Downtown Revitalization

Suffolk Jumpstart

Part of Suffolk's comprehensive economic development strategy to encourage and enhance the planning and development of regionally significant projects in Suffolk's downtowns. This program is available to all Towns and Villages and supports transit oriented development projects that are shovel ready or are in the advanced planning stages.

Downtown Revitalization Grants

Support redevelopment and revitalization of Suffolk County's downtowns. Funding is available for capital projects located in or adjacent to downtown areas on municipally-owned property. Applicants must partner with their local municipality. Funds are awarded on a competitive, merit-based scoring system.

Workforce Housing & Infrastructure

Workforce Housing Infrastructure

Provides funding to qualified projects for infrastructure improvements related to workforce housing. The funds may be used for infrastructure improvements such as sewer treatment plants, landscaping, sidewalks, roads, drainage, and parking that constitute an integral component of such development.

Workforce Housing Land Acquisition

Provides on-going funding for the acquisition of land for workforce housing developments.

Suffolk Sewer Infrastructure Fund

A competitive grant and loan program for construction-ready municipal and private sewer infrastructure expansion projects within Suffolk County.

Cultural Arts & Film
