## **Mastic teen sentenced to 20 years to life for death of Patchogue man during armed robbery**

A 19 year old Mastic man will serve 20 years to life in state prison for his role in the shooting death of Talik Bristel in a Medford auto body shop on Christmas morning in 2013, Suffolk County District Attorney Thomas Spota said.

Cesar Figueroa, 19, of Stuyvesant Avenue, in Mastic entered the repair shop Whitestar MTR on Cedarhurst Avenue with his accomplice Brandon Davis with guns drawn demanding cash from those inside; Figueroa shot three people in the repair shop but none suffered life-threatening injuries, Davis shot and killed Bristel and was sentenced last month to life in prison without parole.

Judge John Toomey sentenced Figueroa to 20 years to life on the murder in the second degree charge and 15 years imprisonment and five years post release supervision on each of two counts of first degree assault. The sentences will be served concurrently.
