HUNTINGTON, NY –Suffolk County Legislator Steve Stern (D-Huntington) 16th LD, Chairman of the Veterans and Seniors Committee, is joining with Half Hollow Hills High School West junior Christopher Baransky to raise funds for **“Building Homes for Heroes,”** a non-profit organization that has been building and retro-fitting homes for servicemembers wounded while serving our great nation. **All** Long Island **Green Cactus Mexican Grill** locations will be donating the net proceeds from sales on **Thursday, June 20, 2013** to support

the *Building Homes for Heroes* mission. Since 2006, *Building Homes for Heroes* has been building homes from the ground up or modifying existing homes to be accessible for the brave men and women who selflessly served our country. These homes are mortgage-free and help not only to ease the financial burden placed on families of wounded soldiers, but also help servicemen and women regain independence and remain in their homes and communities. Christopher, a Navy Sea Cadet, has been working to raise funds for this worthy organization and organized the *Green Cactus* fundraiser. “Please come out to the *Green Cactus Mexican Grill* on **Thursday, June 20, 2013** and help Christopher and *Building Homes for Heroes* help our servicemen and women,” Legislator Stern said. “I thank Christopher for his hard work, dedication and efforts to assist those who have sacrificed so much to protect our way of life.”

Please come out to any *Green Cactus Mexican Grill* on June 20th to support this cause and help build a home for a veteran in need:
