Suffolk County Legislator Tom Barraga (R-West Islip) along with staff, volunteers from Island Harvest and members of the Bay Shore Fire Department distributed needed food to approximately 100 residents victimized by Hurricane Sandy. “Every person received 20 sandwiches, fresh produce, can goods and fruit to tide them over until their homes are once again electrified. We bagged the food products and gave them to those in need” – said Barraga. “I want to thank the people of Island Harvest, the Bay Shore Fire Department and all the volunteers for their help and passionate commitment” – said Barraga.
