SubZero Welcomed to Patchogue Village

PATCHOGUE, N.Y. – Deputy Presiding Officer Rob Calarco welcomed Patchogue’s newest business, SubZero, to the downtown business district. The Zollo Family, together with the Chamber of Commerce, elected officials, and local friends and family celebrated the grand opening in front of their new storefront on North Ocean Avenue. Sub-Zero uses a unique liquid nitrogen technique to fast-freeze cream to create ice cream novelties.

“I am so happy to welcome Sub Zero to the neighborhood,” stated Deputy Presiding Officer Rob Calarco. “Our downtowns are thriving and this fun and unique business is a welcome addition to the community.”

The new owners cut the ribbon at the grand opening.
