FROM THE OFFICE OF SUFFOLK COUNTY LEGISLATOR ROB CALARCO

Hoshi Sushi & Hibachi Opens in Downtown Patchogue with a Bang

Patchogue, June 23: Leg. Rob Calarco was on hand to welcome downtown Patchogue's newest culinary addition and chamber of commerce member: Hoshi Sushi & Hibachi located at 35 West Main Street. Grand opening festivities featured lion dancers performing a traditional and proper lion dance with the accompaniment of drum, gong, and cymbal. The loud music and the "lion movements" of the dancers in their festive lion costume are meant to scare away evil spirits so that good luck will follow.
