VETERANS TAKE CENTER STAGE AT ELWOOD MIDDLE SCHOOL

Legislator Steve Stern serves as keynote speaker during Veterans Day assembly

Suffolk County Legislator Steve Stern served as the keynote speaker during a Veterans Day assembly at Elwood Middle School.

HUNTINGTON, NY – Suffolk County Legislator Steve Stern (D-Huntington, 16th L.D.), Chairman of the Veterans and Seniors Committee, recognized service members in our community for their service during a Veterans Day assembly Tuesday, November 9, 2015 at Elwood Middle School.

Legislator Stern, who served as the keynote speaker, spoke to the students about the heroism of our service members and the sacrifices they have made abroad to protect the liberties we cherish at home. The veterans and service members, some of whom recently graduated from Elwood/John H. Glenn High School, shared personal stories from their time in the military and explained to the students what their service to our country meant to them.

“Throughout history, our veterans have demonstrated great bravery, sacrifice and devotion to duty to protect our freedom and our way of life,” Legislator Stern said. “It is a great privilege for all of us to hear their experiences and know that the service they gave to our great nation will be honored and remembered for generations to come.”
