RE: CEQ Proposed Improvements to CR21, Middle Island-Yaphank Road in the Vicinity of Longwood Road, CP 5138, Town of Brookhaven

At its September 16, 2020 meeting, the CEQ reviewed the above referenced matter. After a presentation by Alex Gimpelman, Senior Civil Engineer, Suffolk County Department of Public Works, the Council advises the Suffolk County Legislature and County Executive, in CEQ Resolution No. 56-2020, a copy of which is attached, that the proposed project be considered an Unlisted Action under SEQRA that will not have significant adverse impacts on the environment.

If the Legislature concurs with the Council on Environmental Quality's recommendation that the project will not have a significant adverse impact on the environment, the Presiding Officer should cause to be brought before the Legislature for a vote, a resolution determining that the proposed action is an Unlisted Action pursuant to SEQRA that will not have significant adverse impacts on the environment (negative declaration). However, if the Legislature has further environmental concerns regarding this project and needs additional information, the Presiding Officer should remand the case back to the initiating unit for the necessary changes to the project and EAF or submit a resolution authorizing the initiating unit to prepare a draft environmental impact statement (positive declaration).

Enclosed for your information is a copy of CEQ Resolution No. 56-2020 which sets forth the Council's recommendations. The project EAF and supporting documentation can be viewed online at <http://www.suffolkcountyny.gov/Departments/Planning/Boards/CouncilonEnvironmentalQuality>.

**CEQ RESOLUTION NO. 56-2020, RECOMMENDATION CONCERNING
A SEQRA CLASSIFICATION AND DETERMINATION FOR THE
PURPOSES OF CHAPTER 450 OF THE SUFFOLK COUNTY CODE FOR
PROPOSED IMPROVEMENTS TO CR 21, MIDDLE ISLAND-YAPHANK
ROAD IN THE VICINITY OF LONGWOOD ROAD, CP 5138, TOWN OF
BROOKHAVEN**

WHEREAS, at its September 16, 2020 meeting, a presentation regarding the proposed improvements to County Road 21 (CR 21), Middle Island-Yaphank Road in the vicinity of Longwood Road, CP 5138, Town of Brookhaven, was given at the meeting by Alex Gimpelman, Senior Civil Engineer with the Suffolk County Department of Public Works; and

WHEREAS, the proposed project involves, improvements to CR 21, Middle-Island-Yaphank road in the Vicinity of Longwood Road in the Town of Brookhaven; and

WHEREAS, the primary goals of the project are to alleviate the frequency and severity of flooding along this portion of CR 21, improve the operation of the roadway in the vicinity of the intersection and rehabilitate the pavement surface; and

WHEREAS, to address the flooding issues, the intersection will be raised by approximately 15 inches and the existing drainage system will be greatly improved by directing stormwater runoff to an existing drainage swale that will be substantially increased in size; and

WHEREAS, this increased sized drainage swale will reduce the stormwater flow to the Carmans River and allow for sediments and debris from the “first drainage flush” to settle out in the basin rather than the more direct stormwater discharge to the river that currently occurs; and

WHEREAS, the operational improvements will consist of lengthening the right turn lane from northbound CR 21 to Longwood Road, improving the lane widths and left turn lane storage of the westbound approach of Longwood Road to CR 21 and rebuilding of the traffic signal at the intersection of CR 21 and Longwood Road to meet current standards; and

WHEREAS, in conjunction with raising the elevation of the intersection, the existing pavement in the vicinity of the intersection will be resurfaced and new pavement markings and signage will be installed; and

WHEREAS, this project may also include ancillary work to be performed by various utility companies, which may include relocating underground and/or overhead electric, underground and/or overhead telephone/communications, and underground gas, water, and/or sewer infrastructure as necessary to construct the highway improvements proposed by this Capital Improvement Project; now, therefore, be it

1st RESOLVED, that based on the information received and presented, a quorum of the CEQ hereby recommends to the Suffolk County Legislature and County Executive that the proposed activity be classified as an Unlisted Action under the provisions of Title 6 NYCRR Part 617 and Chapter 450 of the Suffolk County Code; and, be it further

2nd RESOLVED, that based on the information received, a quorum of the CEQ recommends to the Suffolk County Legislature and County Executive, pursuant to Title 6 NYCRR Part 617 and Chapter 450 of the Suffolk County Code, that the proposed project will not have significant adverse impacts on the environment for the following reasons:

1. The proposed action will not exceed any of the criteria of 6 NYCRR, Section 617.7, which sets forth thresholds for determining significant effect on the environment, as demonstrated in the Environmental Assessment Form;
2. The proposal does not significantly threaten any unique or highly valuable environmental or cultural resources as identified in or regulated by the Environmental Conservation Law of the State of New York or the Suffolk County Charter and Code;
3. The proposed project will improve vehicle safety;
4. The proposed project will reduce the frequency and severity of flooding along this portion of CR 21, improve stormwater drainage within the project area and reduce direct stormwater flow to the Carmans River;
5. The Suffolk County Department of Public Works will continue to investigate different possible bicyclist protections improvements that can be incorporated into this project;
6. The utility work covered by the proposed action is limited to the ancillary work required to be done for the CR 21 road improvement project and the Suffolk County Department of Public Works will continue to coordinate with the involved utility companies regarding this utility work;
7. All required regulatory permits/approvals will be obtained prior to construction;

and, be it further

3rd RESOLVED, that it is the recommendation of the Council that the Legislature and County Executive adopt a SEQRA determination of non-significance (negative declaration).
