LEGISLATOR ROB CALARCO CELEBRATES NATIONAL NIGHT OUT

(MEDFORD) – Legislator Rob Calarco celebrated “National Night Out” at the Medford Target on Horseblock Road. A nationally held event on the first Tuesday of every month, communities around the country get together to host evening parties that bring people together in the name of peace. Legislator Calarco is pictured here with the Suffolk County Prevention for the Cruelty of Animals, one of the dozens of organizations that came out to conduct demonstrations, provide information and serve refreshments to residents.
