RE: CEQ Proposed Improvements to CR 2, Straight Path, From Long Island Railroad to
Nicolls Road, CP 5527, Town of Babylon

At its August 21, 2019 meeting, the CEQ reviewed the above referenced matter. After a presentation by Erik Bergey, Civil Engineer, Suffolk County Department of Public Works the Council advises the Suffolk County Legislature and County Executive, in CEQ Resolution No. 34-2019, a copy of which is attached, that the proposed project be considered an Unlisted Action under SEQRA that will not have significant adverse impacts on the environment.

If the Legislature concurs with the Council on Environmental Quality's recommendation that the project will not have a significant adverse impact on the environment, the Presiding Officer should cause to be brought before the Legislature for a vote, a resolution determining that the proposed action is an Unlisted Action pursuant to SEQRA that will not have significant adverse impacts on the environment (negative declaration). However, if the Legislature has further environmental concerns regarding this project and needs additional information, the Presiding Officer should remand the case back to the initiating unit for the necessary changes to the project and EAF or submit a resolution authorizing the initiating unit to prepare a draft environmental impact statement (positive declaration).

Enclosed for your information is a copy of CEQ Resolution No. 34-2019 which sets forth the Council's recommendations. The project EAF and supporting documentation can be viewed online at <http://www.suffolkcountyny.gov/Departments/Planning/Boards/CouncilonEnvironmentalQuality>.
