## ***FROM THE OFFICE OF SUFFOLK COUNTY LEGISLATOR ROB CALARCO***

### ***Most Valuable Students for October are Caring, Involved Mentors***

**Medford, October 24:** Pictured are Pat-Med High School students honored by Leg. Calarco as students who have set themselves apart from their peers because of academic achievement and positive input to the school community and the greater community.

October's Most Valuable Students are described as working to empower fellow students to get involved, as being empathetic and caring toward others, and as using their Spanish-speaking skills to mentor Spanish-speaking students in other classes.
