Planning Department staff responded to Ms. Andrews in a correspondence also shared with the Committee.

PUBLIC COMMENTS
Chairman Orlowski opened the meeting for public comments about matters unrelated to items on the meeting agenda. There being none, Chairman Orlowski closed the public comment portion of the meeting.

POLICY MATTERS

Suffolk County Agricultural Districts (status of 2010 Open Enrollment Period)
The introductory resolution authorizing the inclusion of 138 parcels (2,312.1 ± acres) into existing certified agricultural districts (Introductory Resolution 1695-2010), as per the recommendation of the Suffolk County Agricultural and Farmland Protection Board, was adopted by the Suffolk County Legislature (“Legislature”) on September 16, 2010 (Resolution 865-2010). Certification by the Commissioner of the New York State Department of Agriculture and Markets is pending.
Proposed amendments to Chapter 8, “Development Rights to Agricultural Lands”
A local law amending Chapter 8 of the Suffolk County Code was laid on the table on August 3, 2010 (Introductory Resolution 1835-2010). The public hearing to consider said local law was held on August 17, 2010. The Legislature adopted the introductory resolution on September 16, 2010 (Resolution 867-2010). Member Isles thanked all those who provided instrumental support during the amendment process including Suffolk County Farmland Committee members and advisors, the Long Island Farm Bureau, the Peconic Land Trust and the town agricultural advisory committee members and staff. Member Isles recognized key staff member, Jessica Kalmbacher, for her managing role in developing the changes, as well as, the contributions of Law Department staff members Linda Spahr and Thomas Young. It is anticipated that the new law will be enacted within the next two months. Once enacted, copies of the new code will be distributed to those who participated in the amendment process and to property owners in the Suffolk County Purchase of Development Rights Program (“SCPDR Program”).

*Advisor Connell arrived during the discussion of the above item.*

Suffolk County Aquaculture Lease Program
Planning Department staff is in the process of completing surveys for approved Temporary Marine Underwater Assignments included in Lease Application Cycle # 1. The public comment period for private oyster grant owners included in Lease Application Cycle # 2 was closed on September 20, 2010 and will be followed by an Aquaculture Lease Board meeting during which comments received will be reviewed. It is anticipated that Lease Application Cycle # 3 for new applicants will begin in January of 2011.

Federal Farm and Ranch Lands Protection Program Implementation Grant
On August 16, 2010, the USDA Natural Resources Conservation Service awarded the County of Suffolk (“County”) a grant for $1,095,600 pursuant to the Federal Farm and Ranch Lands Protection Program for the preservation of a 26.4-acre farm field at Sylvester Manor. Said farm field was recommended by the Committee on May 26, 2009 (Committee Resolution DR-9-2009). Planning Department staff hopes to apply for funding to preserve an additional 57.1 acres at Sylvester Manor in 2011.

STATUS UPDATES

**Frank J. Blangiardo**  
(0600 04700 0100 003007)  
Status of Compliance with Committee Resolution FC-6-2010  
The subject property consists of approximately 37.7 acres in the hamlet of Jamesport, Town of Riverhead. The landowner, Frank Blangiardo, was in attendance and submitted an as-built survey. A conversation about the remaining conditions stipulated in Committee resolution FC-6-2010 ensued. The Committee advised Mr. Blangiardo to discuss and resolve the issues pertaining to the as-built survey and other conditions with Planning Department staff.
NEW PARCELS
Ringhoff Family Limited Liability Company/Ringhoff Family Farm, East
(0200 51200 0100 017000 and 0200 51200 0100 018000)
The subject property consists of 140.7 ± acres in the hamlet of Eastport, Town of Brookhaven. On July 28, 2009, the Committee approved the subject parcels in their entirety for recommendation for inclusion in the SCPDR Program (Committee Resolution DR-12-2009). The landowner is now interested in selling development rights to a portion (76.0 ± acres out of ± 140.7) of what was originally approved. The property received a new score of 6 out of 25 by the Committee.

A motion was put forth by John Turner and seconded by Albert Schmitt to deny the application, as outlined in Committee Resolution DR-6-2010. Motion carried: 13-0-0 [See Exhibit “A” for Committee Resolution DR-6-2010]

Union Free School District #10 (Commack)/ “Marion Carll Farm” Property
(0400 25100 0400 005000)
The subject property consists of approximately 8.7 ± acres in the hamlet of Commack, Town of Huntington. On July 27, 2010, the Committee tabled said proposal (See applicable Suffolk County Farmland Committee meeting minutes).

A motion was put forth by Mark Zaweski and seconded by Lee Foster to deny the application, as outlined in Committee Resolution DR-7-2010. Motion carried: 13-0-0 [See Exhibit “B” for Committee Resolution DR-7-2010]

Elmer G. and Beatrice E. Tuthill
(1000 10800 0300 007000)
The subject property consists of approximately 56.0 ± acres in the hamlet of Cutchogue, Town of Southold. The Committee approved 44 ± acres of the subject property for inclusion in the SCPDR Program subject to a demonstration of legal access (Committee Resolution DR-5-2010). The access easement since submitted by the landowner has been reviewed by Law Department staff and has been deemed insufficient and unacceptable because it does not: 1) grant permanent legal access to the County to ensure compliance with the SCPDR Program (e.g., site inspections) and 2) grant permanent legal access to successive landowners to farm the property. Since legal access has not been demonstrated, the County cannot commence the appraisal process.

POTENTIAL/CONFIRMED VIOLATIONS
Shoreline Development Corp.
(0600 05800 0200 013001 and 0600 05800 0200 014002)
Unauthorized Storage of Non-Agricultural Debris and Other Potential Violations
The subject property consists of approximately 33.0 ± acres in the hamlet of Calverton, Town of Riverhead. In accordance with Committee resolution FC-8-2010, County and Town of Riverhead staff along with several Committee members conducted a follow-up site inspection of the subject premises. A cease and desist order was issued to the landowner by the County and an investigation is pending. Peter Schembri, representative of the above-listed property, was in attendance and commented on the recent site inspections conducted. Subsequently, Mr. Schembri was advised that any applications he may wish to submit for structures and/or activities must be done so no later than November 5, 2010 to have them considered at the November 23, 2010 Committee meeting

SGDP, LLC (Mezynieski)/ “Driftwood Farms”
(1000 01900 0200 010001)
Unauthorized Non-Agricultural Activities
The subject property consists of approximately 31.9 ± acres in the hamlet of Orient, Town of Southold. Planning Department staff received evidence that unauthorized events had occurred and were continuing
to occur on the subject property. Subsequently, a cease and desist order was issued on July 13, 2010. Upon receipt of said order, the landowners brought the property into compliance. Landowners Gretchen Mezynieski and Stephen Mezynieski were in attendance. Said landowners expressed their willingness to comply and provided additional comments about the SCPDR Program.

WHEREAS, pursuant to the Suffolk County Farmland Rating System for the Purchase of Development Rights, said farm received a score of 6 points out of 25 possible points; and

WHEREAS, said application was considered by the Committee at its meeting on September 28, 2010; now, therefore, be it
