I. ORDER OF BUSINESS

Call to Order

Chairwoman Lansdale called the meeting of the Suffolk County Farmland Committee (“Committee”) to order at 6:07 pm at the Kermit W. Graf Cornell Cooperative Extension Building, 1st Floor Conference Room, 423 Griffing Avenue, Riverhead, New York.

Approval of Minutes – March 13, 2012

A motion was put forth by Howard Johnson and seconded by Charles F. Scheer, Jr. to approve the minutes of the March 13, 2012 meeting of the Committee, as outlined in Committee Resolution FC-28-2012. Motion carried: 10-0-0 [See Exhibit “A” for Committee Resolution FC-28-2012]

Correspondences—

One general correspondence letter was received by the Planning Department on behalf of the Committee. This letter was sent to the Committee by Marie Andrews and was in regards to possible proposed changes to Chapter 8 and the Shoreline Development Corp. property. A copy of this letter was provided to the Committee. Staff also clarified that Suffolk County Planning had responded in writing to the November 10, 2011 letter that was referenced in said correspondence.

PUBLIC COMMENTS

Chairwoman Lansdale discussed the status of the Annual Review Period applications that were reviewed by the Committee and are now being considered by the Suffolk County Legislature. Ms. Lansdale stated that Introductory Resolution 1403-2012, which would authorize planning steps for all of the Annual Review Period applications approved by the Committee, had been tabled at the last EPA Committee Meeting. It was also discussed that Suffolk County Planning had also prepared separate resolutions for each approved annual review period applications to be considered separately by the Suffolk County Legislature.

It was also discussed that the issue of “cut outs” have recently been raised at the Suffolk County Legislative meetings. It was discussed that concerns have been raised about the future land use of the “cut outs” and whether a type of easement or other type of restriction should be placed on the “cut out” to insure that it remains in an agricultural type use and linked to the adjacent development rights owned parcel. After a thorough discussion the Committee decided to adopt a resolution affirming the Programs long standing practice of “cut-outs” with no restrictions.

A motion was put forth by Howard Johnson and seconded by Charles F. Scheer, Jr. to reaffirm Suffolk County Farmland Committee’s long standing policy of no restrictions on “cut outs” of parcels being acquired into the Suffolk County Purchase of Development Rights Program. Motion carried 12-0-0 [See Exhibit “B” for Committee Resolution FC-34-2012].

Chairwoman Lansdale closed the public comment portion of the meeting.

II. DISCUSSIONS

Chairwoman Lansdale provided an update on possible updates/amendments to Chapter 8 of the Suffolk County Code.

Chairwoman Lansdale opened a discussion regarding the review of draft Committee letter to the NYS Veterinarian regarding horse stocking rates for different types of commercial horse operations. The Committee reviewed said letter and decided to send said letter as written to the NYS Veterinarian.

A motion was put forth by Howard Johnson and seconded by Mark Zaweski to approve and send the letter as written to Dr. David Smith, New York State Veterinarian State Veterinarian as outlined in Committee Resolution FC-35-2012. Motion carried: 12-0-0 [See Exhibit "C" for Committee Resolution FC-35-2012].

The Committee also discussed that Suffolk County Planning would draft a second letter (not under Suffolk County Farmland Committee letterhead) related to horse stocking rates on lands not in the Suffolk County Purchase of Development Rights Program.
