Medford, May 9: Leg. Rob Calarco was pleased to spend an evening celebrating the many academic, creative, and civic accomplishments achieved by students in the Patchogue-Medford School District. An Evening of Patchogue-Medford Pride took place at Patchogue-Medford High School and showcased a wide and diverse array of presentations, events, displays, projects, games, and performances from students, kindergarten through 12th grade.

“The event was extremely well attended. Everyone came out to see what the future of our community has been accomplishing, and as it turns out, their accomplishments are impressive. Congratulations to the students and teachers who made it a great evening,” said Leg. Calarco.
