(Hauppauge, NY – July 24, 2013) **The Suffolk County Human Rights Commission and the members of the County's Anti-Bias Task Force express their outrage at the alleged anti-gay assault that occurred on the streets of Babylon Town this past weekend.** “We would like to believe that people are beyond such behavior, but this event only underscores the need for individuals and communities to continue working on respecting all others, regardless of who they are, or what their sexual orientation, race, religion, or ethnicity may be,” said, Rabbi Dr. Steven A. Moss, Commission Chair and Task Force Co-Chair.
