The Golf Reservation System

If you wish to purchase or renew a green key card for golf, you can call the Pro Shop directly where a golf reservation can be made over the phone and you can purchase your green key card prior to tee-off time that day.

General - Only "Green Key" or "Non Resident Green Key" holders can make a reservation. Reservations can be made for a party of one to four players. Nine (9) hole reservations are not permitted. A "key" holder can only make one reservation for any given day. Reservations can be made by calling 244-PARK (2775) from any touch-tone phone or through the internet at www.suffolkcountyny.gov/parks.

Availability - Reservations can be made up to 7 days in advance for Green Key Holders and 3 days in advance for Non Resident Key Holders. Reservations for a new day will begin at 6:00 pm. For example, 6:00 pm on a Saturday is the earliest opportunity to make a reservation for the following Saturday.

Every night, beginning at 6:00 pm, there will be a 15 minute "Speed Reservation" period. During this period only new reservations will be processed by the system and only one reservation per phone call will be permitted. Reservations will be accepted until 12:00 am of the same day of play. Same day reservations are permitted. Call the Pro Shops for additional information.

Check-In - The reserving "Key" holder and all of the members of the reserved party must check-in 1 hour prior to the reserved tee-time. The reservation fee will be \$3.00 for each reserved player. The reserving "Key" holder is responsible for paying the \$3.00 reservation fee and \$5.00 no-show fee for any of the reserved players who do not show up. The fee will be collected at check-in.

Each member of the party will be checked in by computer. A player MUST be in possession of a valid "Green Key" in order to qualify for the Suffolk County resident discount rate, otherwise the non resident rate will apply.

Cancellation - Reservations must be cancelled or adjusted at least 48 hours prior to tee time without any reservation fees. Reservations cancelled between 48 and 12 hours prior to tee time will incur a \$3 reservation fee per player regardless of cancellations or adjustments.

No Shows - If the reserving "Key" holder does not cancel the reservation at least 12 hours prior to tee time and does not check in 1 hour prior to tee time, the cardholder will be considered a no show. If a Key holder is flagged as a no show, a \$5.00 per player no-show fee is added to the \$3.00 per player reservation fee for a total of \$8.00 per player that will be charged.

Accumulated Reservation and No Show Fees - All uncollected reservation and no show fees will be collected at the check in immediately following their inception. Any "Key" holder accumulating \$35 or more in unpaid fees will be suspended from making additional reservations until fees are collected.

Rain Check Policy - Under extreme adverse weather conditions, the golf course professional may determine that course is not suitable for play. Under these circumstances golfers can request a rain check. Golfers who played 4 holes or less will receive a rain check for 18 holes. Those who played 5-13 holes will receive a rain check for nine holes. Golfers who played 14 or more holes will not receive a rain check.

The rain check must be obtained at pro shop prior to leaving course on day course is closed. Rain checks can only be redeemed at the course where it was obtained. Reservation fees are not included in the rain check.
