**LEGISLATOR STEVE STERN ADDRESSES HALF HOLLOW HILLS PTSA  
LEGISLATIVE BRUNCH**

*Forum brings elected officials, students, teachers and administrators together*

*Legislator Stern with members of the HHH PTSA Legislation Committee, elected officials, faculty and administration*

**HUNTINGTON, NY** –Suffolk County Legislator Steve Stern (D-Huntington) 16<sup>th</sup> LD, was recently invited to address the annual Half Hollow Hills Parent Teacher Student Association’s (PTSA) annual Legislative Brunch. This event, sponsored by the PTSA Legislation Committee, provides an opportunity for elected officials to speak with students, faculty and administration officials about local concerns and to share important information about issues in our community. Legislator Stern discussed legislation that he co-sponsored to study placing emergency notification systems in schools to enable staff to reach the police more quickly in the event of an emergency.

“The Legislation Committee provides a unique opportunity for these bright and engaged students to meet their elected officials and to share their ideas and perspectives,” Legislator Stern said. “These students also join me every year at the Legislature, where they have the opportunity to see our government in action and learn more about the importance of local government in their everyday lives. I applaud the HHH school district for doing an outstanding job preparing our young people to become the leaders of tomorrow and thank the HHH PTSA for inviting me to join them at the annual Brunch.”
