HUNTINGTON, NY – Suffolk County Legislator Steve Stern (D-Huntington) 16th LD is joining with Legislator William Spencer (D-Centerport) 18th LD, Island Harvest, local veterans organizations and organizations for the homeless to collect new or gently used comforters to provide warmth and comfort for our neighbors this winter. “This winter, in the aftermath of Superstorm Sandy, the need for blankets and comforters is particularly urgent, as many of our neighbors lost possessions and have suffered damage to their homes,” Legislator Stern said. “Please stop by my office to donate a comforter and help spread warmth this winter.”
