(HOLBROOK – NY) Once again the semi-annual Holbrook Clean Up, which is cosponsored by Suffolk County Legislator Bill Lindsay along with the Holbrook Chamber of Commerce, was a huge success thanks to over 75 local students and volunteers.

The Clean Up is always met with great energy and enthusiasm by the volunteers who donate their time to make the Holbrook community a better place to live and work. This event led to the removal of 100 bags of litter and debris along Patchogue-Holbrook Road, Main Street, Railroad Avenue, Furrows Road, and many side streets.

“I am always amazed at the number of people who sign up and go to great lengths to better our community” said Legis. Lindsay. “These events just prove that community engagement and civic activism can truly make an immediate impact on our community. I truly cannot thank all of our students and volunteers enough.”
