LEGISLATOR STEVE STERN KEEPS PROMISE TO CUT HIS OWN SALARY

Saves Taxpayer Dollars and Leads by Example

HUNTINGTON, NY – Legislator Steve Stern (D-Huntington, 16th L.D), once again kept his promise to taxpayers to lead by example and share the sacrifices that the hard working families of Suffolk County make every day, voluntarily reducing his salary this year to save taxpayer dollars during these challenging times. Legislator Stern has reduced his salary in the past to address budget concerns and has always refused taxpayer funded perks such as a County car, County cell phone and expense reimbursements.

“It is important for those of us in government to join with our neighbors and work together to find solutions to the fiscal challenges we face, without placing additional burdens on our Suffolk County taxpayers,” Legislator Stern said. “I am proud to have joined with my colleagues in the Legislature in cutting our salaries this year, joining other County employees who are also sacrificing to help the County preserve vital services without raising taxes during these challenging times.”
