“Solar-Up Suffolk” Solar Fair – Open to the Public

A one-stop shop featuring environmentalists, solar vendors, and utilities ready to answer questions about incorporating solar energy into your home or business. Bring your friends and family to this free event to learn more about going solar!

Where:

H. Lee Dennison Building Plaza
100 Veterans Memorial Highway
Hauppauge

“Solar 101” Lunch & Learn Webinar – for County Employees

This webinar will offer county employees the opportunity to learn about incorporating solar energy into their homes. Featuring expert panelists and a current user of solar energy, attendees will have the opportunity to ask questions, and learn about going solar.

Registration is required for this webinar – please [click here](#) or follow the QR code below:
