Suffolk County Legislator Tom Barraga (R-West Islip) recently met with brothers Sean and Christopher Wilson and family to recognize Sean for a recent fundraiser he held called “Change for Children” where he donated \$2,392.63 to the Good Samaritan Hospital Foundation. This money will benefit Good Samaritan Hospital pediatric department, where his brother,

Christopher, spent six weeks in the Pediatric Intensive Care Unit, the first 11 days in a coma. Sean collects loose change donated by patrons at local establishments to give back to the hospital that saved his brother's life. In 2012, Christopher was critically injured after being hit by a car while walking to school. Three years later, thanks to the support of his family and health care providers, he has finished his first year of college and has made a remarkable recovery.
