

NYSDEC Endorsed 4-Hour Erosion and Sediment Control Training

April 16th, 2018 10:00 A.M. - 3:00 P.M.

Under the NYS Department of Environmental Conservation's Stormwater Permit GP-0-15-002, all developers, contractors, and subcontractors must identify at least one *trained individual** from their company that will be responsible for implementation of the SWPPP, and have at least one *trained individual* on site on a daily basis when soil disturbance activities are being performed. In addition, developers must have a *qualified inspector** conduct regular site inspections in accordance with GP-0-15-002.

***Qualified inspectors and trained individuals** must have 4 hours of training in the principles and practices of erosion and sediment control endorsed by NYS DEC, SWCD, or CPESC Inc. (Training is valid for 3 years.) Training is **not** required for CPESC, RLA, and PE certified persons.

LOCATION:

Cornell Cooperative Extension Building
423 Griffing Avenue
Riverhead, NY 11901

COST: \$100 per person, **NON – REFUNDABLE**

Includes; Refreshments, Training Materials, a Completion Certificate & Certified ID Card.
REGISTRATION and PRE-PAYMENT REQUIRED; trainee application and payment must be received by Friday 4/11/2018. Only checks or money orders payable to Suffolk County Soil and Water Conservation District will be accepted. NO CASH. Space is limited to the first 100 registrants. Application must use registrant's personal address, phone number, and E-Mail address.
