Pursuant to Chapter 450 of the Suffolk County Code, and based on the information received, as well as that given in a presentation by Paul Clinton, Architect with the Suffolk County Department of Public Works and Gerry Rosen, Engineer with PW Grosser Consulting, the Council advises the Suffolk County Legislature and County Executive, in CEQ Resolution No. 12-2018, a copy of which is attached, that the proposed project be considered an Unlisted Action under SEQRA that will not have significant adverse impacts on the environment.

However, if the Legislature has further environmental concerns regarding this project and needs additional information, the Presiding Officer should remand the case back to the initiating unit for the necessary changes to the project and EAF or submit a resolution authorizing the initiating unit to prepare a draft environmental impact statement (positive declaration).
