**LEGISLATOR STEVE STERN AND ISLAND HARVEST
COLLECT LITERALLY "A TON" OF FOOD**

Super Bowl Marathon Collection Nets Super Haul For Our Community

Pictured: Legislator Stern with volunteers from all Three Locations

HAUPPAUGE, NY—Legislator Steve Stern, (D-Huntington) Chairman of the Veterans and Seniors Committee, teamed with Island Harvest to collect non-perishable food items for area food pantries. The collection, which took place at three area Stop & Shop supermarkets the day before the Super

Bowl, was a resounding victory for our community. The outpouring of support was tremendous with each location collecting well over 700 pounds of food.

Legislator Stern, stated "The Super Bowl is always a time of fun and food with family and friends. I am proud we were able to bring fun, food, family, and friends together for a worthy cause. It was wonderful to see the Island Harvest-Legislator Stern team score in the fight against hunger as a precursor to the Giants' big victory on Sunday." Stern added, "Special thanks to our community Stop & Shop supermarkets and our young volunteers. It is always great to see the best of our community when we come together to assist each other."
