BARRAGA: SHOVEL SIDEWALKS IN FRONT OF HOMES AND BUSINESSES

Suffolk County Legislator Tom Barraga (R-West Islip) wants to remind homeowners and businesses with sidewalks to shovel the snow from the walks as soon as possible after a snow fall in order to avoid the possibility of pedestrian injury and possible civil suit against the homeowner or business.

A number of constituents have contacted my office to complain that homes and businesses that have sidewalks are not clearing the walks after a snow storm thus forcing adults and children to walk in the street.

“You have an obligation to clean your sidewalks after a snow storm and you should do so as quickly as possible” said Barraga.
