Legislator Stern is the only Legislator selected to chair two committees

HUNTINGTON, NY – Legislator Steve Stern (D-Huntington, 16th L.D), is pleased to announce that he has been chosen to serve as the Chairman of the prestigious Ways & Means Committee for 2014. The Ways & Means Committee has jurisdiction over all matters relating to the day to day operations of County government, including tax issues, real estate transactions, settlement of litigation claims, ethics and elections, among others. Legislator Stern has also been named Chairman of the Veterans & Seniors Committee for the fifth straight term, in recognition of his dedication to the needs of our veterans and their families and his hard work on behalf of our seniors.

In addition to his two Chairmanships, Legislator Stern will serve as Vice-Chairman of the Economic Development Committee and as a member of the Public Works & Energy Committee, as well as the Budget & Finance Committee.

“I am honored to have been chosen by Presiding Officer Gregory to lead the Ways & Means Committee and to continue my service as Chairman of the Veterans & Seniors Committee,” Legislator Stern said. “The decisions made by the Ways & Means Committee affect every aspect of life in Suffolk County and I look forward to working with my colleagues to ensure that Suffolk County Government continues to address our challenges, improve efficiency and uphold the highest ethical standards. I also look forward to beginning a new term as Chairman of the Veterans and Seniors Committee and the continuing honor of working with and for the brave men and women who protect our great nation and their families and with our Office for the Aging to help our seniors stay in the communities that they love and helped build.”
