Second Medford Summer Concert Yields a Little ‘Something’

Medford, LI-August 22: The second summer concert held at Medford Memorial Park drew a happy crowd, there to enjoy the dulcet sounds of ‘Something, the Band’ covering the best of the Beatle classics. This year’s concert series is once again organized by the Medford Chamber of Commerce and has been made possible by the generous donations of three local businesses: Winter Brothers, McManus-Lorey Funeral Home, and Gershow Recycling.

The third and last concert will take place Wednesday, August 29 at 7 pm, featuring oldies and Doo Wop by The New York Exceptions.

“It was my pleasure to work with the Chamber, not only as the Legislator but as a member, to pull together this year’s Medford Concert series in the beautiful Medford Memorial Park. And remember that the Chamber is made up of local businesses. I encourage you to thank them for the concert by going out and shopping in their stores.”
