## *New York State Agricultural Districts Program in Suffolk County*

### **PUBLIC NOTICE**

#### 2021 OPEN ENROLLMENT PERIOD

Notice is hereby given that, pursuant to Section 303-b of the New York State Agriculture and Markets Law, landowners may request inclusion of predominately viable agricultural lands in certified agricultural districts during the period of March 1, 2021 through March 31, 2021.

Information about the benefits of inclusion in a certified agricultural district as well as the application form are available on the Suffolk County Division of Planning & Environment website at the following address:
