New York City—Saturday, October 20: Legislator Rob Calarco attended the American Kennel Club’s 2012 Meet the Breeds Event at the Jacob Javits Center in NYC, where he personally signed the Pet Promise promoting responsible pet ownership. Leg. Calarco spent the afternoon visiting official breed booths where he was able to interact with dogs, cats, puppies and kittens and learn about their history and attributes from the experts.

“Whether your pet is an official breed or not, the message here is that our pets count on us to do the right thing and be caring and responsible owners. The Meet the Breeds Event brings that message to the forefront and is a really excellent way for a family to spend an afternoon,” said Leg. Calarco, who attended the event with his wife and infant daughter.
