

It's Your Water Supply. Use It Wisely.

The conservation of the underground aquifer system that provides 100% of our drinking water is not only a top environmental priority, but a financial and quality of life one as well.

Join the Suffolk County Water Authority, New York State Assemblyman Fred Thiele and Suffolk Legislator Bridget Fleming at a very important meeting to find out why—and what you can do to help.

**Monday, August 8
7 p.m. to 8:30 p.m.**

**Morris Meeting Room
Rogers Memorial Library
91 Coopers Farm Road
Southampton**
