BARRAGA: ADELPHI BREAST CANCER HOTLINE INFORMATION

May is the month we celebrate Mother's Day and Suffolk County Legislator Tom Barraga (R-West Islip) would like to take this opportunity to remind women of all ages to give themselves one of the greatest gifts – a mammogram.

Legislator Barraga has joined today with the Adelphi NY Statewide Breast Cancer Hotline and Support Program in their Mother's Day campaign urging those with or concerned about breast cancer to call to get information and emotional support from the hotline's specially trained volunteers, most of whom are women who have had breast cancer.

For more information and to locate an accredited mammography facility nearby, call the Adelphi New York Statewide Breast Cancer Hotline and Support Program's toll free number at 800-877-8077. All services are free.
