Suffolk County Parks Season Kick Off Update!

ANNOUNCEMENT:
**GREAT new change made to the
Reservation System to better
accommodate our patrons when
making reservations!**

Camping reservations can now be made 2 to 90 days in advance of your check in date!

Starting Saturday, 2/25/2017, the reservation system is now open up to 2 days prior to your desired check in date. (Previously, you could only make reservations 7 days prior to check in). We have made this change thanks to the input of many of our campers and their desire to have the flexibility to make plans without having to run the risk of "walking up" at the park.

Happy camping!
