Suffolk County Legislator Tom Barraga(R-West Islip) recently had the pleasure of attending the grand opening festivities for “Lighthouse on the Runway” – one of the newest restaurants featured at Long Island MacArthur Airport.

Elected officials, local residents and travelers waiting for arriving and departing flights savored wine tastings and hors d’curves while listening to a special performance by the FREE Players Jazz Ensemble.

In appreciation to Long Island MacArthur Airport for supporting The Art Therapy and Theater Day Program at Family Residences and Essential Enterprises, a nonprofit based in Old Bethpage an exhibit of artwork also debuted at the event. The piece pictured above “Sunset in Nepal” was created by Mark Castillo.
