   LLC Application (SCTM # 0900-084.00-01.00-032.020 and 0900-084.00-01.00-032.021)

At its May 17, 2017 meeting, the CEQ reviewed the above referenced matter. Pursuant to Chapter 450 of the
Suffolk County Code, and based on the information received, as well as that given in a presentation by
Lauretta Fischer, Chief Environmental Analyst with the Suffolk County Department of Economic
Development and Planning, the Council advises the Suffolk County Legislature and County Executive, in CEQ
Resolution No. 27-2017, a copy of which is attached, that the proposed project be considered an Unlisted
Action under SEQRA that will not have significant adverse impacts on the environment. Please note that while
this represents an informal CEQ recommendation, pursuant to the requirements of Chapter 450 of the Suffolk
County Code and the Bylaws of the CEQ, the CEQ was unable to make an official recommendation for this
action as the necessary votes were unavailable to carry a resolution relative thereto.

If the Legislature concurs with the Council on Environmental Quality's recommendation that the project will
not have a significant adverse impact on the environment, the Presiding Officer should cause to be brought
before the Legislature for a vote, a resolution determining that the proposed action is an Unlisted Action
pursuant to SEQRA that will not have significant adverse impacts on the environment (negative declaration).
However, if the Legislature has further environmental concerns regarding this project and needs additional
information, the Presiding Officer should remand the case back to the initiating unit for the necessary changes
to the project and EAF or submit a resolution authorizing the initiating unit to prepare a draft environmental
impact statement (positive declaration).

RE: CEQ Review of the Recommended SEQRA Classifications of Legislative Resolutions
    Laid on the Table April 25, 2017

At its May 17, 2017 meeting, the CEQ reviewed the above referenced matter. Pursuant to Chapter 450 of
the Suffolk County Code, and based on the information received, the Council recommends to the Suffolk
County Legislature and County Executive in CEQ Resolution No. 28-2017, a copy of which is attached,
that the enclosed lists of legislative resolutions laid on the table April 25 2017, be classified pursuant to
SEQRA as so indicated in the left hand margin. The majority of the proposed resolutions are Type II
actions pursuant to the appropriate section of Title 6 NYCRR Part 617.5, with no further environmental
review necessary. Unlisted and Type I actions require that the initiating unit of County government
prepare an Environmental Assessment Form (EAF) or other SEQRA documentation and submit it to the
CEQ for further SEQRA review and recommendations.

Enclosed for your information is a copy of CEQ Resolution No. 28-2017 setting forth the Council's
recommendations along with the associated lists of legislative resolutions. If the Council can be of
further help in this matter, please let us know.
