Agency

## NOTES TO FINANCIAL STATEMENTS

### 2. Cash and cash equivalents (continued):

GASB Statement 40 requires that deposits and investment securities be disclosed as exposed to custodial credit risk if they are not covered by depository insurance and the deposits are either:

- Uncollateralized,
- Collateralized with securities held by the pledging financial institution in the Agency's name, or
- Collateralized with securities held by the pledging financial institution's trust department or agent, but not in the Agency's name.

The Agency's cash accounts at December 31, 2014 were entirely covered by the Federal Deposit Insurance Corporation (FDIC). The Agency's cash equivalents were not secured by collateral.

The following are the components of the Agency's cash and cash equivalents at December 31, 2014:

# Suffolk County Judicial Facilities Agency

## NOTES TO FINANCIAL STATEMENTS

### 5. Mortgage:

The Agency has entered into two mortgage agreements. One mortgage secures up to \$24,000,000 of the principal amount of the lease revenue bonds, which will be covered by title insurance. The other mortgage secures up to \$45,080,000 of the principal amount of the lease revenue bonds, which will not be covered by title insurance.

### 6. Economic dependency:

The Agency receives a majority of its revenue from Suffolk County in the form of rent income. A significant reduction in the level of this support, if it were to occur, may have an effect on the Agency's purpose. During the year ended December 31, 2014, the Agency received rent of \$5,212,976.

### 7. Lease:

The Agency, under a long-term lease agreement dated November 14, 2013, leases the H. Lee Dennison Building to Suffolk County for use by the County. The lease will terminate on the earlier to occur of (a) December 31, 2033 or (b) the discharge or defeasance of all of the Lease Revenue Bonds, Series 2013 and the discharge of all of the Agency's obligations under the bond resolution, unless terminated earlier in accordance with the terms of the lease.

Under the terms of the lease agreement, there are three elements to the rent: Basic Rent, Administrative Rent and Supplemental Rent. Basic Rent is a fixed amount payable on March 2 and September 2 of each year of the lease agreement in accordance with the Basic Rent Schedule.

In addition to Basic Rent, the County covenants to pay as Administrative Rent on or before January 1 of each year, an amount equal to the "Operating Cap" (Operating Cap means \$85,000, inflated in each subsequent calendar year after 2014 by the greater of 3% or the CPI Increase, which inflated amount shall be included in the Administrative Rent payable during each calendar year that commences after December 31, 2014).

In the event that, in any Bond Year (a period of twelve (12) consecutive months beginning November 2 in any calendar year and ending on the succeeding November 1), the Agency shall incur operating expenses in amounts that would cause the amount in the Contingency Fund to be less than the Contingency Fund Requirement then, within thirty (30) days after notice thereof, the County covenants to pay to the Agency as

### 8. Net position:

The Agency's net position has three components, 1) invested in capital assets, net of related debt, 2) restricted, and 3) unrestricted.

Net position classified as invested in capital assets, net of related debt, consist of capital assets, net of accumulated depreciation and reduced by the outstanding balances of any debt that is attributable to the acquisition, construction or improvement of those assets.

Restricted net position represents constraints on resources that are either externally imposed by creditors, grantors, contributors or laws or regulations of other governments or imposed by law through State statute.

The Agency's restricted net position represents certain proceeds of the lease revenue bonds, as well as certain resources set aside for their repayment and other funds provided for Agency operations and contingencies by Suffolk County, which are limited for the purposes and under the terms and conditions set forth in the Lease Revenue Bond Resolution, adopted September 10, 2013.

Unrestricted net position consists of net position that does not meet the definition of "restricted" or "invested in capital assets, net of related debt".

### 9. Related party transactions:

On November 14, 2013, the Agency purchased the H. Lee Dennison Building from Suffolk County for \$68,528,875. On November 14, 2013, the Agency entered into a lease agreement with Suffolk County whereby Suffolk County leased back the H. Lee Dennison Building for a twenty-year term with rent payable in accordance with the schedule presented in Note 7. In 2014, Suffolk County paid rent of \$5,212,976 to the Agency.
