- ❖ Phones/Fax for Job Search
- ❖ Career Exploration via CAREER ZONE® and CHOICES®

## IN-SCHOOL YOUTH WORK EXPERIENCE PROGRAM

Federally funded, school-based program for economically disadvantaged, and/or at risk youth. In close cooperation with several Suffolk County school districts, the program promotes good work habits and workplace skills aimed toward a future of success in the workforce.

## OUT-OF-SCHOOL YOUTH WORK EXPERIENCE PROGRAM

Federally funded program for economically disadvantaged youth aged 16-21 who are high school dropouts wanting to complete their high school education or graduates who are seeking to develop good work habits and employment skills in preparation for successful competition in the labor market and full-time employment.

## SUMMER YOUTH EMPLOYMENT PROGRAM

Summer program designed to provide first-time work experience opportunities to economically disadvantaged youth.

Do you need help with personal, family, health, housing, substance abuse problems or more? You will find helping hands on the **Community Resource Database of Long Island**.
