I. ORDER OF BUSINESS

Call to Order
Chairwoman Sarah Lansdale called the meeting of the Suffolk County Farmland Committee (“Committee”) to order at 6:15 pm at the Kermit W. Graf Cornell Cooperative Extension Building, 423 Griffing Avenue, 2nd Floor Conference Room, Riverhead, New York.

Chairwoman Lansdale acknowledged Legislator Al Krupski’s attendance at the meeting.

Approval of Minutes – March 19, 2013
Chairwoman Lansdale abstained from voting because she was absent for the March meeting. Therefore, there was not a quorum, and so a vote on approving the March 19, 2013 Committee meeting minutes was tabled.

Correspondences—
Lauretta Fischer reported that there had been one letter to the Committee from Marie L. Andrews, in reference to the Shoreline Development Corporation, a property that was the subject of Application 2013010, which was presented at the May 2013 meeting. Ms. Fischer read Ms. Andrews’ letter into the record. In the letter, Ms. Andrews stated that she believed there was a violation on the premises [See Exhibit “A” for Marie L. Andrews’ letter, dated 05/20/2013]. The Shoreline Development Corporation Applicant, Mr. Ken Kaufold, stated that he did not believe there were any violations on the Shoreline Development Corporation property. Ms. Fischer stated that Committee Staff was not aware of any violations, but that Staff would verify this.

Presentation of Draft Agricultural Development/Special Use Permit Application form
Chairwoman Lansdale stated that in an effort to increase efficiency and transparency, Committee Staff had prepared a Draft Permit Application for the Committee’s review. She stated that the final approved Permit Application would be posted on the County website. Chairwoman Lansdale stated that all Committee members’ comments would be noted. Ms. Fischer presented the Draft Application, of which Committee members had copies in their meeting packets [See Exhibit “B” for the Draft Agricultural Development/Special Use Permit Application form].

A Committee member asked if there was a designated part of the form separating out the Special Event Request information. Ms. Fischer stated that there was, but that the one form was a combined application for Agricultural Developments and Special Events. A Committee member said that if someone just wanted to put up a barn or a deer fence, the form might look daunting because the Special Event Request was combined. He
asked if the Application could be out into two applications. Chairwoman Lansdale asked if all the Committee members agreed with this, the form could be amended to be broken into two forms. All Committee members agreed. Chairwoman Lansdale asked if the Committee would make a motion to approve.

Another Committee member asked if the $100 fee was for everything except a deer fence, landscape screen. Chairwoman Lansdale said that it was, which was consistent with Chapter 8 regulations. Chairwoman Lansdale asked if there were any additional comments; there were not. Chairwoman Lansdale said the application would be online in time for the upcoming July Committee meeting.

A motion was put forth by Charles Scheer, and seconded by Howard Johnson, to approve the Agricultural Development Permit Application form and to approve the Special Use Permit Application form, amended from the Draft Agricultural Development/Special Use Permit Application to be broken out into two separate forms [See Exhibit “C” for the Agricultural Development Permit Form and the Special Use Permit Application Form, as amended], as outlined in Committee Resolution FC-17-2013. Motion Carried: 10-0-0 [See Exhibit “D” for Committee Resolution FC-17-2013].

Status on Chapter 8 Update

Chairwoman Lansdale stated that Committee Staff has met with various municipalities on the update. She stated that Staff would be meeting with the Town of Southold, and that all the participants in the Farmland Preservation Program had been invited to a meeting on the Thursday after the Farmland Committee meeting in the Cornell Cooperative Extension Building at 423 Griffing Avenue in Riverhead. She stated that there had not been any changes made to Chapter 8 yet, because the Department was still looking for input. Chairwoman Lansdale said that the Farmland Committee would be kept in the loop as to the changes made.

I. PUBLIC COMMENTS:

None.

II. TABLED PERMIT APPLICATIONS

A. NICHOLAS BUSTAMANTE LLC / “WARREN’S NURSERY”
   100 Majors Path, North Sea, Town of Southampton

   The applicant seeks an Agricultural Development Permit for the installation, maintenance, and operation of a wind turbine, with applicable underground utility infrastructure, in association with a commercial agricultural operation. The applicant also seeks a Special Use Permit for the installation and maintenance of the aforementioned underground utility infrastructure. (Application No. 2012012)

   Ms. Fischer stated that the project manager at Warren’s Nursery (the Applicant) said that she is still working on getting the required information to Committee Staff, and requested that a vote on the Application be tabled.

   A motion was put forth by Howard Johnson, and seconded by Albert Schmitt to table the application. Motion carried: 10-0-0.

B. BRANDYWINE TRUST COMPANY, TRUSTEE FOR THE RICHARD CORNELLE 2010 MARITAL TRUST
   149 Long Lane, East Hampton North, Town of East Hampton
   Tax Map #: 0300-157.00-03.00-011.004 (28.7 ± acres)
   The applicant seeks a Special Use Permit for the installation and maintenance of a drainage structure, in association with a commercial agricultural operation. The land has been excavated and soil has been removed from the premises prior to submission of this application. (Application No. 2012025)
Tom Young requested that this be tabled. He said that other than saying there is continued dialogue to resolve this, the Committee would need to go into executive session to further discuss.

A Committee member asked what the status of the site was. Chairwoman Lansdale said the status was unchanged.

A motion was put forth by Lee Foster, and seconded by Howard Johnson, to table the application. Motion carried: 10-0-0.

V. PERMIT APPLICATIONS

A. WALKER MCCALL / “MCCALL RANCH”
2260 Main Road, Cutchogue, Town of Southold
Tax Map #: 1000-116.00-01.00-003.005 (83.3 ± acres)
The applicant seeks a Special Use Permit to host a Special Event, known as HARVEST EAST END, on the premises on August 24, 2013. (Application No. 2013006)

Lauretta Fischer presented the Staff Report on the permit application.

A Committee member asked Ms. Fischer if this was the only event on this parcel that had been requested for the year. She said that it was. A Committee member asked off of which road the event entrance would be. Ms. Fischer stated the entrance would be from New Suffolk Avenue, and emergency access would be from Main Road. A Committee member asked Ms. Fischer to repeat the number of attendees. She said there would be 1200 to 1500 attendees. A Committee member said that apparently a number of wineries are hosting different events this season, some with as few as 20 attendees and some larger.

A motion was put forth by Charles Scheer, and seconded by Howard Johnson, to adopt the Staff Report for Application No. 2013006, as amended, and to approve the Special Use Permit request, as outlined in Committee Resolution FC-12-2013. The applicant seeks an Agricultural Development Permit for the installation and maintenance of a farm stand/pavilion, in association with a commercial agricultural operation. (Application No. 2013008)

Lauretta Fischer presented the Staff Report on the permit application.

A Committee member asked if the existing farm stand was on the PDR property or on a separate property. Ms. Fischer stated that the existing farm stand was on a cut-out parcel and not on the PDR. A Committee member asked where the parking would be. Ms. Fischer stated that the parking would be on the cut-out where the existing farm stand is, and would not be near the proposed farm stand/pavilion. Melissa Spiro, Southold Town Land Preservation Coordinator, stated that the existing farm stand was on a parcel that was cut-out from the development rights sale. A Committee member stated that he could not see a person buying something from the proposed farm stand if he would have to walk all the way from the middle of the farm to the parking area off of Main Road. Ms. Fischer stated that what was proposed was also intended to enhance the scenic value, and so that was why the location was proposed for the structure. Chairwoman Lansdale asked Ms. Fischer to confirm that the request was technically for a farm stand. Ms. Fischer stated that it was.

A motion was put forth by Howard Johnson, and seconded by Albert Schmitt, to adopt the Staff Report for Application No. 2013008, as amended, and to approve the Agricultural Development Permit request.
Motion Not Carried: 8-0-2.

A Committee Member asked why the motion would not pass with 8 votes in favor. Tom Young said there would need to be a majority of the entire 19 member Committee to pass a motion. Therefore, to take any action 10 votes were needed. A Committee member stated he would rather more members be present for this vote. Another Committee member stated that he did not see the structure functioning as a farm stand, and felt it was more like a viewing structure, which is not permitted under Chapter 8.

A motion was put forth by Howard Johnson, and seconded by Charles Scheer, to table Application No. 2013008. Motion Carried: 10-0-0.

C. JOHN P. KUJAWSKI, JR/ “KUJAWSKI FARMS”

(Application No. 2013009)

Lauretta Fischer presented the Staff Report on the permit application.

The Applicant, Ray Kujawski, stated that after he submitted the application, he realized that he would need the barn to be constructed with sidewalls of 18 feet in order to use a self-propelled hay rake.

A motion was put forth by Howard Johnson, and seconded by Nate Corwin, to amended Application No. 2013009 to request a building with 18 foot sidewalls. Motion Carried: 10-0-0.

A motion was put forth by Howard Johnson, and seconded by Nate Corwin, to adopt the Staff Report for Application No. 2013009, as amended, and to approve the Agricultural Development Permit and Special Use Permit request, as outlined in Committee Resolution FC-13-2013. Lauretta Fischer presented the Staff Report on the permit application.

A Committee member asked what the purpose was of expanding the porch. Bill Kelly, agent for the Applicant said the Applicant wanted to expand the working area where trucks would come in. Mr. Kelly also stated that the Applicant thought the porch would look better if it was extended the length of the building. Also, the Applicant has a vineyard and an orchard, and under the porch would be used as additional open storage space for the orchard.
