**HUNTINGTON, NY** –Fun and games aren't just for kids anymore. Suffolk County Legislator Steve Stern, (D-Huntington) 16<sup>th</sup> L.D., Chairman of the Veterans and Seniors Committee hosted a trivia game with the residents of The Bristol in East Northport to celebrate National Senior Citizens Day August 21, 2014.

The residents enjoyed testing their memories with questions about history, entertainment and pop culture from the 1940's and 1950's.

President Ronald Reagan declared August 21<sup>st</sup> "National Senior Citizens Day" in 1988 to acknowledge the achievements and accomplishments of older generations, and demonstrate a heartfelt salute to those who have made positive contributions to their communities.

“Our senior citizens are the ones who built our communities to be the welcoming places we are proud to call home today. It is an honor to be able to give back to those generations who have done so much for us,” Legislator Stern said.
