

Bloodstock® Scholarship Program

Bloodstock® is a scholarship opportunity for students who demonstrate community service and leadership through the planning and sponsorship of a community blood drive.

- Blood drive must meet minimum requirements below.
 - 30 to 49 blood donations = \$250
 - 50+ blood donations \$500
- We encourage you to schedule your Bloodstock® drive in one of our 5 Donor Centers or at a location of your choice within the community.
- Bloodstock® blood drives may be scheduled 7 days per week, however please be aware that weekends are often unavailable. Weekday evening Bloodstock® blood drives are very common. (Sample hours are 3:00 to 9:00 pm)
- You may host more than one blood drive, however each blood drive must achieve the minimum # of donations to earn the scholarship award.
- You may co-sponsor a blood drive with a friend, however the scholarship award will be divided in two.
- You must meet with your designated NYBC Account Manager and maintain constant communication throughout the planning process.
- You must be present at your blood drive.
- Blood drives at High Schools during the academic school year from September to June are not eligible for Bloodstock® scholarships.
- Following the blood drive, you must submit the scholarship form in order to receive the scholarship check.
- Checks are made out to the college or university where you plan to attend. Lost checks will not be replaced.
- For more information, e-mail Tina Kovolisky at tkovolisky@nybloodcenter.org
