**LEGISLATOR STEVE STERN HONORS
'SENIOR CITIZEN OF THE YEAR'**

Dr. Alfred Huberman is recognized for his outstanding commitment to our community

Legislator Steve Stern presents a proclamation to Dr. Alfred Huberman on being named the "Senior Citizen of the Year" for the 16th Legislative District.

HUNTINGTON, NY – Suffolk County Legislator Steve Stern (D-Huntington, 16th L.D.), Chairman of the Veterans and Seniors Committee, honored Dr. Alfred Huberman as the 16th Legislative District "Senior Citizen of the Year" for his tireless volunteer efforts during SeniorNet's 16th Annual Meeting, held at the Cinema Arts Centre in Huntington on October 26, 2015.

Dr. Huberman has been a volunteer with SeniorNet at the Family Service League – Don Weidman Learning Center since 2009, leading computer classes for older residents to empower seniors with technology. He also coaches classes with the SeniorNet Mobile Learning Center, teaching computer skills to our veterans at the Northport VA Medical Center.

In addition to his work with SeniorNet, Dr. Huberman, a dentist, has donated orthodontic services to needy children through the Brownsville Boys and Girls Club. He is a member of Toastmasters' International, a non-profit organization focused on developing public speaking and leadership skills, and serves as Vice President for the Citizens Advisory Committee for People with Disabilities for the Town of Huntington.

“Dr. Huberman has personally reached hundreds of our older neighbors to empower them with education and the tools of technology. On behalf of all of our residents in the 16th Legislative District, I thank him for his years of service and commitment to our community,” Legislator Stern said.
